InfoWorld McGraw-Hill Osborne Media
 A comprehensive guide to lodging, dining, shopping, crafts, resorts, outdoor recreation, and museums in Connecticut.
PC Mag The Countryman Press
 This annual guide provides, in compact form, the information necessary to begin the process of applying for funding from individual federal education programs. Programs are listed both by popular name and by the substance of each program. Covers: elementary and secondary education; postsecondary education; educational research and improvement; bilingual education and minority languages affairs; vocational and adult education; special education and rehabilitative services; secretary's regional representatives; and index of programs. Glossary.

Fire Protection Project Rough Guides

"Comprehensive . . . well organized . . . should be carried in every glove compartment of every car that traverses Connecticut highways."—Journal Inquirer, Manchester, Connecticut
 Welcomed and praised by newspapers across the state, Explorer's Guide Connecticut gives visitors and residents alike detailed descriptions of attractions and little-known tips about the Nutmeg State. Veteran travel writers Barnett Laschever and Andi Marie Cantele again bring you authoritative advice on what to see, where to eat, and where to stay in the new edition of this trusted guide. Covering the state from the mountains in the north to the long and varied coastline in the south, from cities to backroads, this revised and expanded edition features extensive descriptions and detailed maps to guide readers effortlessly along many pleasant journeys for individual travelers and families. Historic and exciting Mystic Seaport, the rich collections of the Yale University museums, beach and skiing trips, and the many state forests and parks of Connecticut are just a handful of the attractions covered. Regional and downtown maps feature helpful icons and indicate places that are wheelchair-accessible, pet- and family-friendly, and of other special value. Features include: an alphabetical "What's Where" subject guide to aid in trip plan; regional and downtown maps; handy icons that point out family-friendly attractions, wheelchair access, special value, and lodgings that accept pets.

 Prentice Hall
 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.
The Handbook of Digital Publishing "O'Reilly Media, Inc."
 O'Reilly's Pocket Guides have earned a reputation as inexpensive, comprehensive, and compact guides that have the stuff but not the fluff. Every page of Linux Pocket Guide lives up to this billing. It clearly explains how to get up to speed quickly on day-to-day Linux use. Once you're up and running, Linux Pocket Guide provides an easy-to-use reference that you can keep by your keyboard for those times when you want a fast, useful answer, not hours in the man pages. Linux Pocket Guide is organized the

way you use Linux: by function, not just alphabetically. It's not the 'bible of Linux; it's a practical and concise guide to the options and commands you need most. It starts with general concepts like files and directories, the shell, and X windows, and then presents detailed overviews of the most essential commands, with clear examples. You'll learn each command's purpose, usage, options, location on disk, and even the RPM package that installed it. The Linux Pocket Guide is tailored to Fedora Linux--the latest spin-off of Red Hat Linux--but most of the information applies to any Linux system. Throw in a host of valuable power user tips and a friendly and accessible style, and you'll quickly find this practical, to-the-point book a small but mighty resource for Linux users.

Boise National Forest (N.F.), Warm Springs Ridge Vegetation Management Plan

The travel industry has been through exceptional upheaval and change. Plunkett's Airline, Hotel & Travel Industry Almanac will be your complete guide to this fascinating industry. After reeling from the effects of the September 11, 2001 tragedies, the travel business is now emerging as a more streamlined, efficient and focused industry. Many of the biggest, most successful firms are becoming extremely global in nature. Meanwhile, most airlines are struggling to return to profitability, while low-cost providers Southwest Airlines and JetBlue continue to set the standard for air travel. Deregulation is opening up huge travel markets in India and China. On the hotel side, massive management firms, development companies and real estate investment trusts are gaining in scale and influence. The booking of travel online is perhaps the most successful niche of all of the world's e-commerce efforts. Consumers use the Internet to become better informed and to seek bargains. Online sites like Travelocity, Priceline and Orbitz steer millions of consumers toward specific airlines and hotels in a manner that lowers prices and improves satisfaction among consumers. The exciting new reference book (which includes a fully-featured database on CD-ROM) will give you access to the complete scope of the travel industry, including: Analysis of major trends; Market research; Statistics and historical tables; Airlines; Hotel operators; Entertainment destinations such as resorts and theme parks; Tour operators; The largest travel agencies; E-commerce firms; Cruise lines; Casino hotels; Car rental; and much, much more. You'll find a complete overview, industry analysis and market research report

in one superb, value-priced package. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. This book also includes statistical tables, a travel industry glossary, industry contacts and thorough indexes. The corporate profile section of the book includes our proprietary, in-depth profiles of over 300 leading companies in all facets of the travel industry. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.
