*Kenneth Patchen's The Journal of Albion Moonlight* Routledge  
This autobiographical work is the story of several women.  
Deploying a variety of texts, documents and imagery, these  
women are united by suffering and the transcendence of  
suffering.

**A Novel** Univ of California Press

Gathers picture poems by the Ohio-born writer and artist and  
offers a brief appreciation of Patchen and his work

*The Devil Is Dead* New Directions Publishing

A valuable source for those interested with the withdrawal from  
Dunkirk. Originally published in November 1940 it is an authentic

account of the coasters and cargo steamers, yachts, motor  
cruisers, sailing barges, lifeboats, paddle vessels, destroyers,  
sloops and dinghies, that took their part and effected what  
experts had considered impossible.

**The Novel of Human Rights** Anchor

Patchen, Collected Poems. The great poet's complete poetry.

Panels for the Walls of Heaven Delacorte Press

A BRILLIANT AND BEGUILING REIMAGINING OF ONE OF OUR  
GREATEST MYTHS BY A GIFTED YOUNG WRITER Zachary Mason's  
brilliant and beguiling debut novel, *The Lost Books of the  
Odyssey*, reimagines Homer's classic story of the hero Odysseus  
and his long journey home after the fall of Troy. With brilliant  
prose, terrific imagination, and dazzling literary skill, Mason  
creates alternative episodes, fragments, and revisions of Homer's  
original that taken together open up this classic Greek myth to

endless reverberating interpretations. The Lost Books of the Odyssey is punctuated with great wit, beauty, and playfulness; it is a daring literary page-turner that marks the emergence of an extraordinary new talent.

*An Amusement* Routledge

When third-grader Morgy MacDougal-MacDuff moves from California to Massachusetts with his parents, he has a lot of new things to get used to before he feels comfortable.

**The Weird** The Journal of Albion Moonlight Inspired by one of the finest lyrics in the English language, the anonymous, pre-Shakespearean "Tom o'Bedlam" ("By a knight of ghosts and shadows / I summoned am to tourney / Ten leagues beyond the wide world's end / Methinks it is no journey..."), Kenneth Patchen sets off on an allegorical journey to the furthest limits of love and murder, madness and sex. While on this disordered pilgrimage to H. Roivas (Heavenly Savior), various characters offer deranged responses, conveying an otherworldly, imaginative madness. A chronicle of violent fury and compassion, written when Surrealism was still vigorous and doing battle with psychotic "reality," The Journal of Albion Moonlight is an American monument to engagement. The Journal of Albion Moonlight

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and

the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.

*The Journal of Albion Moonlight* Naval & Military Press

In *The Devil is Dead*, Lafferty tells of an astonishing band of adventurers seeking the Devil himself. It is a tale of demons and changelings, monsters and mermaids - and of how it is not always serious to die, the first time it happens...

*Kenneth Patchen* Hachette UK

Angela Carter's 'The Infernal Desire Machines of Doctor Hoffman' was first published in 1972, and is a magical, satirical adventure.

*Richard Brautigan* Cambridge University Press

With his characteristic enthusiasm and erudition, Peter Ackroyd follows his acclaimed *London: A Biography* with an inspired look into the heart and the history of the English imagination. To tell the story of its evolution, Ackroyd ranges across literature and painting, philosophy and science, architecture and music, from Anglo-Saxon times to the twentieth-century. Considering what is most English about artists as diverse as Chaucer, William Hogarth, Benjamin Britten and Virginia Woolf, Ackroyd identifies a host of sometimes contradictory elements: pragmatism and whimsy, blood and gore, a passion for the past, a delight in eccentricity, and much more. A brilliant, engaging and often surprising narrative, *Albion* reveals the manifold nature of English genius.

*Kenneth Patchen* New Directions Publishing

Inspired by one of the finest lyrics in the English language, the anonymous, pre-Shakespearean "Tom o'Bedlam" ("By a knight of

ghosts and shadows / I summoned am to tourney / Ten leagues beyond the wide world's end / Methinks it is no journey..."), Kenneth Patchen sets off on an allegorical journey to the furthest limits of love and murder, madness and sex. While on this disordered pilgrimage to H. Roivas (Heavenly Savior), various characters offer deranged responses, conveying an otherworldly, imaginative madness. A chronicle of violent fury and compassion, written when Surrealism was still vigorous and doing battle with psychotic "reality," *The Journal of Albion Moonlight* is an American monument to engagement.

*The Memoirs of a Shy Pornographer* New Directions Publishing  
Verses compiled from ten previous volumes condemn the violence, hate, and injustice of the modern world and express trust in the eventual triumph of divine love and the good in human nature

*A Novel* New Directions Publishing

Contains three of Patchen's collections.

**The Journal of Albion Moonlight** Random House (NY)

"For those of us who have gone their own way, counter-culturally, [Patchen] may be, directly or indirectly, the most important influence on our generations' poetic voice . . . [a] long-overdue testament and homage to this modern 20th-century icon." NThomas Rain Crowe.

**Dictee** Penguin UK

James Dawes defines a new, dynamic American literary genre, which takes as its theme a range of atrocities at home and abroad. This vibrant and modern genre incorporates key debates within the human rights movement in the U.S. and in turn influences the ideas and rhetoric of that discourse.

*Selected Correspondence of Kenneth Patchen* Tor Books

From Lovecraft to Borges to Gaiman, a century of intrepid literary experimentation has created a corpus of dark and strange stories that transcend all known genre boundaries. Together these stories form *The Weird*, and its practitioners include some of the greatest names in twentieth and twenty-first century literature. Exotic and esoteric, *The Weird* plunges you into dark domains and brings you face to face with surreal monstrosities. You won't find any elves or wizards here...but you will find the biggest, boldest, and downright most peculiar stories from the last hundred years bound together in the biggest *Weird* collection ever assembled. *The Weird* features 110 stories by an all-star cast, from literary legends to international bestsellers to Booker Prize winners: including William Gibson, George R. R. Martin, Stephen King, Angela Carter, Kelly Link, Franz Kafka, China Miéville, Clive Barker, Haruki Murakami, M. R. James, Neil Gaiman, Mervyn Peake, and Michael Chabon. *The Weird* is the winner of the 2012 World Fantasy Award for Best Anthology. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

As John Green, New York Times bestselling author of *The Fault in*

Our Stars said, “King Dork will rock your world.” The cult favorite from Frank Portman, aka Dr. Frank of the Mr. T. Experience, is a book like nothing ever done before--King Dork literally has something for everyone: At least a half-dozen mysteries, love, mistaken identity, girls, monks, books, blood, bubblegum, and rock and roll. This book is based on music--a passion most kids have--and it has original (hilarious) songs and song lyrics throughout. When Tom Henderson finds his deceased father’s copy of J. D. Salinger’s *The Catcher in the Rye*, his world is turned upside down. Suddenly high school gets more complicated: Tom (aka King Dork) is in the middle of at least half a dozen mysteries involving dead people, naked people, fake people, a secret code, girls, and rock and roll. As he goes through sophomore year, he finds clues that may very well solve the puzzle of his father’s death and—oddly—reveal the secret to attracting semi-hot girls (the secret might be being in a band, if he can find a drummer who can count to four. A brilliant story told in first person, *King Dork* includes a glossary and a bandography, which readers will find helpful and hilarious. Praise for *King Dork*: “Basically, if you are a human being with even a vague grasp of the English language, *King Dork*, will rock your world.”—John Green, author of *The Fault in Our Stars* “[No account of high school] has made me laugh more than *King Dork*. . . . Grade A.”—*Entertainment Weekly* “Impossibly brilliant.”—*Time* “Provides a window into what it would be like if Holden Caulfield read *The Catcher in the Rye*.”—*New York Post* [STAR] “Original, heartfelt, and sparkling with wit and intelligence. This novel will linger long in readers’ memories.”—*School Library Journal*, Starred [STAR] “A biting and witty high-school satire.”—*Kirkus Reviews*, Starred [STAR] “Tom’s

narration is piercingly satirical and acidly witty.”—*The Bulletin of the Center for Children’s Books*, Starred “Loaded with sharp and offbeat humor.”—*USA Today* “*King Dork* is smart, funny, occasionally raunchy and refreshingly clear about what it’s like to be in high school.”—*San Francisco Chronicle* “*King Dork: Best Punk Rock Book Ever*.”—*The Village Voice* “I love this book as much as I hated high school, and that’s some of the highest praise I can possibly give.”—*Bookslut.com*

*The Infernal Desire Machines of Doctor Hoffman* Harvard University Press

Literary Nonfiction. Poetry History & Criticism. Letters. Edited by Allen Frost, *SELECTED CORRESPONDENCE* includes photographs and brief biographies of Patchen's correspondents. They include Harvey Breit, Alex Comfort, E.E. Cummings, Robert Duncan, James T. Farrell, Lawrence Ferlinghetti, James Laughlin, James Boyer May, Alexander Meiklejohn, Henry Miller, Henry Moe, Harriet Monroe, Lewis Mumford, Alan Neil, Miriam Patchen, Henry Rago, Kenneth Rexroth, Harry Roskolenko, Isabel Smith-Stein, Wallace Stevens, Dylan Thomas, Leon Trotsky, Louis Untermeyer, Amos Wilder, Thomas Wolfe, and Jasper Wood. “When reading Kenneth Patchen, a face stares back out of the text. His very human gaze scrutinizes us and our world with such intensity because he is looking for all the beauty despite such apparent ugliness. The *SELECTED CORRESPONDENCE* reveals the hardships and pain Patchen endured in this search, bolstered by his muse Miriam. Reading Patchen is a profound literary experience, an absolute delighting in humanity's possibilities yet also a despondence, sometimes even anger, over our shortcomings. These themes play themselves out here in

Patchen's impassioned letters to such friends and colleagues as Henry Miller, E.E. Cummings, Wallace Stevens, et. al. To read this correspondence is to be astonished by Patchen's insatiable quest

for all that is good in life, one that led him from proletarianism to concretism to jazz to painted poems. Embrace hope, all ye who enter here."—Eckhard Gerdes
