Pandas National Geographic Books
Informative and engaging, *Giraffe* offers a close-up look at this gentle giant of the African plains. A clear text and forty extraordinary full-color photographs highlight the giraffe's unusual physical features and present a fascinating view of its day-to-day life and behavior, both in captivity and in the wild.

George the Generous Giraffe Child's World
A drove of pigs, a romp of otters, an ostentation of peacocks, and a tower of giraffes. . . . This clever book introduces young readers to some of the words we use to refer to animals in a group. The ink, watercolor, and fabric collage art is brightly colored and uniquely

sets this fun book apart from the crowd. Each page presents information about an animal and its group behavior, such as how geese fly in a V-shape and honk to encourage the leaders, and that sometimes tens of thousand of flamingos meet up in one location. Young readers will have a great time and create a wellspring of new vocabulary words.

Giraffes Cherry Lake
A basic exploration of the appearance, behavior, and habitat of giraffes, the worlds tallest land animals. Also included is a story from folklore explaining why giraffes have such long necks.

Giraffe Gareth Stevens Publishing

Hidden Hippo

StarWalk Kids Media
A howling wolf, a stalking tiger, a playful panda, a dancing bird - pairing the stunning photography of National Geographic photographer Joel Sartore with the delicate poetry of Newbery award-winning author Kwame Alexander, this lush picture book celebrates the beauty, diversity, and fragility of the animal world. Featuring more than 40 unique

animal portraits, the pages invite kids to explore each creature's markings, textures, and attributes in stunning detail, while calling on all of us to help protect each and every one. Three picture-packed gatefolds inside showcase even more familiar and exotic species. These images are part of Sartore's lifelong project to photograph every animal in the world, with special attention given to disappearing and endangered species.
