Trust in Love Linda Kage

The King had a good head on his shoulders—for the moment, anyway. Everyone agreed that King Jorian of Xylar had been a good and just ruler. In fact, many also agreed that, in this case, it was a pity that the laws of Xylar decreed that each randomly chosen King must reign for only five years and then, after due pomp and ceremony, have his head cut off! Understandably, Jorian himself was wholeheartedly in agreement with the second sentiment, so with the help of a spell provided by the wizard Karadur, he escaped from the beheading ceremony with his head still on his shoulders. Unfortunately, his beloved wife, Queen Estrildis, was left behind, and getting her out of Xylar would be anything but simple—particularly with the Royal Guard of Xylar hot on the trail of their fugitive monarch. With Karadur's magic, Jorian might be able to pull off the rescue. But first, he would have to locate a trove of ancient spells, deal with an enemy wizard, steal an item from a 500-year-old (but still beautiful) princess who turns into a giant serpent at inopportune moments, repair the giant tower clocks of Iraz to fulfill a prophecy, break a pirate siege, and finally fly back to Xylar in an enchanted bathtub and whisk away his beloved Estrildis before the Royal Guard notices that their King (not to mention his head) has returned. Then things began to get complicated... At the publisher's request, this title is sold without DRM (Digital Rights Management).

Love the One You're With Loveswept

When a mysterious woman appears in Prince Olivander's life and gives him a taste of forbidden temptation, he's...well... He's confused. You see, he's

been mated to his true love, Unity, since he was thirteen. The love mark tattooed to the side of his face has told him Unity will be his future, his soul mate, and partner in all things, but he questions how he'll ever experience passion with her after they've been separated for years and he's waited for her to come of age, especially when this intriguing newcomer right in front of him keeps causing him to forget Unity completely. So just how accurate are these hallowed love marks, anyway? Amid broiling scandals and palace intrigue, otherworldly visitors and magical ruses, Olivander and his new assistant must discover the truth behind a dangerous curse plaguing the Outer Realms, or else the Outer Realms may cease to exist entirely.

LUCY GAMBLE, KNOCKED UP BY DYING MAN SHE GAVE SYMPATHY SEX, NOW MOVING ON TO HIS BIG BROTHER. Have you ever tried to come up with a headline for your life? Well, mine's so cringeworthy I can't believe it's actually my story...or a hundred percent true. But honestly, how could I say no to the one-night-stand when he begged? Only a monster could deny someone their dying wish, right? I mean, okay, getting pregnant from the encounter was a regrettable, irresponsible mistake; I can fully admit that. Turning to his brother, however, was never part of the plan. Initially, I didn't even like the guy. Except Vaughn Merrill is a force to be reckoned with. He's determined to be an "involved" uncle, and no matter how much I tell him he doesn't have to be so helpful, he's just so freaking helpful. And gorgeous. Plus not at all the ass I assumed he was. Then there's this massive pain and grief and loneliness I see in his eyes. I just want to hug him

constantly and give him the sense of family he so desperately needs. So really, can you blame me for falling for the one man I know I shouldn't?

A Little Red Riding Hood Story Linda Kage

Features the electronic book "Disaster on Green Ramp: The Army's Response" by Mary Ellen Condon-Rall of the Center of Military History in Washington, D.C. Discusses a plane crash and massive fire at Pope Air Force Base, North Carolina, that killed or injured more than 100 paratroopers in 1994.

Best Kind of Broken Harvey Berrick Publishing

A princess who thinks she's running away with her one true love meets a ruffian who thinks he's kidnapping her to his kingdom by the sea. Who's right? The kingdom of Far Shore still resents Donnelly, its neighboring land, for forming an alliance with those filthy High Clifters and then defeating them in war. Twice! They really must pay for such an insult. And what better way to prick their pride than to steal their lovely, revered princess, mutilate her a little, and then ransom her back to them for a hefty sum. So, the king blackmails stable hand, Farrow, into accepting the mission of kidnapping Princess Nicolette and bringing her back to Far Shore to meet her gruesome fate. With his sister's life on the line, Farrow reluctantly accepts the quest and travels through desert and forest, only to find Nicolette eagerly awaiting his arrival with her bags already packed and good to go, spouting off insane nonsense about being his destiny and one true love. What follows is a crazy, eclectic adventure that brings two lost souls together and helps them learn who they're supposed to be and what they're supposed to do in this ever-changing journey called life.

To Professor, with Love Del Rey

Camille had only been heading to her grandma's house because Gran couldn't figure out her cable again, but along the way, she stumbled across the city's notorious graffiti artist. And now that she knows who the face behind the spray-paint can is, she can't seem to listen to her friends' sage advice and follow the safe path, leaving well enough alone. She's determined to coax Black Crimson into agreeing to an exclusive interview so she can become the famous newspaper journalist she's always wanted to be. But in this contemporary twist to the Little Red Riding Hood fable, our red-headed heroine learns just how dangerous talking to strangers can be...to her heart.

Fighting Fate

A Beauty and the Beast Story Forever

I fell in love once. It was amazing. She was amazing. Life was amazing. I lived for each time I could see her, and nothing else mattered, not that our families were enemies, our time together was forbidden, or we had to meet in secret. Our love could conquer all. Until it didn't. So I was ripped away from the love of my life and shoved into hell, forced to continue without her. It shattered me, broke the best parts of me, left me permanently damaged. Or so I thought. Years later, I swear history's trying to repeat itself because she's back in my life, and I'm just as drawn to her as I was before. But I'm older and wiser now, and I know she should stay away from a worthless piece of ex-con like me. So, I will not let her in. I absolutely refuse to hurt her. I will keep her away. Then again, sometimes risking your greatest fear to get to a smile makes everything worth it, and besides, I'm not sure I can resist her, anyway. This

The Trouble With Tomboys Linda Kage
 Once upon a time, there was this pampered rich girl who was kind of full of herself. She really only cared about appearances and hiding all her dark, ugly secrets under the guise of an opinionated snob. But then Eva Mercer got pregnant, shot by a psycho, and kicked out of the only home she knew. Now she's broke, unemployed, and has to start anew with a newborn to raise. But how? On the other side of town, sexy, tattooed orphan, Patrick Ryan, can't get a break. He's out on parole for defending the last damsel in distress while trying to help her support her child, but all he wants is to find his one true love. He knows this woman by scent, smile, and laugh, but he's never actually met her. He doesn't even know her name. He just knows she's the key to fixing everything. One kind of hero can save you from physical harm. Another can rescue you from a different kind of doom. To reach their dreams, Eva and Pick can save each other. But first, they must open their hearts and learn how to trust.

The Reluctant King Linda Kage
 Tess Simpson absolutely cannot handle seeing anyone suffer. When she volunteers to work as a candy stripper after the Granton University school shooting, she is only supposed to coax the amnesiac in room 312 to eat his supper. Yeah right. After learning no one's come to visit him since he woke from a coma and can't remember who he is, Tess needs to make him feel loved, ASAP. Telling him she's his girlfriend isn't part of her plan, but that's exactly what blurts from her mouth.

Except one little lie made from the purest of intentions can still rattle the hardest of hearts.

A Novel Linda Kage

Let your hair down, Caroline, they said. It'll be fun, they said. I know I've closed myself off in a major way in the past year, ever since "the incident" where I messed up my life completely. It's past time I try to live again or just give up completely. But this is quite possibly the craziest thing I've ever done. In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, I'll finally get over this stupid, irrational crush I hate having on the biggest jerk I've ever met. Or maybe I'll just end up falling for him even harder. Maybe I'll discover there's so much more to my crude, carefree hunk than meets the eye.

The Revenge Plan Fighting

Fate
 Forgiving your brother's murderer may be noble, but falling in love with him borders on betrayal. When Paige Zukowski enrolls at Granton University in honor of her dead brother, she has no idea fate will land her on the same campus with the very guy who killed him. But Logan Xander isn't quite the murderer she's always believed him to be. A day hasn't passed since the tragedy that Logan doesn't wish he could go back and undo everything. It doesn't take Paige long to realize he's suffered as much as she has. Forgiving him for ruining her life might not be so impossible after all. But when she actually starts to like him and realizes he

likes her in return, their true anguish begins. Loving Lies
 *Mature New Adult Romance***Explicit scenes and language**To resist the perfect man, please follow these simple rules: Step 1: Never make eye contact. Step 2: Never smile at him. Step 3: Never agree to anything he suggests. Or better yet, just follow Lenna Davenport's example and give in to temptation, sparking a whole tangle of passion, forbidden romance, mounting secrets and deceit. She meets her prince charming at her father's company Christmas party. Problem is he happens to be her dad's new boss. Worse problem is, her dad totally hates him. But what Daddy doesn't know... Braxton Farris takes over Farris Industries out of family obligation and expects his new employees might resent his youth and inexperience. What he doesn't anticipate is the level of contempt Tom Davenport carries for him. Nor does he count on falling for Tom's daughter. When he and Lenna start a secret affair, a disaster of corporate proportions is bound to follow. But to be together, they must decide if the fallout is worth it.

Priceless Linda Kage

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study

examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

NEW YORK TIMES BESTSELLER • The specter of graduation looms large as Naomi Novik's groundbreaking, New York Times bestselling trilogy continues in the stunning sequel to *A Deadly Education*. "The climactic graduation-day battle will bring cheers, tears, and gasps as the second of the Scholomance trilogy closes with a breathtaking cliff-hanger."—Booklist (starred review) In *Wisdom, Shelter*. That's the official motto of the Scholomance. I suppose you could even argue that it's true—only the wisdom is hard to come by, so the shelter's rather scant. Our beloved school does its best to devour all its students—but now that I've reached my senior year and have actually won myself a handful of allies, it's suddenly developed a very particular craving for me. And even if I somehow make it through the endless waves of maleficaria that it keeps throwing at me in between grueling homework assignments, I haven't any idea how my allies and I are going to make it through the graduation hall alive. Unless, of course, I finally accept my foretold destiny of dark sorcery and destruction. That would certainly let me sail straight out of here. The course of wisdom, surely. But I'm not giving in—not to the mals, not to fate, and especially not to the Scholomance. I'm going to get myself and my friends out of this hideous place for good—even if it's the last thing I do. With keen insight and mordant humor, Novik reminds us that sometimes it is

not enough to rewrite the rules—sometimes, you need to toss out the entire rulebook. The magic of the Scholomance trilogy will continue in 2022

The Last Graduate Linda Kage

IT'S NOT EVERY DAY YOU LEARN YOU HAVE A NINE-YEAR-OLD DAUGHTER Boston Kincaid's life is forever changed when he reads the note from Cassidy Trenton, who's looking for her daddy. Vividly remembering the girl's mother, Boston is compelled to learn the truth about Cassidy's paternity. Single working mother Ellie Trenton is completely bowled over to find her old college flame, whom she hasn't seen in ten years, loitering on her front porch when she comes home from work one day. At the sight of each other, Boston and Ellie's decade apart melts away, and that old chemistry between them flares back to life. But trust doesn't come easily, and old wounds never healed properly. Can Boston and Ellie learn to forgive and forget so they can experience the love they never shared, or will child custody battles keep them apart forever'

Monster Among the Roses Linda Kage When Drew Harper agrees to do some spying for his sister, who believes her husband is cheating on her, he encounters Mia Stallone, a woman still healing after a tragic loss and reluctant to reveal her secrets.

How to Resist Prince Charming Baen Books

The Right to Remain Mine The Wild Rose Press Inc

Due to a dark curse, the entire Graykey

family has been marked for death. But Quilla Graykey has grown used to living on the run, constantly hiding and surviving under the radar of High Cliff soldiers, who've been sent out to hunt her down and destroy her. So when a man bearing the mark of a High Clifter shows up on her trail, persistently tracking her, it's really nothing new. Except she can't seem to shake this guy. He keeps finding her, no matter how well she disguises herself. If she's not careful, she might actually have to take a stand and fight him. Maybe even kill him. But the handsome pursuer turns her world upside down when she discovers he's not out to assassinate her after all, nor does he have a clue she's a Graykey. His intentions are worse. He claims she's his one true love, and curses, duty, or honor be damned; he's not about to lose her. He wants to make her his happily ever after. Used to eluding people and wanting to keep it that way, Quilla honestly has no idea how to avoid the

likes of Indigo Moast. Could this be the one evasion she can't dodge?

Delinquent Daddy Tor Teen

Three things in my life were fact. I needed Sarah to survive. I needed sex to remain sane. And I could never mix sex with Sarah. I just knew—deep in my marrow—that if I did, I'd somehow lose her. All my deepest darkest secrets would crack open, bleed out, and ruin everything between us. I wouldn't unleash the shit inside me on my worst enemy, let alone her. So she stayed strictly in the friend zone. People probably thought I never went there with her because of her cerebral palsy, but f*ck them. She knew she was the most important person in my world, and I wasn't about to risk hurting our relationship just to make my c*ck happy. Until the moment she begged me to take her virginity. Now it's all about to hit the fan, because how the hell do you resist the one person forbidden to you when she says please? --Brandt Gamble
