"Rosetti's illustrations are personalized affirmations

of the rights of women. They congratulate the empowered, comfort the survivors, and present rebuttals to the oppressive comments that rain down upon women from the heights of the patriarchy." —Bust The message we receive from the world is clear: we're not good enough. We're not skinny enough, pretty enough, smart enough. Women is all about accepting ourselves. Carol Rossetti asks us instead to say, "We're not good enough—we're even better." Despite the progress we've made as a society, there is still a cruel and subtle gender oppression that exists today—and many don't realize it's there. In response, Rossetti decided to draw women to focus on the issues we face. Her illustrations are of women who feel safe expressing themselves by showing the world their fashion, sexuality, relationships, religion, disabilities, and even traumatic experiences. Rossetti's commanding images belong on billboards and street corners and in schools and offices to remind us

that our unique experiences and expressions should make us feel beautiful, intelligent, and proud. We have the power to embrace who we are and can stop trying so hard to please the rest of the world. Carol Rossetti and Women offer us a vision of who we can be.

Are you looking for a new Korean challenge after mastering the basics? Welcome to the Intermediate level! The Korean language is constantly advancing and conquering new markets.

Whether it's with their television series, their incredible music or simply the culture and tourism, the Korean tongue is currently taking over the world! And we guess that you don't want to be left behind in not understanding and speaking Korean, right? Because of this, we have created the next level of Korean stories for the students who have already surpassed the beginner level: Intermediate Korean Short Stories! In this book we have compiled 12 challenging, compelling and fun stories that will allow you to expand your vocabulary, educate you on the culture and give you the tools to boost your grasp of the wonderful Korean tongue. How Intermediate Korean Short Stories works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to discover more about the Korean way of life. The last two are even more challenging in length and level for those of you getting ready for Advanced Korean! - The summaries follow the story: a synopsis in Korean and in English of what you just read, both

to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Korean, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after (and in English), but no cheating! We want you to feel comfortable while mastering the Korean tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Korean Short Stories and level up your Korean language learning right now!
