The American Experience Pearson

Prentice Hall Literature is an engaging
program that reaches all students

through personalized instruction. Highly
engaging visuals and contemporary
lesson designs have been carefully
crafted into the program to ensure
students will be easily engaged and stay
highly motivated as they experience
outstanding literature, poetry, and
contemporary media. Prentice Hall
Literature includes explicit instruction of
skills--reading, vocabulary, literary
analysis, and writing conventions--all in
the context of the literature students
read. The American Experience and
British Tradition focus specifically on
comparing literary works. Lesson
activities include instruction and practice
of reading and literary analysis skills.
Prentice Hall Literature is organized
around big and essential questions
based on the Understanding by Design

model by Grant Wiggins. Students frequently revisit these questions throughout lesson activities to deepen their understanding of universal themes. The Understanding by Design model helps you deliver focused instruction by teaching skills in context rather than in isolation. Prentice Hall Literature Student Edition includes Informational Texts, Comparing Literary Works, Writing Workshops, and end-of-unit activities. Every unit is hosted by an award-winning contemporary author, and the instruction targets specific reading strategies. The unit introduction includes introducing the Big Question and the unit genre and author. This "Big Question" section helps to get you and your child thinking about important ideas to guide reading. The literature

includes both classic and contemporary selections and the Informational Texts feature has students applying learned skills to real-life. Reader's Notebook - Interactive workbooks with targeted reading and skill support for every selection in the student edition, plus additional full-length selections: Interactive reading, literary analysis, and vocabulary support Selection summaries and guides for note-taking Sentence starters for reading-writing connections "Turbo" vocabulary building tools "Big Question" writing activities All-in-One Workbook - Skills and assessment practice for all students, the All-in-One provides: Practice with reading skills, grammar, vocabulary, and literary analysis Writing support Test practice Fluency practice
