SHYANN MADDOX

MRCOG Part 2: 500 SBAs and EMQs Cambridge University Press

This study guide offers a systematic, comprehensive and focused approach to preparation for the MRCOG Part 3 Clinical Assessment exam. After an initial introduction, the text divides by OSCE station, beginning with an analysis of what the station is testing and what approaches and preparation are required, supported by tips and examples; this is followed by thoroughly worked practice questions based upon the exam format, with an analysis of how these are likely to be marked. Practice exam 'circuits' with fully worked questions and answers conclude the book.

Get Through MRCOG Part 3 Springer

This comprehensive question-and-answer resource covers all aspects of the curriculum for the Part 2 MRCOG examination. Candidates are given the opportunity to practise the Single Best Answer question style, to cover the content they will encounter in the examination and to assess their knowledge. As consultants actively engaged in the writing of the Part 2 Single Best Answers, the authors and editor have provided directly applicable questions. Candidates to review the syllabus in an organised, systematic manner, with comprehensive explanations for each answer. This title also includes new sections on ethics, training, audit and clinical governance. Mock exams are also available online to familiarise candidates with the real-life examination. The detailed answers, evidence and comprehensive list of references offer an excellent training and reading source for all candidates preparing for the Part 2 MRCOG examination.

MCQs for MRCOG Part 1 JP Medical Ltd

From September 2007 the MRCOG Part 1 Exam has featured EMQs. This text will help trainees to prepare effectively for this portion of the exam. The text covers information on how to answer EMQs as well as sample answers.

EMQs for the MRCOG Part 2 Anshan Pub

This book provides those studying for the MRCOG Part 2 examination with welcome practice in answering the newly introduced EMQ style of question. Modelled on the current MRCOG syllabus, the book is designed to test the candidate's theoretical and practical knowledge of obstetrics and gynaecology. The book opens with an introductory section, explaining the EMQ and its place in the examination, and advising candidates on how they should approach this question type to obtain the highest marks. This is followed by a collection of 71 EMQ themes, with a total of 291 questions for the reader to attempt. The questions are based on common clinical scenarios and cover a variety of topics. Answers are included after each topic, and these include explanatory material and useful references. With a concentration on the core areas of the syllabus and a wide and varied selection of practice EMQs, this book will be an invaluable addition to the bookshelves of all candidates in preparation for the MRCOG Part 2.

EMQ's for the MRCOG Part 2 in Gynaecology Anshan Pub

There are few up to date EMQ revision books for the MRCOG Part 2 exam. With this book, the follow up to their 'SBAs for the MRCOG Part 2' the authors have written current material, provided in a simple format. Thorough explanations and contemporary references are given for each answer, to help the reader maximize their study time, and to offer guidance to further relevant revision sources. The book is divided into an obstetric section and a gynaecology section, with each containing two complete exam papers of 50 questions in each section. The questions can be used either throughout revision preparation or as mock papers to be fully rehearsed and prepared prior to the exam day. We hope that this up to date EMQ exam preparation book will assist your learning in the great challenge of successfully passing the Part 2.

Get Through MRCOG Part 1 Anshan Pub

The EMQ element constitutes 60% of the new MRCOG Part 2 examination. Candidates therefore need to be well-versed in approaching this type of question and extensive practice in answering questions is recommended. This new book contains 150 sample EMQs, together with answers that have full detailed explanations and references for further reading – including RCOG resources such as Green Top Guidelines - to enhance knowledge and understanding. The book also contains a section of handy hints and tips on passing the examination to improve candidates' chances of success. EMQs for the MRCOG Part 2 is an invaluable study aid to help pass the EMQ component of the MRCOG Part 2.

SBAs for the MRCOG Part 2 CRC Press

SBA Questions for the Part 2 MRCOG is a valuable preparation resource aimed at those specialising in obstetrics and gynaecology who are planning to take the Part 2 MRCOG examination. It contains two hundred practice single best answer questions written by MRCOG question writers, with accompanying explanations and references. It also contains an introduction to the new format of the examination and the rationale for the changes. The first section consists of two hundred single best answers allowing the reader to test their knowledge. The second section lists the correct response accompanied by an explanation and suggestions for further reading. SBA Questions for the Part 2 MRCOG is the only official preparation book produced by the RCOG and is therefore essential reading for candidates sitting this examination in its new format.

SBAs for the Part 1 MRCOG CRC Press

First published in 2016. Routledge is an imprint of Taylor & Francis, an informa company.

EMQs in Obstetrics and Gynaecology John Wiley & Sons

This work features a Foreword by David Taylor, Vice Dean, Leicester Medical School. "This book is the first to assist students with a new format of testing knowledge and clinical skills, i.e., the extended matching question. I am delighted my colleagues here in Leicester, where undergraduate education is given the very highest priority, have found the time and energy to write this book. This book comprehensively tests a whole range of obstetrics and gynaecology and I congratulate them for it." - David Taylor, in the Foreword. This revision aid in Obstetrics and Gynaecology is based on the Extended Matching Question format (EMQ). It contains over 200 patient vignettes arranged in

topic areas covering a broad range of themes and degrees of difficulty. It provides test EMQs and detailed answers at the completion of each section. "EMQs in Obstetrics and Gynaecology" is an indispensable study and revision aid for undergraduate medical students preparing for in-course assessment in obstetrics and gynaecology as well as final exams. It also provides a vital review for specialist trainees in obstetrics and gynaecology preparing to take postgraduate exams.

EMQs for the MRCOG Part 1 JP Medical Ltd

This book provides advice and sample questions for the Part 1 MRCOG examination.

MRCOG Part 2: 550 MCQs, EMQs and SAQs Anshan Pub
