**הגדה של פסח** Little, Brown

Discusses four illuminated haggadot, manuscripts created for use at home services on Passover, all created in the early twelfth century.

**A Passover Haggadah** 30 Minute Seder LLC

The revolutionary Haggadah is written in gender-inclusive contemporary language and has sold over 900,000 copies since its introduction.

**The Medieval Haggadah** Behrman House Publishing

This text is a Passover Haggadah with the full Hebrew and English texts laid out alongside the Chief Rabbi Jonathan Sacks' commentary. Also included are introductory essays that examine particular issues related to Passover. The Haggadah attempts to strike into new territory between the traditional extremes of full-colour coffee table books and text-heavy commentaries, with the lively writing of the Chief Rabbi placed alongside the traditional texts.

**הגדה של פסח** Yale University Press

Hebrew and English text with new commentary and essays. Rabbi Silber has given us two books in one: the Haggadah itself, in English and Hebrew, with his seder commentary and a collection of essays that provide close readings of the classic biblical and rabbinic texts that inform Seder-night ritual and narration. Both parts work beautifully together to illuminate the central themes of Passover: peoplehood, Covenant, our relationship to ritual, God's presence in history, and other important issues that resonate with us all. Just as midrash attempts to bridge the gap between ancient text and contemporary meaning, Rabbi Silber's Haggadah provides new sources of insight that deepen the Passover experience for today's readers.

**Night of Beginnings** LiturgyTrainingPublications

The Open Door includes traditional and innovative blessings, extensive commentaries and supplemental readings, contemporary additions like Miriam's Cup, women's and men's voices in gender inclusive language, more than 40 pages of traditional and newly commissioned music, and magnificent full color art.

"The heart of A Survivor's Haggadah is the work of one dedicated man who survived four years in concentration camps: Lithuanian teacher and writer Yosef Dov Sheinson. He not only wrote the text

but also designed and decorated the pages and selected powerful woodcuts crafted by another survivor, Hungarian artist Miklos Adler.

**הגדה של פסח** Simon and Schuster

"Women at the Seder is a traditional "Passover Haggadah whose commentary celebrates of one of the great transformations of the Torah community during this past century: the emergence of women from the privacy of their home "tents" to the public arena of the synagogue and Torah study halls, without abandoning in any way their central traditional role as the cornerstone of the home and family. The Rabbis had long ago acknowledged that it was in the merit of our righteous women that Israel was redeemed from slavery. The Passover "seder--the home celebration of our national liberation--is an appropriate place to acknowledge and honor women's expanded role in our public as well as private religious life. The commentary includes rabbinic comments on women associated with the Exodus, a discussion of those relevant aspects of Jewish law that apply to women, and homilies--"divrei Torah by women for the "seder, many written especially for this volume. In a generation, it should seem quaint that it was noteworthy that women's "divrei Torah constituted a significant part of a Haggadah commentary. That will be cause for yet additional rejoicing, as women's contributions on all levels of Torah scholarship will have become even more commonplace.

**Haggadah** Princeton University Press

This book is the first Haggadah that brings together the teachings of three of the most influential and brilliant Rabbinic personalities of the 20th century: Rabbi Kook, Rabbi Shlomo Carlebach, and Rabbi Joseph Soloveitchik. The Night That Unites also offers a special section of contemporary readings and stories related to the Land of Israel and the Holocaust. Suggested questions are offered as a way of encouraging and guiding discussion at the Seder that will enhance the Passover night experience, and illustrations depicting all 15 steps of the Seder are featured throughout.

**The Passover Celebration** Turner Publishing Company

In a unique approach to the Haggadah, the author analyzes the construction of phrases, compares them with similar texts, delves into human nature, and sheds light on its halachic and ethical teachings.

**Haggadah** Urim Publications

Night of Beginnings is a groundbreaking new haggadah for the Passover seder from acclaimed poet, translator, and liturgist Marcia Falk, beautifully designed and illustrated with original watercolor drawings by the author. Unlike both traditional and

new haggadahs, which do not contain a full recounting of the biblical story, Night of Beginnings presents the Exodus narrative in its entirety, providing a direct connection to the ancient origins of the holiday. This retelling highlights the actions of its female characters, including Miriam; Pharaoh's daughter, who adopts the baby Moshe; and the midwives Shifrah and Pu'ah, who save the Hebrew male infants. Falk's revolutionary new blessings, in Hebrew and English, replace the traditional, patriarchal seder blessings, and her kavanot--meditative directions for prayer--introduce a genre new to the seder ritual. Poems, psalms, and songs are arranged to give structural coherence to the haggadah. A new commentary raises interpretive questions and invites us to bring personal reflections into the discussion. Like the author's widely acclaimed previous prayer books, The Book of Blessings and The Days Between, Falk's poetic blessings for the seder envision the divine as a Greater Whole of which we are an inseparable part. The inclusive language of Falk's blessings makes room for women to find and use their voices more full-throatedly than they were able to do with the male-centered prayers inherited from the early rabbis. Men, too, will encounter here a spiritually moving and thought-provoking experience.

Arthur Szyk (pronounced "Shick") created his magnificent Haggadah in !--?xml:namespace prefix = st1 ns = "urn:schemas-microsoft-com:office:smarts" /--Lodz, on the eve of the Nazi occupation of his native Poland. There is no Haggadah like it, before or since, filled with sumptuous paintings of Jewish heroes and stunning calligraphy.!--?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" /-- This edition, the first since 1940 to be reproduced from Szyk's original art, boasts a newly commissioned and extremely practical English text by Rabbi Byron L. Sherwin, ideal for use at any family Seder, and a special commentary section by Rabbi Sherwin and Irvin Ungar gives insight into both the rituals of the Seder and Szyk's rich illustrations. The Szyk Haggadah will transform the Seder, bringing the story of the Exodus from Egypt into a more contemporary light.

**Why on This Night?** Novelty Publishing

The Passover haggadah enjoys an unrivaled place in Jewish culture, both religious and secular. And of all the classic Jewish books, the haggadah is the one most "alive" today. Jews continue to rewrite, revise, and add to its text, recasting it so that it remains relevant to their lives. In this new volume in the JPS Commentary collection, Joseph Tabory, one of the world's leading authorities on the history of the haggadah, traces the

development of the seder and the haggadah through the ages. The book features an extended introduction by Tabor, the classic Hebrew haggadah text side by side with its English translation, and Tabor's clear and insightful critical-historical commentary.

*The Passover Seder* Harvard University Press

The book you hold before you is no ordinary Haggadah. If you've ever suffered through a Seder, you're well aware of the fact that the entire evening can last as long as the exodus from Egypt itself. There are countless stories, dozens of blessings, and far too many handwashings while the meal turns cold. Now prepare to be entertained by another version of the book that's responsible for this interminable tradition. With this hilarious parody Haggadah from the comedic minds of Dave Barry, Alan Zweibel, and Adam Mansbach, good Jews everywhere will no longer have to sit (and sleep) through a lengthy and boring Seder. In *For This We Left Egypt?*, the authors will take you through every step of the Seder, from getting rid of all the chametz in your home by setting it on fire with a kosher blowtorch to a retelling of the Passover story starring Pharaoh Schmuck and a burning bush that sounds kind of like Morgan Freeman, set against the backdrop of the Promised Land—which turned out not to be a land of milk and honey but rather one of rocks and venomous scorpions the size of Yorkshire terriers. You then eat a celebratory brisket and wrap up the whole evening by taking at least forty-five minutes to say good-bye to everyone. So gather all the Jews in your life (even the few who don't appear to be long-suffering) and settle in for a fun way to pass the time while waiting for Elijah to show up.

Dennis Prager, author of *The Rational Bible*—which, upon its first publication, was the number one bestselling non-fiction book in America—turns his attention to the Haggadah, the book used for the most widely celebrated Jewish ritual, the Passover Seder. As with Prager's multi-volume commentary on the Torah, the explanations included with this Haggadah are equally valuable for religious and non-religious Jews, as well as for non-Jews. It provides enough thought-provoking ideas and insights to last the reader a lifetime.
