## CERVANTES COLBY

*Boot Up to Ubuntu, Fedora, KNOPPIX, Debian, OpenSUSE, and 11 Other Distributions* Society of Photo Optical  
 This work provides comprehensive and contemporary information on the essential concepts and terms in video and television, including coverage of test and measurement procedures.  
*Popular Science* Gulf Professional Publishing  
 This book constitutes the refereed proceedings of the International Conference on Ergonomics and Health Aspects of Work with Computers, EHAWC 2011, held within the framework of the 14th International Conference on Human-Computer Interaction, HCI 2011, incorporating 12 thematically similar conferences. A total of 4039 contributions was submitted to HCI 2011, of which 1318 papers were accepted for publication. The 25 papers presented in this volume were carefully reviewed and selected for inclusion in the book. They are organized in topical sections on quality of working life; health and well-being; and interactive devices and interfaces.  
**Dictionary of Video and Television Technology** Springer Science & Business Media  
 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
