75 Whimsical Paper Flowers to Craft by Hand Search Press Limited

These amazingly simple step-by-step tutorials inspire crafters to decorate their lives with brightly colored and boldly textured flowers that never die. Through her popular Etsy shop, Paper & Peony,

Chantal Larocque creates custom paper flower arrangements for events, weddings and everyday, all infused with her signature bold style and fun colors. Now, with this book readers can learn how to make her flowers and favorite arrangements step by step using easy-to-find supplies and common cardstock. Chantal's use of cardstock instead of the more common tissue or crepe paper gives the flowers a unique bold and full appearance that stands out. With this simple trick, no fancy tools or difficult-to-work-with papers are required, as in other paper flower books on the market. Readers will be amazed at how quick and easy it is to craft these stunning flowers and arrangements. Not only do readers learn how to make each bloom step by step, they also learn to use a variety of those blooms for stunning statement arrangements. The photos showing each step reveal Chantal's secret techniques that give a life-like look to the flowers. Templates are provided at the back of the book for readers to trace onto their cardstock and cut out the petals and leaves. With this helpful and inspiring guide, readers will love creating bold and colorful flower arrangements that last forever. This book has 65 paper flower projects, including arrangements and bouquets, and it has more than 100 photos.

It is well established that with little more than a bit of creativity and some paper, magical beautiful things can be created through Origami. So in Vertical's next crafts-by-paper book, we turn our attention towards origami fauna. With the 64 patterns featured in Origami Flowers paper-crafters can create beautiful bouquets to brighten up lives and to entertain young minds. The patterns in Origami Flowers are organized by season, so crafters can always have the appropriate blossoms for every occasion. Flowers are also known to have a language of their own, so Mr Kobayashi goes into detail about what the various flowers represent providing an educational element to this already fun hobby.
