BRANDT MAXIMILLIAN

B&H Publishing Group

Provides information on ways the church can recruit, train, and commission new leaders.

Understanding Church Growth B&H Publishing Group

THE AMBITIOUS PASTOR is written to offer practical guidance for the local pastor. God's main strategy for changing this world is through the local church. Local churches call for wise and compassionate leadership. This book covers the five roles that call for excellence on the part of the pastor. These five roles are: 1. Preaching Worship Leader, 2 Teacher, 3. Pastoral Counsellor, 4. Church Administrator and 5. Evangelist. Pastors are leaders of leaders who can never get too much guidance in carrying out this sacred task.

Marketing the Church Baker Books

Endorsement: Minister's Guidebook is an incarnational work written out of the crucible of Dr. Mollette's life experiences. Its pages reverberate with the wisdom of a contemporary man of Issachar who understands the times and knows what ministers ought to do (1 Chron. 12:32). In this practical pedestrian work written to provide salient advice for ministers serving in the real world, Mollette throws out a lifeline. Grab it! Read it! Be saved from mistakes that can adversely impact your ministry for years to come and be saved to join the coffers of those carefully traversing the minefields of ministry with the invaluable wisdom of an elder. Blessings, Dr. Robert Smith, Jr. Charles T. Churches That Multiply Reformation Heritage Books

Pastor Bob Russell shares the ten principles upon which Southeast Christian Church, one of the largest and fastest growing churches in America, was founded. He shares not only the story of one of the most amazing churches in America, but also what your church can become if you follow the principles and allow God to build your church. Can the church truly be the "city on a hill that cannot be hidden" that Jesus talked about in the Sermon on the Mount? Can it grow large enough to attract throngs of seekers and yet be loving enough to care for each individual that comes? Bob Russell, pastor of Southeast Christian Church—one of the largest and fastest growing churches in America—says that it most certainly can. But it can only be done when we are submissive to God's will and allow Him to build that church. In the pages of this far-sighted, uncompromising book, Bob Russell and his son Rusty share the ten principles upon which this remarkable church was founded. Throughout the book, you will see God's mighty power at work in a church that began in 1962 with only 50 members and has now grown to over 14,000 and has become a bustling "city on a hill" whose beaming faith powerfully impacts its community and the world. This book shares not only the story of one of the most amazing churches in America but also the story of what your church can become as you follow these ten time-tested principles and allow God to build your church.

The Ambitious Pastor Zondervan

To Serve the Present Age: A Practical Guide to Church Growth and Development In this day and age, how do we promote growth within the church? How do we extend the church beyond its four walls and draw in people who are lost and hurting? How do we reach people who might never have come inside a church building? How do we reach people who might have never heard of the name "Jesus Christ?" There are many people who are spiritually lost and in pain. Therefore, as church leaders we must always ask ourselves, how can I be used by God as his agent to offer Christ to people who are hurting and lost? We must never

become complacent with the number of people we see within the four walls of the church each Sunday. Rather, Jesus challenges us to rise up and have a passion to want to serve those within the community who are spiritually lost. The question, of course, is how? Within the pages of this book, Author Carlton Worthen teaches his 5 essential principles on how to promote church growth which are: -Dynamic and Engaging Thematic Worship-Giving As a Form of Worship-Technology to Serve the Present Age-Strategic Community Partnerships-Holistic Ministry Reading this book will enable you to: -Develop engaging and transformative worship experiences for your congregants-Notice an increase in weekly giving-Expand the reach of your local ministry beyond your current zip code It is the hope of the author to not only help you 'To Serve the Present Age' through church growth and development, but also lead you to enjoy the journey along the way. Carlton currently serves as a Senior Pastor in the African Methodist Episcopal Church and is the Founder of Carlton Worthen Ministries, Inc. and Carlton Worthen Publishing, Inc. Carlton continues to lead community outreach and grassroots initiatives that lead to Christian, social, and political change. He lives by the motto, "Be prosperous in all that you do" in an effort to promote purposeful living. To learn more visit www.CarltonWorthen.org

He is a graduate of Georgetown College, The Southern Baptist Theological Seminary and Lexington Theological Seminary. He has served as President of the Kentucky Baptist Pastor's Conference and President of the Kentucky Baptist Convention. Today he is the President of Newburgh Theological Seminary, Newburgh, Indiana and works with ministers in all fifty states and over forty countries. Church Marketing 101 Preparing

Your Church for Greater Growth

A simple easy to read guide on church planting, church growth and development. In this book archbishop takes us through the steps he took in planting churches. He shows us where he struggled and how he succeeded. He provides insight needed to plant a church from the ground up. He, also, provides in the book a sample launch plan, articles of incorporation and bylaws. This is a must read for any church planter.

Go BIG Fortress Press

This Bible study takes a look how the early church spread the Gospel and compares their approach to today's methods for church growth.

Minister's Guidebook Independently Published

Pastors and church leaders are constantly faced with strategic questions. How much staff does the church need? How many workers are needed in the nursery this month? When is the right time to start a second worship service? How many people should we train for evangelism this year? How does seating and parking impact worship attendance? When church leaders have questions about planning, running, or growing their churches, they need answers fast! What Every Pastor Should Know offers pastors and leaders 101 valuable rules and "sacred" laws to help answer real-life ministry questions. From advertising to facilities to visitation, this valuable book offers the practical help that leaders need, just when they need it most. This comprehensive guide will become one of the most valuable books in a leader's library. Never again will they wonder if they based critical decisions on the right information. They'll get the answers they're looking for all in one place.

CHURCH GROWTH GOD'S WAY - BOOK I Beacon Hill Press

Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church

leaders from sixty denominations and forty-two countries. The Purpose Driven Church® shifts the focus away from church building programs to emphasizing a people-building process. Warren says, "If you will concentrate on building people, God will build the church."

Community 101 Abingdon Press

Prayer is important to church growth as the church is under the sovereignty of God. The growth of the church will come from God because increase comes from Him. All committed Christians have a responsibility to pray for the growth of the church of God.

The Church Planting Guide Createspace Independent Publishing Platform

As a pastor since 1977, the importance of God growing HIS church has been paramount to me. Now in 2011 as was driving back from a ministers conference in West Lafayette, Indiana, the Lord spoke to my heart. He revealed to me His divine plan, which I have called the Nine, Nine, Nine, Plan! What you will discover in this book is illustrated for us in the Book of Acts which is a book of the early church. In this first book, we will be teaching on the Nine Important Realities that must be in a local body of believers in order for there to be dynamic spiritual and numerical growth.

The Highlights of Twenty Centuries Wipf and Stock Publishers Bill Easum and Bil Cornelius are two strikingly different, yet surprisingly similar pastors. One undertook to revitalize a moribund mainline church; the other, to plant a new nondenominational congregation. Coming from different generations, their ministries took place under dissimilar circumstances. Yet both have experienced substantial, even explosive, growth in congregational mission and membership. Along the way they learned some important lessons, such as the centrality of strong pastoral leadership, the need for an unhesitating pursuit of excellence in all areas of the church's ministry, and the requirement that you picture an audacious vision for your church and live into that vision. Regardless of the current size of your church, you will find here inspiring, ready-to-implement ideas to help your church go BIG.

The Book of Church Growth Troubador Publishing Ltd

Churches committed to following Christ's example want to see this world changed for the sake of eternity. While the supernatural component of making that happen goes without saying, how does a body of believers do its part to be in that

"sweet spot" where true spiritual transformation can occur? In *Transformational Church*, bestselling research authors Thom S. Rainer and Ed Stetzer have surveyed fifty thousand down to five hundred congregations in search of the qualitative answer. Their book contains a wealth of indispensable new data, nuanced insights, and clear how-to guidance, all centered on this key finding: Transformational churches make disciples whose lives are being transformed by the gospel so that people engage the culture around them for its ultimate transformation. Deeply committed to the essential foundations of discipleship (worship, community, and mission), transformational churches practice their faith and make disciples through vibrant leadership, prayerful dependence upon God, and relational intentionality. And they do so paying mind to their unique context and with a missionary mindset. The most comprehensive study of the American church to date.

101 Prayer Points for Church Growth - How to Pray for Church Growth Zondervan

How can you change a stagnant, inward-focused church of pew-sitters into a growing, outreach-oriented fellowship of believers? In *The Pastor's Guide to Growing a Christlike Church*, you'll discover the keys to creating a vibrant, biblical, spiritually healthy church. William Willimon, H.B. London, George Hunter III, and other well-known church leaders teach you how to: Develop servant leaders among the laity Get laity involved in serving the community Nurture healthy spirituality in the church Develop

authentic Christian community and fellowship
Plan worship services that bind church members together
Cast a vision for the future of the church
And much more!

A New Testament Pattern for Church Organization and Growth BibleTalk Books

This book is written to be helpful to ministers who are serving as a bivocational pastor or are considering that ministry role. This is not an exhausting study of the role, but a conversation with you about the key functions and challenges of the bivocational pastor. In my experiences of being a pastor, consultant, personal counselor and friend of pastors, I understand the delights and difficulties of ministry. In my current roles of bivocational pastor and fundraising among churches for a statewide ministry, I understand the challenges that bivocational pastors face and want to share with you a down to earth conversation from my experience and perspective.

Church Unique Navpress Publishing Group

Jonathan Leeman addresses the commonly asked (and often unanswered) question of, "Why should I join a church?" in a time when many are shunning the practice of organized religion. By offering a brief, straightforward explanation of what church membership is and why it's important, Leeman gives the local church its proper due and builds a case for committing to the local body. Church Membership is a useful tool for churches to distribute en masse to new and potential members of their congregation. This volume is part of the 9Marks: Building Healthy Churches series. Look for upcoming, quick-read formats of the following marks of a healthy church: expositional preaching, biblical theology, the gospel, conversion, evangelism, church discipline, discipleship and growth, and church leadership.

God's Nine Nine Nine Plan Simon and Schuster

All local churches experience a predictable life cycle of growth and decline. But if a church is on a downward trend, how can it turn around? *Taking Your Church to the Next Level* explains the impact of age and size on churches and outlines the improvements that must be made at each point for a church to remain fruitful and faithful to its mission. McIntosh deftly describes the cycles of fruitfulness and the importance of continual improvement to diminish destructive forces that keep a congregation from its mission. Church leaders, pastors, and all who care about the church and desire to see it experience biblical growth will benefit from the sage wisdom offered in these pages. *Church Growth 101 a Church Growth Guidebook for Ministers and Laity* Baker Books
Different churches grow in different ways. This book will help you figure out your church's orientation and show the way to healthy growth.
