Renowned today for his contribution to the rise of the modern European fairy tale, Giovan Francesco Straparola (c. 1480–c. 1557) is particularly known for his dazzling anthology *The Pleasant Nights*. Originally published in Venice in 1550 and 1553, this collection features seventy-three folk stories, fables, jests, and pseudo-histories, including nine tales we might now designate for ‘mature readers’ and seventeen proto-fairy tales. Nearly all of these stories, including classics such as ‘Puss in Boots,’ made their first ever appearance in this collection; together, the tales comprise one of the most varied and engaging Renaissance miscellanies ever produced. Its appeal sustained it through twenty-six editions in the first sixty years. This full critical edition of *The Pleasant Nights* presents these stories in English for the first time in over a century. The text takes its inspiration from the celebrated Waters translation, which is entirely revised here to render it both more faithful to the original and more sparkishly idiomatic than ever before. The stories are accompanied by a rich sampling of illustrations, including originals from nineteenth-century English and French versions of the text. As a comprehensive critical and historical edition, these volumes contain far more information on the stories than can be found in any existing studies, literary histories, or Italian editions of the work. Donald Beecher provides a lengthy introduction discussing Straparola as an author, the nature of fairy tales and their passage through oral culture, and how this phenomenon provides a new reservoir of stories for literary adaptation. Moreover, the stories all feature extensive commentaries analysing not only their themes but also their fascinating provenances, drawing on thousands of analogue tales going back to ancient Sanskrit, Persian, and Arabic stories. Immensely entertaining and readable, *The Pleasant Nights* will appeal to anyone interested in fairy tales,

ancient stories, and folk creations. Such readers will also enjoy Beecher’s academically solid and erudite commentaries, which unfold in a manner as light and amusing as the stories themselves.

Wrong Time: Right Face is an adventure novel set in Egypt covering two time scales. The present time involves the main character, Kerry Roberts, a small town schoolteacher with a boring older fianc, Nigel. Of late she is having troublesome and erotic dreams about a dark haired lover whose face is vaguely familiar. She becomes discontent with her humdrum life and feels more alive through the dreams of an ancient Egyptian mythical culture some 36,400 BC. The time of Tep Zepi.

A PopSugar Best Romance of December A Bustle Most Anticipated Read for December An Amazon Best of the Month Selection “The best of the fairy tale world. Readers will fall head over heels for both the quirky town and the achingly sweet second-chance romance.” —Publishers Weekly STARRED REVIEW First in a magical new series full of edgy and hilarious antics, this is the read you need to finally give your year the fairy-tale ending it deserves! An enchanting story of love, dreams, and second chances—a delightful read for cold winter nights that fans of Christina Lauren, Tessa Bailey, and Kerry Winfrey can’t miss... If love is the source of all the magic in the universe, and the town of Ever After, Missouri, is the epicenter of enchantment, then the locals are in dire need of a reboot. At least according to resident fairy godmothers Petunia, Jonquil, and Bluebonnet. Their solution? Blow a bit of fairy dust in the direction of those in need of romance. . . . What could possibly go wrong? SOME KIND OF AWFUL . . . Lucky Fujiki’s first name is a cosmic joke. Her luck is so bad, even the number seven steers clear of her. But when her adorable godmothers ask for a favor, Lucky can’t say no. After all, it’s just a little one—to save the world’s magic. Lucky can already feel the bad juju waiting to strike. And her mission is even worse

than she imagined: to promote Ever After as a wedding destination by faking a marriage to her first love and long-time ex, Ransom Payne—he of the Embarrassing Incident that neither of them will ever live down . . . OR ALL KINDS OF WONDERFUL? Ransom Payne has spent years building an impressive new reputation for himself, and now his godmothers want him to pretend to wed the one girl he’d like most to forget? Sure, weddings in Ever After could be a huge boon for his chocolate business, but risking more up-close-and-personal time with Lucky? Considering the stakes, it’s a curse he’ll have to bear, at the risk of being humiliated—or perhaps, bewitched . . .

How does structural economic change look and feel? How are such changes normalized? How are these trends represented in movement, in performance, and in culture? Looking at Detroit's postindustrial revitalization, The Heidelberg Project, and Michael Jackson's many performances, *Unfinished Business* argues that U.S. deindustrialization cannot be separated from issues of race, specifically from choreographed movements of African Americans that represent or resist normative or aberrant relationships to work and capital in transitional times. Presenting Jackson and Detroit as material entities with specific histories and as representations with uncanny persistence, the book divulges invaluable lessons on three decades of structural economic transition in the U.S., particularly on the changing nature of work and capitalism between themid-1980s and 2016. Jackson and Detroit offer examples of the racialization of these economic changes, how they operate as structures of feeling and representations as well as shifts in the dominant mode of production, and how industrialization's successor mode, financialization, uses imagery bothvery similar to and very different from its predecessor.

This box set contains the first three books in the romantic suspense series, *Fateful Justice*. Reflections It wasn’t the first time Lash Brogan had aimed a gun at another man and pulled the trigger. It wasn’t the first time he’d watched a man fall to the ground bleeding. As an actor, he’d done just that countless times. But this time it was not a scene from one of his movies. This time it was for real. When Lash Brogan, an Irish immigrant and one of America’s most popular movie stars, is kidnapped and held hostage in the mountains of Colorado, it will take all of his strength and determination as well as help from a beautiful stranger to help him escape. Justine McBride is a reclusive physical therapist trying to escape the painful memories of her family’s death. After helping Lash recover, she falls hard for him

without considering the ramifications of such a public relationship. Redemption After barely surviving the death of the woman he was going to marry, Irish actor Lash Brogan has accepted his first leading role in two years. But someone doesn't want the movie to be made. The set is plagued by accidents and deaths. The arrival of an FBI agent with a past connection to Lash, and the appearance of an intriguing woman he would like to get to know better, further tilts his world. Lash refuses to run from the danger or the painful reminders of his past. He will stay and see the movie through to the end. No matter what the cost to him. Retribution As a former Navy SEAL and bodyguard to one of the world's top Hollywood actors, John Hoyt thought joining the FBI was a logical next step. He never imagined his first case would nearly cost him his life and put him face to face with the one woman he was willing to die for. Angelina Nobles has spent her career in the FBI living up to the legend of her father. Now, on her most highly publicized case, she's partnered with a man who infuriates and intrigues her like no other has done before. Can the two put aside their differences long enough to stay alive and solve a complicated case involving a corrupt politician, arson, murder and drugs? And find love in the process? Danger and intrigue make a powerful aphrodisiac in Retribution.

2021 Association of Catholic Publishers first place award in theology 2021 Catholic Media Association Award first place award in marriage and family living Six years into the papacy of Pope Francis, Catholics are still figuring out how to respond to his image of the church as a field hospital—a church that goes into the streets rather than remaining locked up behind closed doors. Marriage and family are primary sites of the field hospital, called to meet people's need for healing and accompaniment with compassion and love. The authors of this collection—all lay, a mix of single and married, traditional and progressive Catholics—take up this work. They offer practical wisdom from and critical engagement with the Catholic tradition but avoid rehashing decades-old theological debates. Instead, their essays engage with and respond to realities shaping contemporary family life, like religious pluralism, technology, migration, racism, sex and gender, incarceration, consumerism, and the call to holiness. The result is a collection that envisions ways that families can be places of healing and love in and for the world. List of contributors: Jennifer Beste Megan K. The coauthors of the bestselling Peak Performance dive into the fascinating science behind passion, showing how it can lead to a rich and meaningful life while also illuminating the ways in which it is a double-edged sword. Here's how to cultivate a passion that will take you to great heights—while minimizing the risk of an equally great fall. Common advice is to find and follow your passion. A life of passion is a good life, or so we are told. But it's not that simple. Rarely is passion something that you just stumble upon, and the same drive that fuels breakthroughs—whether they're athletic, scientific, entrepreneurial, or artistic—can be every bit as destructive as it is productive. Yes, passion can be a wonderful gift, but only if you know how to channel it. If you're not careful, passion can become an awful curse, leading to endless seeking, suffering, and burnout. Brad Stulberg and Steve Magness once again team up, this time to demystify passion, showing readers how they can find and cultivate their passion, sustainably harness its power, and avoid its dangers. They ultimately argue that passion and balance—that other virtue touted by our culture—are incompatible, and that to find your passion, you must lose

balance. And that's not always a bad thing. They show readers how to develop the right kind of passion, the kind that lets you achieve great things without ruining your life. Swift, compact, and powerful, this thought-provoking book combines captivating stories of extraordinarily passionate individuals with the latest science on the biological and psychological factors that give rise to—and every bit as important, sustain—passion.

I have deep feelings for this guy, but he says I'm like a sister to him. What should I do?" "Why should a man still be expected to initiate romance?" "Isn't it okay to spend time together if we're just friends?" "If I never marry, will God take that desire away?" These are some of the many questions posed in letters to Elisabeth Elliot by readers of her bestselling book Passion and Purity. In this beautifully repackaged edition of Quest for Love, she responds with sound, biblical guidance, dusting off "antiquated" concepts such as commitment, integrity, honor, and servanthood, and showing how they still apply to dating and singleness today. Intertwined are hopeful true stories of discovering love through God's direction.

Did you know that some societies once used giant rocks for money? Why do some coins have holes in them? Will plastic soon replace paper currency? The history of money closely parallels the history of chemistry, with advances in material science leading to advances in our physical currency. From the earliest examples of money, through the rise of coins, paper, plastic and beyond, with excursions into corrosion and counterfeiting along the way, this book provides a chemist's eye view into the history of the cash in our pockets. Written in an accessible style that will appeal to the layperson and scientist alike, The Chemistry of Money will be sure to both enlighten and entertain. You will never look at money the same way again!

Consuming Passions is Michael Lee West's delightfully quirky memoir of an adventurous life centered around food and family—the story of how she went from non-cook to gourmet of words and victuals by watching a multitude of relatives squabble, prepare sumptuous repasts, and carry on honored traditions. Laced with delicious secret recipes passed from generation to generation, West's irresistible chronicle recalls good times and wild times—mothers swinging from chandeliers, elderly aunts brewing up love potions, a South American nymphomaniac stirring up trouble at a Louisiana barbecue joint, and the spooky hauntings of a cabbage-eating ghost—all in the pursuit of good dining. Thoroughly entertaining, alive with West's distinctive humor and sharp, irrepressible insight, here are incomparable American kitchen tales as warm and tasty as freshly baked bread.
