executive
coaches—hail

ed as the
“CEO
Whisperer”
(Gimlet
Media)—revea
ls why radical
self-inquiry is
critical to
professional
success and
healthy
relationships
in all realms of

life. Jerry
Colonna helps
start-up CEOs
make peace
with their
demons, the
psychological
habits and
behavioral
patterns that
have helped
them to
succeed—mol

ding them into highly accomplished individuals—yet have been detrimental to their relationships and ultimate well-being. Now, this venture capitalist turned executive coach shares his unusual yet highly effective blend of Buddhism, Jungian therapy, and entrepreneurial straight talk to help leaders overcome their own psychological traumas. Reboot is a

journey of radical self-inquiry, helping you to reset your life by sorting through the emotional baggage that is holding you back professionally, and even more important, in your relationships. Jerry has taught CEOs and their top teams to realize their potential by using the raw material of their lives to find meaning, to build healthy interpersonal bonds, and to become more

compassionate and bold leaders. In Reboot, he inspires everyone to hold themselves responsible for their choices and for the possibility of truly achieving their dreams. Work does not have to destroy us. Work can be the way in which we achieve our fullest self, Jerry firmly believes. What we need, sometimes, is a chance to reset our goals and to reconnect with our

deepest selves and with each other. Reboot moves and empowers us to begin this journey. Chicken Soup for the Soul: Reboot Your Life Penguin
 With the romance of The Selection and the epic stakes of Red Queen, Amy Tintera's New York Times-bestselling Ruined trilogy continues with the thrilling young adult fantasy Avenged. Emelina Flores has come home to Ruina. After rescuing her sister, Olivia, from imprisonment in rival

kingdom Lera, Em and Olivia together vow to rebuild Ruina to its former glory. But their fight has only begun. Olivia is determined to destroy everyone who acts against Ruina. Em isn't as sure. Ever since Em posed as Prince Casimir's betrothed in Lera, she's started to see another side to this war. And now that Cas has taken the throne, Em believes a truce is within reach. But Olivia suspects that

Em's romantic feelings for Cas are just coloring her judgement. Em is determined to bring peace to her home. But when winning the war could mean betraying her family, Em faces an impossible choice between loyalty and love. Em must stay one step ahead of her enemies—and her blood—before she's the next victim in this battle for sovereignty. Reboot Ember Emelina Flores and her sister,

Olivia, were determined to bring peace to the people of Ruina. But as the war for liberation raged on, what triumph and freedom meant to Em and Olivia slowly changed. As Olivia's violence and thirst for vengeance became her only ambition, Em was left to pick up the pieces. But it's not only Em who is upset by Olivia's increased violence. Other members of the Ruined army are

beginning to see the cracks, and soon a small group of them defects from Olivia's army and joins Em instead. The two sisters are soon pitted against each other in an epic battle for the kingdom and the future, and only one will win. *The End Games* HarperCollins In this fast-paced dystopian thrill ride from New York Times–bestselling author Amy Tintera, perfect for fans of The

Hunger Games, Legend, and Divergent, a seventeen-year-old girl returns from death as a Reboot and is trained as an elite crime-fighting soldier . . . until she is given an order she refuses to obey. Wren Connolly died five years ago, only to Reboot after 178 minutes. Now she is one of the deadliest Reboots around . . . unlike her newest trainee, Callum 22, who is practically still

human. As Wren tries to teach Callum how to be a soldier, his hopeful smile works its way past her defenses. Unfortunately, Callum's big heart also makes him a liability, and Wren is ordered to eliminate him. To save Callum, Wren will have to risk it all. Wren's captivating voice and unlikely romance with Callum will keep readers glued to the page in Amy Tintera's high-stakes

alternate reality, and diving straight into its action-packed sequel, *Rebel*. Don't miss Amy Tintera's new fantasy series, *Ruined*—full of epic stakes, sweeping romance, hidden identities, and scheming siblings. *Falling into Place* Allen & Unwin ReBoot chronicles the rise, fall and rebirth of one of the most prominent CEOs during the dotcom bubble, Julie Wainwright. As CEO of

Pets.com, she found herself in every major newspaper and on every television channel just as her marriage was crumbling. She struggled to get back to normal, but never made it. What happened transformed her life in unimaginable ways. If you have ever failed, need some inspiration or just some sound practical advice, this book is for you. Here's what early readers of the

book have said: "Reboot is about courage the moral courage each of us needs to face life's challenges and opportunities with dignity and ultimately joy. Reboot is a must read." - Ann Winblad, Venture Capitalist. "This book is a must-read for anyone who has said to him- or herself, 'I am a failure.' Because with this book, you can regain your footing and reinvigorate the success in

your life and yourself." - Heidi Roizen, CEO Skinnysongs, Author, Can't Buy Thin. "All aspiring entrepreneurs should read this book!" - Amy Millman, President, Springboard Enterprises, the prominent venture capital catalyst for women. "ReBoot is a story of persistence and triumph. This story is an inspiration to us all. Julie shows how to survive and thrive amid some of the most

tumultuous times any of us have ever seen. It is a story that resonates for anyone trying to navigate these trying times in the current economy." - Craig Forman, President, Earthlink.
Lies Beneath HarperCollins
 This novel is one of the most ambitious and remarkable literary achievements of our time. It is a picaresque, psychological novel--a novel of the road, a journey or voyage of the

human spirit in its search for reality in a world of illusion and nightmare. It is an epic of what might be called the Arabian Nights of American life. Marguerite Young's method is poetic, imagistic, incantatory; in prose of extraordinary richness she tests the nature of her characters--and the nature of reality. Miss MacIntosh, My Darling is written with oceanic music moving at

many levels of consciousness and perception; but the toughly fibred realistic fabric is always there, in the happenings of the narrative, the humor, the precise details, the definitions of the characters. Miss MacIntosh herself, who hails from What Cheer, Iowa, and seems downright and normal, with an incorruptible sense of humor and the desire to put an end to

phantoms; Catherine Cartwheel, the opium lady, a recluse who is shut away in a great New England seaside house and entertains imaginary guests; Mr. Spitzer, the lawyer, musical composer and mystical space traveler, a gentle man, wholly unsure of himself and of reality; his twin brother Peron, the gay and raffish gambler and virtuoso in the world of sports; Cousin Hannah, the horsewoman, balloonist, mountain-climber and militant Boston feminist, known as Al Hamad through all the seraglios of the East; Titus Bonebreaker of Chicago, wild man of God dreaming of a heavenly crown; the very efficient Christian hangman, Mr. Weed of the Wabash River Valley; a featherweight champion who meets his equal in a graveyard-- these are a few who live with phantasmagorical vividness in the pages of Miss MacIntosh, My Darling. The novel touches on many aspects of life--drug addiction, woman's suffrage, murder, suicide, pregnancy both real and imaginary, schizophrenia, many strange loves, the psychology of gambling, perfectionism; but the profusion of this huge book serves always to intensify the force of the central question: "What shall

we do when, fleeing from illusion, we are confronted by illusion?" What is real, what is dream? Is the calendar of the human heart the same as that kept by the earth? Is it possible that one may live a secondary life of which one does not know? In every aspect, Miss MacIntosh, My Darling stands by itself--in the lyric beauty of its prose, its imaginative vitality and cumulative emotional

power. It is the work of a writer of genius. Das Reboot HarperCollins You can be the leader you want to be--today and every day. Do you find yourself wishing you had more hours in the day? Do you want to do more, yet feel you just can't add another thing to your plate without being overwhelmed by stress or compromising your health, relationships, and integrity? No doubt, as a leader, there

are some days when you feel the flow. You're able to make a difference and achieve big goals. You feel confident and energized. On days like this, you are your best self--the leader you want to be. But on other days, you go down a different, negative path, with pressures and doubts making you feel like a lesser version of yourself. How can you be the leader you want to be, every day? The answer is more than a

time-management system or a silver-bullet solution for changing your routines. Leadership expert and coach Amy Jen Su's powerful new book helps readers discover that the answer lies within. By focusing in specific ways on five key leadership elements-- Purpose, Process, People, Presence, and Peace--you can increase your time, capacity, energy, and ultimately your impact,

with less stress and more equanimity. Drawing on rich and instructive stories of clients, leaders, artists, and athletes, as well as on research by experts, the author brings together the best of both Western management thinking and Eastern philosophy to provide a holistic yet hands-on approach. The Leader You Want to Be is your indispensable guide to

tapping into and expanding your leadership capacity so that you can be your best, sustain yourself, and thrive as a leader. [Girl Waits With Gun](#) Pocket Books/Star Trek Transform your healthcare practice with a prescription for success. What if your healthcare practice was a place where everyone--administrators, care providers, and patients--felt

good? A place where burnout, job dissatisfaction, or staff turnover simply didn't exist? A place where you and your team show up every day energized, fulfilled, and inspired to deliver the highest quality of care? For too long, the healthcare system has been built exclusively around the needs of patients, at the expense of the mental and physical health of the very people who are expected to

care for them. It's time for a People First approach—one where your finances, people, and business initiatives aren't suffering at the expense of patient needs. In this essential guide to organizational design for the healthcare sector, operational leadership expert Amy Lafko shows you how to build a thriving practice by focusing on the people who keep it running. You'll

discover how to:

- Provide clarity around organizational mission, vision, values, and goals
- Engage, align, and empower teams
- Enhance communication and trust
- Decrease staff turnover and increase buy-in
- Boost profit margins
- Eliminate employee and leadership burnout
- Improve patient satisfaction
- Design a sustainable strategy for growth. By flipping the focus of your organization

from the people who need care to those who provide it, your people will be armed with the tools and support necessary to bring their best to your patients. Whether you're in the process of mapping out your private practice, already running a successful practice, or are experiencing turmoil within your healthcare organization, you can set yourself on a path toward

increased staff and patient satisfaction, improved productivity, and enhanced efficiency. People First is your prescription for success. *Mila 2.0* Harper Collins Exploding out of the pages of SECRET WARS, one of the most popular super heroes in the world gets a gigantic new collection. New Approach Every Staff Member Can Understand
 MIT Press
 Vibrantly offbeat and utterly original, Lucy Keating's debut novel combines the unconventional romance of *Eternal Sunshine of the Spotless Mind* with the sweetness and heart of Jenny Han. For as long as Alice can remember, she has dreamed of Max. Together, they have traveled the world and fallen

deliriously, hopelessly in love. Max is the boy of her dreams—and only her dreams. Because he doesn't exist. But when Alice walks into class on her first day at a new school, there he is. Real Max is nothing like Dream Max. He's stubborn and complicated. And he has a whole life Alice isn't a part of. Getting to know each other in reality isn't as perfect as Alice always hoped.

Alarming, when their dreams start to bleed into their waking hours, the pair realize that they might have to put an end to a lifetime of dreaming about each other. But when you fall in love in your dreams, can reality ever be enough?
Amazo and the Planetary Reboot Page Two Press
 Life as the Preliator is harder than Ellie ever imagined. Balancing real life with the responsibility

of being Heaven's warrior is a challenge for Ellie. Her relationship with Will has become all business, though they both long for each other. And now that the secret of who she really is has come out, so have Hell's strongest reapers. Grown bold and more vicious, the demonic threaten her in the light of day and stalk her in the night. She's been warned. Cadan, a demonic

reaper, comes to her with information about Bastian's new plan to destroy Ellie's soul and use an ancient relic to wake all the souls of the damned and unleash them upon humanity. As she fights to stay ahead of Bastian's schemes, the revelations about those closest to her awaken a dark power within Ellie that threatens to destroy everything—including herself. She'll be betrayed. Treachery

comes even from those whom she loves, and Ellie is broken by the deaths of those who stood beside her in this Heavenly war. Still, she must find a way to save the world, herself, and her love for Will. If she fails, there will be Hell to pay. **Rebel** Harper Collins Allison's plan is to go to grad school so she can get a good job and care for her schizophrenic mother. When her long-lost father returns, he claims he can bring

Alison's mother back from the dark place her mind has gone. She doesn't want to believe his stories about a long forgotten Irish people, the Tuatha de Danaan, but she must work with her father if there is a chance that it could restore her mother's sanity.

Kevin Smith's Secret Stash
Scholastic Inc.
NATIONAL BESTSELLER.
The first in the Kopps Sisters Novel Series, *Girl Waits with Gun* is an

enthraling novel based on the forgotten true story of one of the nation's first female deputy sheriffs. Constance Kopp doesn't quite fit the mold. She towers over most men, has no interest in marriage or domestic affairs, and has been isolated from the world since a family secret sent her and her sisters into hiding fifteen years ago. One day a belligerent and powerful silk factory

owner runs down their buggy, and a dispute over damages turns into a war of bricks, bullets, and threats as he unleashes his gang on their family farm. When the sheriff enlists her help in convicting the men, Constance is forced to confront her past and defend her family — and she does it in a way that few women of 1914 would have dared. Little, Brown Books for Young Readers
 As the only brother in a family of mermaids living in Lake Superior, Calder White is expected to seduce Lily, the daughter of the man believed to have killed the mermaids' mother, but he begins to fall in love with her just as Lily starts to suspect that the legends about the lake are true. Reprint. [The Accident Season](#) Insight

Editions
 While trying to expose a private security firm hired by the government to weaponize scrabs, Clara and Team Seven face their biggest threat yet-- their own demons. When the world was crumbling, Clara escaped her abusive home and joined Team Seven, a monster-fighting squad of runaways and misfits. They discovered the sinister truth behind the scrab

invasion: they're being trained and weaponized by MDG, a private security firm hired by the government. Now Team Seven has made it their mission to expose truth about MDG. At the center of a global conspiracy, they must face their biggest threat yet: their own demons. -- adapted from jacket.
Meg, Jo, Beth, and Amy: A Graphic Novel
 HarperCollins
 A heart-

wrenching novel about best friends on a collision course with the real world from Amy Zhang, the critically acclaimed Indies Introduce and Indie Next author of *Falling into Place*. Janie and Micah, Micah and Janie. That's how it's been ever since elementary school, when Janie Vivien moved next door. Janie says Micah is everything she is not. Where Micah is shy, Janie is outgoing.

Where Micah loves music, Janie loves art. It's the perfect friendship—as long as no one finds out about it. But then Janie goes missing and everything Micah thought he knew about his best friend is colored with doubt. Using a nonlinear writing style and dual narrators, Amy Zhang masterfully reveals the circumstances surrounding Janie's disappearance in an astonishing second novel that will

appeal to fans of Lauren Oliver. Glow Capstone "A beautiful story, expertly told." -- Per Mertesacker, Arsenal defender and member of the German national team, winners of the 2014 World Cup Estádio do Maracan", July 13, 2014, the last ten minutes of extra time in the World Cup Final: German forward Mario Götke jumps to meet a floated pass from Andr' Schü cushions the ball with his chest, and in

one fluid motion volleys the ball past the onrushing Argentine goalkeeper into the far corner of the net. The goal wins Germany the World Cup for the first time in almost thirty years. As the crowd roars, Gö looks dazed, unable to comprehend what he has done. In *Das Reboot*, Raphael Honigstein charts the return of German soccer from the dreary functionality of the late 1990s to Gö's

moment of sublime, balletic genius and asks: How did this come about? The answer takes him from California to Stuttgart, from Munich to the "Maracan", via Dortmund and Amsterdam. Packed with exclusive interviews with key figures, including Jüklinsmann, Thomas Mü Oliver Bierhoff, and many more, Honigstein's book reveals the secrets of German soccer's success.

Wings of the Wicked

Marvel Entertainment In this Wall Street Journal bestseller, why the future of work requires the deconstruction of jobs and the reconstruction of work. Work is traditionally understood as a "job," and workers as "jobholders." Jobs are structured by titles, hierarchies, and qualifications. In *Work without Jobs*, the Wall Street Journal bestseller, Ravin

Jesuthasan and John Boudreau propose a radically new way of looking at work. They describe a new “work operating system” that deconstructs jobs into their component parts and reconstructs these components into more optimal combinations that reflect the skills and abilities of individual workers. In a new normal of rapidly accelerating automation, demands for organizational

agility, efforts to increase diversity, and the emergence of alternative work arrangements, the old system based on jobs and jobholders is cumbersome and ungainly. Jesuthasan and Boudreau’s new system lays out a roadmap for the future of work. Work without Jobs presents real-world cases that show how leading organizations are embracing work deconstruction and

reinvention. For example, when a robot, chatbot, or artificial intelligence takes over parts of a job while a human worker continues to do other parts, what is the “job”? DHL found some answers when it deployed social robotics at its distribution centers. Meanwhile, the biotechnology company Genentech deconstructed jobs to increase flexibility, worker engagement,

and retention.	exchanges,	work
