 The Kingdom of God Is Within You, is a non-fiction book written by Leo Tolstoy. A philosophical treatise, the book was first published in Germany in 1894 after being banned in his home country of Russia. It is the culmination of thirty years of Tolstoy's thinking, and lays out a new organization for society based on a literal Christian interpretation. The Kingdom of God is Within You is a key text for Tolstoyan, nonviolent resistance, and Christian anarchist movements.

**Bible Study on the Book of Ruth** Who is My God? An Innovative Guide to Finding Your Spiritual Identity

The primary basis of all judgement concerning the deeds done in our bodies is our motives. Our values determine our motives, and our motives are the real reason behind our thoughts, words, and deeds. Only God can see the true motives of every man's heart. Almost all human beings have something to hide. Nearly everyone twists words, events, and situations to their own advantage, to place themselves in the best possible light. Men often have ulterior motives and hidden agendas. This is sin and a form of hiding. Adam and Eve first hid from the presence of the Lord in the garden

after they had fallen. But there will be no hiding from the presence of the Lord on that solemn Day of Judgement. Purity of Heart will prepare you for that day and spare you loss at the judgement seat of Christ, so that you may receive your full reward. What is done in pure love, by the leading of the Spirit, and for the glory and honor of God shall reap the fullest rewards.

**The God That Never Was** Simon and Schuster

"I saw the Lord sitting upon a throne, high and lifted up." - Isaiah 6:1 Scripture records a number of instances in which God visibly revealed himself to his people, offering a glimpse of his stunning beauty and overwhelming glory. These awe-inspiring manifestations of God's presence—known as "theophanies"—give us wonderful insights into his character, will, and salvation. In this collection of biblical expositions, eight prominent Bible teachers explore key passages in which God displayed himself in a spectacular revelation. From the giving of the law at Mt. Sinai to Christ's glorious transfiguration, the passages examined in this book challenge us to look afresh at our God—that we might truly know, love, and serve him.

"Some will assert that what we have in the Old Testament was what God 'was' whilst what we have in the New Testament is what he 'is' now. That leaves the very crucial question: 'Are we sure of what he will be tomorrow?' Where did this disconnect come from? How did Jesus explain Luke 24:25-27, 44-49 as one pointing to himself? If the message of the Scriptures was about himself and he (Jesus) is God as affirmed (not only by the eyewitnesses but from Scriptures prophesied and fulfilled), then is there a difference between Jesus in the Four Gospels and God as spoken of in the Old Testament writings? Could the New Testament writers have explained from the Old Testament writings and yet assert differently from what was written in certain portions of the same books? If it is true that all the Old Testament writings are inspired by God, then, there is the need to find out if there is a disconnect at all or why there should not be one at all. This is the basis of the 'THIS IS OUR GOD' series." This is our God - His wrath (2020)

*Critiques of God* Peace Vision

You are holding in your hands deadly dynamite. Yes. You have just purchased one of the most powerful life changing and enhancing Book. No other book will change your perception if you don't digest it by reading it. READ THIS Book. You will encounter ideas herein that are stimulating, thought-provoking, candid and spine -tingling. Yet they are true. You will be shown how to separate truth from religious and popular fiction. This book will take out the mystery of God. For God is not the Creator! Finally giving you unique satisfaction from facts you need to make important life decisions. You will be challenged and be excited after all. The problem of why the Creator created the universe still troubles thinking men and women; but if we cannot know why, we can at least know that He did not bring His worlds into being to meet some unfulfilled need in Himself, as a man might build a house to shelter against the winter cold or plant a field of rupoko to provide him with necessary food. The word necessary is wholly foreign to the Creator. Since He is the Power that is supreme over all, it follows that the Creator cannot be elevated. Nothing is above Him, nothing beyond or below Him. Any motion attributed to His direction or elevation is from us as creatures that are away from Him, in descent. He holds His position out of Himself and by leave of none. As no one can promote Him, so no one can degrade Him. It is clear that He upholds all things by the word of His power. Which is the Law. How can He be raised or supported by the things He upholds? Were all human beings suddenly to become blind, still the sun would shine by day and the stars by night, for the sun and stars owe nothing to the millions who benefit from their light. So, if every human on earth becomes an atheist, it could not affect the Creator in any way. He is what He is in Himself without regard to any other. To believe in Him adds nothing to His perfection; to doubt Him takes nothing away. It is the compound Soul that is on earth for experience Not the Creator! You are a Spirit Dwelling In matter briefly! It's Not the Creator in Actuality! the Creator is Longing for YOUR Worship is that so? Don't be too sure. That's not so. Thousands of years before colonizing and enslaving man-made religions were crafted The Creator now commonly known as God, Jesus, Allah or Jehovah was already worshipped by "Black People" in a way that is completely mocked and laughed at today. This Book sweeps away the religious rubble and will confirm for you the foundations that sustained Afrikan Civilizations for hundreds of thousands of years before any other, The claim largely by Christianity, Judaism and Islam, (Book based religions) to being true or revealed religions, spiritualities or ways of life pales into oblivion once it is proved that Indigenous people on Earth already Knew the Creator before their advent. Ancient people worshipped and lived traditional lives based on applying the Laws they had received from their Ancestor who received them from the Creator! If You are of African lineage just remember the

following observation; You cannot KNOW THIS One and ONLY Original Creator if you are convinced that, Islam is an African Religion, if you believe that Jesus died for your sins or that YHVH is "God's Name." How can this be, Because YOUR True Creator Is Directly Linked To your Ancestors? Your "God" Must Look Like Your Ancestor and eventually like you. This is common sense, Logical and True. Yet we have lost it. Today it will be restored.

**The God of Small Things** Simon and Schuster

This is a book about falling in love with the Bible . . . that feels nothing like reading a book about the Bible. This Book Is for You will help you learn that the Bible has something life-changing to say about who you are, where you are, and the God who is in the midst of it. When you finish this book, you just might say, I see what she did here. I didn't realize it, but I was learning while I was laughing. She invited me into a dialogue about things I didn't know I wanted to learn. She stirred within me a love for the Bible, but it didn't hurt at all. This Book Is for You invites you into the author's life using stories, humor, and charm, revealing how the Bible has become Tricia Lott Williford's daily lifeline. Regardless of your notions of the Bible, Tricia will help you engage with it as a living, meets-me-where-I'm-at thing. Tricia is not a seminarian. She is a lover of God's Word. She is not a highbrow academician. She is educated as a grade school teacher who sometimes uses comic relief to make her point. She is not a theologian, a Bible teacher, or even a Bible scholar. Tricia is a lover of messy people; a mom of two teenage boys who are likely late for school and wearing mismatched socks. She has been known to absent-mindedly doodle in the margins of overdue library books. She has battled depression and anxiety to degrees that have nearly drowned her. She has begged the Lord for miracles that only He could provide. And somewhere in the midst of all that, she fell hopelessly in love with the Word of God as a light to her next step and the air for her next breath. Now Tricia wants you to experience this too.

In his first published book, "Oh My God, What's Next" he will share some of his life experiences with his readers and will inspire them to confront life's tragedies and disappointments with a positive and meaningful spiritual force. Edward "Eddie" Marella was born in Boston, Massachusetts on June 6, 1961. He was the son of an Italian-American family who resided in Quincy, Massachusetts. Early in Eddie's life he experienced several life changing events that forever impacted the way he viewed his future approach to life and religion. At the age of 12, while visiting his dying Grandmother, he witnessed his grandmother going through a near death experience. This was an overwhelming sight for him especially after upon awakening, she explained her experience to him. A few years later little did he know that he would directly experience what his

grandmother did. At the age of 15 Eddie was in a severe motor scooter accident and was assumed dead by bystanders who saw the accident and were trying to help. This horrific accident and the near death experience that he went through would forever change his life and strengthen his religious beliefs. Later in life he again met with another serious and life threatening accident while swimming in Cape Cod. He was violently swept under an 18 ft. wave and somehow was miraculously saved and washed ashore unharmed. Eddie's lifelong experiences with near death and his battle against early stage cancer have been his inspiration to continually strengthen his belief in Jesus Christ and the Catholic Church. He attends Mass daily and is always ready to help others and to tell his story about how to strive for a healthy and happy life regardless of what life sends.

*Mister God, This Is Anna* Yale University Press

"God is love is the radical claim of Christianity," writes Frederick Bauerschmidt at the beginning of this little meditation on the essentials of Christian faith. In a rich yet accessible style reminiscent of C. S. Lewis and G. K. Chesterton, Bauerschmidt breathes life back into that claim, drawing from Scripture, great Christian and non-Christian writers of the past, and his own lived experience to show just how countercultural and subversive Christianity is actually meant to be. Eschewing the abstract and dogmatic in favor of the relational and inviting, he offers something for everyone, from lifelong churchgoers and students of religion to the growing population of "nones" among younger generations who are increasingly seeking spiritual fulfillment outside of institutional Christianity. With further reading suggestions (both scriptural and nonscriptural) at the end of each chapter, *The Love That Is God* is the perfect starting point of a spiritual journey into deeper relationship with God.
