"Christianity is Good News. . . . When we

open up the Bible it is Good News from cover to cover. It's the Good News that God loves us." —Billy Graham No one has brought the Good News to more people than the Reverend Billy Graham, and the people who admire him span all generations. This Bible storybook will be a timeless classic for parents and grandparents to give a new generation of children the Good News; to show them the way to the cross; and to help them begin a lifetime of following Christ. God's Good News Bible Storybook is a collection of over 60 favorite Bible stories—including Noah, Joseph, Moses, David, Jesus, and the disciples—and each is equipped with a takeaway devotion from Rev. Graham. The takeaways will help children focus on God's Word, apply it to their lives, and begin walking with God and sharing the Good News from an early age. The striking artwork from Scott Wakefield will help children connect with the timeless Bible stories and messages from Rev. Graham. Trim Size: 8.5 x 9.75

Holy Bible Collins

Good News Bible Rainbow Collins

**Good News Bible.** Collins

Contains Old and New Testament and

Apocrypha, with an introduction to all books of the Bible. The translation is accurate and faithful to the Greek and Hebrew, and features an equivalence translation conveying the modern meaning of words and phrases.

**The Revelation Rainbow** Benson Music Group (Choral)

This is the first UK Bible for children to put child-friendly retellings of stories alongside the full text of the Bible. Included with the book are MP3 recordings of each Big Bible story read by TV actor Russell Boulter. With adorable illustrations from the bestselling Big Bible Storybook, this is a Bible that will be enjoyed by children as they grow. With over 400 million Bibles in print, the New International Version is the world's most popular modern English Bible. It is renowned for its combination of reliability and readability. Fully revised and updated for the first time in 25 years, the NIV is ideal for personal reading, public teaching and group study. This Bible also features: clear, readable 9pt text easy-to-read layout maps shortcuts to key stories, events and people of the Bible reading plan timeline book by book overview quick links to find inspiration and help from the

Bible in different life situations. British Text This edition uses British spelling, punctuation and grammar to allow the Bible to be read more naturally. More about the translation: This revised and updated edition of the NIV includes three main types of change, taking into account changes in the way we use language day to day; advances in biblical scholarship and understanding; and the need to ensure that gender accurate language is used, to faithfully reflect whether men and women are referred to in each instance. The translators have carefully assessed a huge body of scholarship, as well as inviting peer submissions, in order to review every word of the existing NIV to ensure it remains as clear and relevant today as when it was first published. Royalties from all sales of the NIV Bible help Biblica, formerly the International Bible Society, in their work of translating and distributing Bibles around the world. **The Catholic Rainbow Study Bible : Today's English Version : Imitation Leather** Penguin  
The Bible in Today's English Version is a new translation which seeks to state clearly and accurately the meaning of the

original texts in words and forms that are widely accepted by all people who use English as a means of communication. This translation does not follow the traditional vocabulary and style found in the historic English Bible versions. Rather it attempts in this century to set forth the Biblical content and message in standard, everyday, natural form of English. The aim of this Bible is to give today's readers maximum understanding of the content of the original texts. The Preface explains the nature of special aids for readers which are included in the volume. It also sets forth the basic principles which the translators followed in their work. The Bible in Today's English Version was translated and published by the United Bible Societies for use throughout the world. The Bible Societies trust that people everywhere will not only find increased understanding through the reading and study of this translation, but will also find a saving hope through faith in God, who made possible this message of Good News for all people. - Foreword.

Architectural Conservation : Philosophy, Principles and Practice Collins

Trans Dilemmas presents the findings of a

three-year research project which examined the lived experiences of trans people in Australia's Northern Territory. The book argues that whilst trans people, who live in remote areas, experience issues which may not be distinct from those living in urban areas and the inner-city, these issues can be aggravated by geographic and demographic factors. By conducting online surveys and in-depth interviews, Stephen Kerry brings to light the issues for transgender people which are compounded by living in sparsely populated, remote communities. Namely social isolation, maintaining relationships with friends, family and partners, and the difficulties accessing health care. The book also includes significant findings on the experiences and treatment of Australia's trans Aboriginal people, also known as sistergirls and brotherboys. An analysis of first-person narratives by sistergirls and brotherboys reveals the racism within predominantly white trans communities and transphobia within traditional Aboriginal communities, which they are uniquely faced with. Trans Dilemmas represents an important contribution to contemporary research into the lives of

transgender Australians. It gives a voice to those transgender people living in the more isolated communities in Australia, which up until now, have been largely unheard. For students and researchers in Queer Studies and Gender Studies, this is valuable reading.

*Good News Bible* HarperCollins

*The Midwest Survival Guide* Tyndale House  
Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

King James Version World Pub

The CSB Rainbow Study Bible features a unique color-coding system that allows

readers to quickly and easily identify twelve major themes of Scripture throughout the biblical text: God, discipleship, love, faith, sin, evil, salvation, family, outreach, commandments, history, and prophecy. The system also underlines all the words directly spoken by God, Jesus, and the Holy Spirit. The Rainbow Study Bible is the No. 1 fully color-coded Bible with more than 3 million combined units sold! Other features include: 12-pages of color maps with index, a Bible reading calendar, Concordance, Subject guide, Outline of Old Testament History, "Where to Find It," "Know What God Says," Table of Weights and Measures, "100 Popular Bible Passages," and "365 Popular Bible Quotations for Memorization and Meditation," and more. The CSB Rainbow

Study Bible features the highly readable, highly reliable text of the Christian Standard Bible (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

**International Children's Bible** Thomas Nelson

Contains Old and New Testament with an introduction to all books of the Bible and a presentation page. This easy-to-read equivalence translation remains faithful to the Greek and Hebrew, and is suitable for devotional reading.

Good News Bible Holman Bible Publishers
