Get Ready for Unstoppable Inner Peace
Author Corinne Zupko undertook her
study of psychology out of necessity
when debilitating anxiety threatened to
derail her life. Seeking ways to do more
than temporarily alleviate her
symptoms, Corinne began to study A
Course in Miracles (ACIM), mindfulness

meditation, and the latest therapeutic approaches for treating anxiety. In *From Anxiety to Love*, she shares what she learned and gently guides you through the process, helping you undo anxiety-based thinking and fostering mindful shifts in your thoughts and actions. Whether struggling with everyday stress or near-crippling discomfort, you will find that Corinne's approach offers a new way of healing from — rather than just coping with — fear and anxiety.

52 Ways to Live the Course in Miracles John Hunt Publishing

Walsh, M.D., Ph.D., distilled the most poignant passages from the Course in their beloved volume *Accept This Gift—now returned to print in this Tarcher Cornerstone Edition*. This slender, immensely powerful book provides the perfect gleanings for anyone at any level of interest in *A Course in Miracles*.

In "*A Course in Miracles*" Jesus says: If you are willing to renounce the role of guardian of your thought system and open it to me, I will correct it very gently and lead you back to God. I will teach you and live with you if you will think with me, but my goal will always be to absolve you finally from the need of a teacher. Your worth is not established by

teaching or learning. Your worth is established by God. Nothing you do or think or wish or make is necessary to establish your worth. This point is not debatable except in delusion. Your ego is never at stake because God did not create it. Your spirit is never at stake because He did. Any confusion on this point is delusional, and no form of devotion is possible as long as delusion lasts. - Jesus from A Course in Miracles *Chapters #1-15 Living Miracles Publications*

David Hoffmeister uses seven mind-expanding movies as modern-day parables to guide you into an experience

of Quantum Forgiveness. Take forgiveness as taught by Jesus 2,000 years ago, the science of the material universe as understood by Quantum Physics, and movie-watching as a spiritual tool. Combine that with the clarity of mystic David Hoffmeister, a world-renowned teacher of A Course in Miracles, and you have an insightful and original book for Awakening to permanent Peace. David's practical application of these non-dual teachings necessary to experience the Unified Mind and his clarity about the function of True Forgiveness in spiritual awakening, allow us to accept Rumi's invitation into a field of pure potential! "Out beyond ideas of wrongdoing and rightdoing there is a field. I'll meet you there." ~ The Essential Rumi "David Hoffmeister is

a beautiful teacher of A Course in Miracles. In his new book, *Quantum Forgiveness: Physics, Meet Jesus*, he offers a unique and powerful pathway for transcending fear and strengthening your miracle mindset. I recommend this book to anyone on a committed spiritual path. I absolutely adore David and all of his work!" ~ Gabrielle Bernstein, New York Times best-selling author of *Miracles Now*

Hey, Holy Spirit, It's Me Again Penguin

This book provides an in-depth introduction to the principles of A Course in Miracles. It first explains the central ideas in the ego's thought system of sin, guilt, and fear, and its defenses of denial and projection. Next, the Holy Spirit's thought system of forgiveness is explained, showing specifically how it

and the miracle undo the ego's chief defense against the Love of God: special relationships. Included also are chapters on the purpose of Jesus' life, and the story of how the Course came to be written.

The channeled writings of A Course in Miracles have touched millions of lives. And yet ACIM can be surprisingly difficult to navigate. From its often complex concepts about the nature of the ego, reality, and love; to the many intense, surprising, personal changes it can bring

into readers' lives, ACIM presents a challenge for even the most motivated students. Now D. Patrick Miller-the leading historical chronicler of ACIM and a highly respected authority on its teachings-provides the definitive how-to manual for engaging with ACIM. His guide distills years of hard-won insights and helps students navigate the sometimes intense experience. Living with Miracles is designed to make even the novice comfortable when approaching ACIM. Miller leads the reader through the most common emotions, reactions, and questions that arise when studying ACIM; provides insights and tips about pacing yourself, as well as when and how to take breaks from study; and gives advice on working through early misconceptions and

difficult later stages. He also provides useful, absorbing historical material, stories from practitioners around the world who reflect honestly on their experiences, and a resources section with ideas for those looking to continue their study of this remarkable spiritual teaching.

A Course in Miracles is the acclaimed spiritual guide that teaches the way to universal love and peace is by undoing guilt through forgiving others. The "miracles" of the title refers to shifts in perception from fear to love, which fosters the healing and sanctification of relationships. Although expressed in

terms of traditional Christianity, this life-changing work constitutes nonsectarian, universal spiritual teachings. The three-part approach begins with an explanation of the course's theory and the development of the experience of forgiveness. The second consists of a workbook, comprising 365 lessons — an exercise for each day of the year — intended to influence students' perceptions. The third section presents a manual for teachers, in which the question-and-answer format provides responses for likely inquiries as well as definitions for terms used throughout the course. Written by Dr. Helen Schucman, a clinical and research psychologist, and edited by her colleague at Columbia University, Dr. William Thetford, from 1965 to 1970, A Course in Miracles has

been translated into more than 20 languages and sold millions of copies around the world.

"Grace wants nothing to do with helping out at the city's soup kitchen. 'They're not like us, Mom,' she protests to Faith's request for volunteering her time. But the lovingly patient mother simply asks her daughter to see with her heart. 'Tell me what you see now and then again before we leave.' Faith asks as Grace balks at entering The Hospitality House. Not surprisingly, Grace's transformation takes place through lessons from the most unsuspecting teachers at the shelter." from the back cover.

No matter how much is learned, if that learning remains in our heads, it is not enough. Unless learning touches our hearts, it's never going to bring us the wisdom we seek, the peace we desire, or the intimacy and connection for which we yearn. A new and more receptive

way of knowing is needed, and is found in this course for the heart. "A Course of Love" was received by Mari Perron and given to be a "new" course in miracles. It is for the heart what "A Course in Miracles" is for the mind. For many, it is the next step in a journey already begun.

Schucman, was Jesus. This edition predates all others currently in print. It is available in two cover styles, one plain burgundy and another with a painting The Resurrection by Pieter Lastman, made available by the Getty Museum in Los Angeles, CA, USA. There is a free companion website with concordances and source material libraries. An optional 4.5 Gb/DVD containing an enhanced edition of the website, concordances, over 10,000 pages of source material, a synthesized audio reading of the 31 chapter text and several editions of the King James Bible is available in some editions. The Urtext Manuscripts include extensive discussions of the Bible, sex, possession, Freud and other topics which were edited out of other editions. There

are over 2400 footnotes to references on variant ACIM readings and Bible verses. The book also includes extensive appendices with commentary on the versions and history of A Course in Miracles by the compiler of this remarkable edition, Doug Thompson. The Urtext Manuscripts are ideal for students and teachers who wish to deepen their knowledge of A Course in Miracles and its unique approach to life and the teachings of the Bible. This edition seeks not to be the final rendition of A Course in Miracles, but rather one giant leap toward the greater goal of getting the words right. In that light, the reader may expect future editions to contain updates in textual scholarship, biblical references, appendices, added indexing, DVD contents and more."
