CARNEY ERIN

Diary of a Drag Queen Random House
 Poppet Montague-Jones is 15, 87th in line to the British throne and soon to inherit a whopping trust fund. Unlike her sister Kitten - legendary wild child and society columnist in London Alive (see Diary of a Chav), Poppet is a troubled and ill-fitting teenager who is at an impressionable age, and doesn't quite know how to launch herself into the world. Poppet spends much of her time daydreaming and getting bossed about by her flamboyant school friends, Vixen Blaze Brocklehurst and Striker Earhart. Between them, the girls get up to all sorts of high jinks a la St Trinians at school and in their stinking rich 'hood', not giving much thought to their future. They're rich, so who cares! Poppet's Mum Saskia has her future in hand anyway: a career in fashion and marriage to nice, loaded, Felix Hayes Burlington across the road. Thing is, Poppet is not entirely sure it's what she really wants. Isn't there more to life than charity lunches and yoga? Is Poppet destined for a life of designer grunge and decadence without lifting a finger to

earn her own living, or is she brave enough to break out of the mould?

Mrs Robinson's Disgrace Hachette UK

When the married Isabella Robinson was introduced to the dashing Edward Lane at a party in 1850, she was utterly enchanted. He was 'fascinating', she told her diary, before chastising herself for being so susceptible to a man's charms. But a wish had taken hold of her, and she was to find it hard to shake...In one of the most notorious divorce cases of the nineteenth century, Isabella Robinson's scandalous secrets were exposed to the world. Kate Summerscale brings vividly to life a frustrated Victorian wife's longing for passion and learning, companionship and love, in a society clinging to rigid ideas about marriage and female sexuality.

A Lewes Diary, 1916-1944 Bloomsbury Publishing

For the Major and his wife Edelgard, the idea of a caravanning holiday in Southern England seems perfect. As they begin their leisurely progress through its green and verdant countryside, the holiday spirit sets in. But England presents more than just a contrast of scenery to this German couple- amongst the company of their English companions Edelgard seems to undergo a change of temperament, revealing herself to be far less biddable than the upright Major had believed. The blossoming of the hedgerows is one thing, but the blossoming of his wife is quite another. ... [From synopsis on abebooks.com website, 24 July 2002].

The Diaries of Evelyn Waugh Mariner Books

Julian Fellowes, creator of the Emmy-Award winning TV series *Downton Abbey*, established himself as an irresistible storyteller and a deliciously witty chronicler of modern manners in his first novel, *Snobs*, a wickedly astute portrait of the intersecting worlds of aristocrats and actors. "The English, of all classes as it happens, are addicted to exclusivity. Leave three Englishmen in a room and they will invent a rule that prevents a fourth joining them." The best comedies of manners are often deceptively simple, seamlessly blending social critique with character and story. In his superbly observed first novel, Julian Fellowes, winner of an Academy Award for his original screenplay of *Gosford Park*, brings us an insider's look at a contemporary England that is still not as classless as is popularly supposed. Edith Lavery, an English blonde with large eyes and nice manners, is the daughter of a moderately successful accountant and his social-climbing wife. While visiting his parents' stately home as a paying guest, Edith meets Charles, Earl of Broughton, and heir to the Marquess of Uckfield, who runs the family estates in East Sussex and Norfolk. To the gossip columns he is one of the most eligible young aristocrats around. When he proposes, Edith accepts. But is she really in love with Charles? Or with his title, his position, and all that goes with it? One inescapable part of life at Broughton Hall is Charles's mother, the shrewd Lady Uckfield, known to her friends as "Googie" and described by the narrator--- an actor who moves comfortably among the upper classes while chronicling their foibles---"as the most socially expert individual I have ever known at all well. She combined a watchmaker's eye for detail with a madam's knowledge of the world." Lady Uckfield is convinced that Edith is more interested in becoming a countess than in being a good wife to her son. And when a television company, complete with a gorgeous leading man, descends on Broughton Hall to film a period drama, "Googie's" worst fears seem fully justified.

Studies in Words Little, Brown Books for Young Readers

Poppet is back with Kwame, and keeping it a secret from her family and curious best friends Vixen and Striker...But it is not easy having a double life and sneaking out of Hampstead to an estate in Kilburn twice a week...But when Poppet's mother Jocasta finds out what's going on, Poppet is shocked at how snobby her 'liberal' mother is. Poppet knows she's a lucky girl...she'll never ever know what it's like to be poor...But all the

money in the world can't buy you true love...

Go Ask Alice Simon and Schuster

Im at a bit of an impasse here. I dont have spare copies of the books, so I cant be specific (ie delete pages xi, xii etc)! I simply cant do that. With regards to the prelim pages, thats rather similar. I sent two prelim pages for each title, which I can set out again if needed. One is a title page, and one is a copyright page. All I want is for premedia to delete the scored out pages, and insert my two in title page, copyright page order at the start of the book. Can you advise on how I can set this out so that they will accept this?

Margot Asquith's Great War Diary 1914-1916 BoD - Books on Demand

A teen plunges into a downward spiral of addiction in this classic cautionary tale. January 24th After you've had it, there isn't even life without drugs... It started when she was served a soft drink laced with LSD in a dangerous party game. Within months, she was hooked, trapped in a downward spiral that took her from her comfortable home and loving family to the mean streets of an unforgiving city. It was a journey that would rob her of her innocence, her youth—and ultimately her life. Read her diary. Enter her world. You will never forget her. For thirty-five years, the acclaimed, bestselling first-person account of a teenage girl's harrowing descent into the nightmarish world of drugs has left an indelible mark on generations of teen readers. As powerful—and as timely—today as ever, *Go Ask Alice* remains the definitive book on the horrors of addiction.

Drinking Custard Bad Mother Series

C. S. Lewis explores the fascination with language by taking a series of words and teasing out their connotations.

Diary of a Snob 1 Sourcebooks, Inc.

Hailed as one of the most important works on the Hitler period, this is an "astonishing, compelling, and unnerving" portrait of life in Nazi Germany between 1936 and 1944—from a man who nearly shot Hitler himself (The New Yorker) Friedrich Reck might seem an unlikely rebel against Nazism. Not just a conservative but a rock-ribbed reactionary, he played the part of a landed gentleman, deplored democracy, and rejected the modern world outright. To Reck, the Nazis were ruthless revolutionaries in Gothic drag, and helpless as he was to counter the spell they had cast on the German people, he felt compelled to record the corruptions of their rule. The result is less a diary than a sequence of stark and astonishing snapshots of life in Germany between 1936 and 1944. We see the Nazis at the peak of power, and the murderous panic with which they respond to approaching defeat; their travesty of traditional folkways in the name of the Volk; and the author's own missed opportunity to shoot Hitler. This riveting book is not only, as Hannah Arendt proclaimed it, "one of the most important documents of the Hitler period," but a moving testament of a decent man struggling to do the right thing in a depraved world.

Diary of a Mad Housewife Scholastic Inc.

In 1834, Anne Lister made history by celebrating and recording the first ever known marriage to another woman. Now the basis for the HBO series *Gentleman Jack*, this is her remarkable, true story. Anne Lister was extraordinary. Fearless, charismatic and determined to explore her lesbian sexuality, she forged her own path in a society that had no language to define her. She was a landowner, an industrialist and a prolific diarist, whose output has secured her legacy as one of the most fascinating figures of the 19th century. *Gentleman Jack: The Real Anne Lister* follows Anne from her crumbling ancestral home in Yorkshire to the glittering courts of Denmark as she resolves to put past heartbreak behind her and find herself a wife. This book introduces the real *Gentleman Jack*, featuring unpublished journal extracts decrypted

for the first time by series creator Sally Wainwright and writer Anne Choma.

Eva in the Spotlight: A Branches Book (Owl Diaries #13) Hodder Children's Books

One of the most anticipated books of 2017: Boston Globe, New York Times Book Review, New York's "Vulture", The Week, Bustle, BookRiot An NPR Best Book of 2017 An AV Club Favorite Book of 2017 A Barnes & Noble Best Book of 2017 A Goodreads Choice Awards nominee David Sedaris tells all in a book that is, literally, a lifetime in the making. For forty years, David Sedaris has kept a diary in which he records everything that captures his attention—overheard comments, salacious gossip, soap opera plot twists, secrets confided by total strangers. These observations are the source code for his finest work, and through them he has honed his cunning, surprising sentences. Now, Sedaris shares his private writings with the world. *Theft by Finding*, the first of two volumes, is the story of how a drug-abusing dropout with a weakness for the International House of Pancakes and a chronic inability to hold down a real job became one of the funniest people on the planet. Written with a sharp eye and ear for the bizarre, the beautiful, and the uncomfortable, and with a generosity of spirit that even a misanthropic sense of humor can't fully disguise, *Theft by Finding* proves that Sedaris is one of our great modern observers. It's a potent reminder that when you're as perceptive and curious as Sedaris, there's no such thing as a boring day.

Posh and Prejudice Da Capo Press

Move over *Diary of a Wimpy Kid*—there's a new journal in town and it belongs to Ratchet. "A book that is full of surprises...Triumphant enough to make readers cheer; touching enough to make them cry." —Kirkus, STARRED Review If only getting a new life were as easy as getting a new notebook. But it's not. It's the first day of school for all the kids in the neighborhood. But not for me. I'm homeschooled. That means nothing new. No new book bag, no new clothes, and no new friends. The best I've got is this notebook. I'm supposed to use it for my writing assignments, but my dad never checks. Here's what I'm really going to use it for: Ratchet's Top Secret Plan Turn my old, recycled, freakish, friendless life into something shiny and new. This Florida State Book Award gold medal winner is a heartfelt story about an unconventional girl's quest to make a friend, save a park, and find her own definition of normal.

The Caravaners Constable

'Warning: so funny, even the strongest pelvic floors will be tested' - Net Mums 'A very funny, honest look at the ups and downs of parenting. I absolutely loved it.' - Emily Dean, host of *Walking the Dog* 'Lucy, a favourite comic of mine, manages to shed new light on something so universal. Her reaction to parenting is ridiculously refreshing and loaded with guilty laugh out loud honesty. After the school run, I implore you to pick a page, any page, then realise you're not alone. A gentle funny stroke of parenting genius' - Johnny Vegas 'As a mum of two girls, I was nodding, laughing and emotional. I recognised so much of Lucy's journey in my own... I really loved it.' Yolanda Brown, BBC *Loose Ends* From TV's award-winning comedy mum and the writer of *Hullraisers*, Lucy Beaumont, comes her hilarious debut on the trials and tribulations of motherhood. Known for her sharp, witty and surreal view on everyday life, Lucy shares the unpredictable craziness of being a mum in this brilliant and laugh-out-loud 'mumoir'. Mums everywhere will recognise the madness of it all. Like when Lucy was hospitalised during her third trimester with chest pains but it turned out to be a burrito. Or when she was so tired at the park she forgot her own child's name. Heart-warming and laugh-out-loud funny, *Drinking Custard* also captures Lucy's marriage to comedian Jon Richardson, as they navigate Lucy's raging pregnancy hormones and balk at pram prices together.

Get ready to make room on mum's bookshelf for *Drinking Custard* to sit alongside other mum classics such as *Why Mummy Drinks*, *Hurrah For Gin!* and *The Unmumsy Mum*.

An Old-Fashioned Girl Monoray

"Nothing yet published about her so totally contradicts the legend of Virginia Woolf.... [This] is a first chance to meet the writer in her own unguarded words and to observe the root impulses of her art without the distractions of a commentary" (New York Times). Edited and with a Preface by Anne Olivier Bell; Introduction by Quentin Bell; Index.

Diary of a Snob: Money Can't Buy Me Love Hachette UK

"An Old-Fashioned Girl" tells the story of Polly Milton, a young girl from the countryside who goes to visit her wealthy and sophisticated friends in the city. The novel is structured in two parts, with the first part focusing on Polly's childhood visit and the second part on her experiences as a young woman. In the first part, Polly stays with the Shaw family, including Tom, Maud, and Fanny. She is initially seen as old-fashioned and unsophisticated compared to her more fashionable city friends. However, her kindness, honesty, and good-hearted nature soon win over the Shaw family, and she becomes a beloved member of their household. The novel explores the contrast between Polly's simple, virtuous upbringing and the more worldly values of her city friends. Polly's influence on the Shaws and her ability to maintain her integrity in the face of societal pressures serve as central themes. In the second part of the book, Polly returns to the city as a young woman, and the story follows her experiences as she navigates the challenges of adulthood, including romance, career aspirations, and the importance of staying true to oneself. Polly's character development is a central focus as she matures and finds her place in the world. "An Old-Fashioned Girl" is known for its moral and ethical themes, as well as its portrayal of the importance of character and virtue. It contrasts the values of simplicity and authenticity with the superficiality of social conventions. The novel also explores themes of friendship, love, and the pursuit of happiness. Louisa May Alcott's "An Old-Fashioned Girl" is a charming and heartwarming coming-of-age story that continues to resonate with readers for its timeless lessons and the enduring appeal of its characters.

Henry 'Chips' Channon: The Diaries (Volume 1) Harper Collins

"Chloe Snow chronicles a year in her high school life, sharing the highs and lows of family, friendship, school, and love"--

LBD: Friends Forever! Hodder Children's Books

The diaries of one of our finest novelists - a unique literary document, reissued in Phoenix paperback.

The Silent Companions A&C Black

Fifteen-year-old Shiraz Bailey Wood's days are filled with hanging around outside Claire's Accessories, her parents work crap jobs, and her school is pretty much loser central. But this loveable British dreamer with a brain and a heart of gold is beginning to feel there might be a lot more to life than minimum wage and the bling of a souped-up car.

Confessions of a High School Disaster St. Martin's Press

Margot Asquith was the wife of Herbert Henry Asquith, the Liberal Prime Minister who led Britain into war in August 1914. Asquith's early war leadership drew praise from all quarters, but in December 1916 he was forced from office in a palace coup, and replaced by Lloyd George, whose career he had done so much to promote. Margot had both the literary gifts and the vantage point to create, in her diary of these years, a compelling record of her husband's fall from grace. An intellectual socialite with the airs, if not the lineage, of an aristocrat, Margot was both a spectator and a participant in the events she describes, and in public affairs could be an ally or an embarrassment - sometimes both. Her diary vividly evokes the wartime milieu as experienced in 10

Downing Street, and describes the great political battles that lay behind the warfare on the Western Front, in which Asquith would himself lose his eldest son. The writing teems with character sketches, including Lloyd George ('a natural adventurer who may make or mar himself any day'), Churchill ('Winston's vanity is septic'), and Kitchener ('a man brutal by nature and by pose').

Never previously published, this candid, witty, and worldly diary gives us a unique insider's view of the centre of power, and an introduction by Michael Brock, in addition to explanatory footnotes and appendices written with his wife Eleanor, provide the context and background information we need to appreciate them to the full.
