 Runciman 2018) appear exaggerated, “the deterioration of qualities associated with democratic governance, within any regime” (Waldner and Lust 2018, 8), is apparent.
 Democratic Backsliding, Populism, and Public Administration
 NDI views the development of effective, democratic, public-sector institutions as a critical component of its mission. It is through improved governance that the benefits of democratic development most directly impact the lives of citizens. Conversely, the inability of public sector institutions to function effectively and democratically undermines the sustainability of democratic reform.
