## **CARPENTER COLTON**

---

**A Little Peace** Crossway  
#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let's be honest, shit is f\*\*ked and we have to live with it." In his

wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F\*\*k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and

limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk,

filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F\*\*k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Conscience Scholastic Canada

When you breathe in all the grace available to you and release everything that is outside of your control, you'll discover peace that surpasses your circumstances. All it takes is practice. If you feel overwhelmed with anxiety about the future, you're far from alone. For many of us, when we're not worrying about what is to come, we find ourselves wrestling with things from the past. Where does that leave us today? Morgan Harper Nichols has learned the answer to this question. She has examined stories from her own life and the lives of

people around the world and noticed a common thread: we all long for peace. We're all seeking light and life. But these things don't happen passively. Peace Is a Practice invites you to become a peacemaker in your own life, starting right where you are, and in some of the most unexpected places. As these words and images inspire you to take daily steps toward peace, you'll uncover the key to: Embracing the beauty of the present Letting go of regret of the past and fear of the future Developing a path toward meaning and authenticity Approaching life's challenges with faith and a calm confidence Feeling peace even in the midst of uncertainty or difficult times In every moment, there is something as deep and boundless as a winding river waiting to be found--a true

peace that flows, beckoning you to rest . . . and be still.

**Peace Like a River** Sterling Publishing Company, Inc.

Living Peace is the first of seven books that are part of the Luminous Living Series. In this book, Alaric shares the Living Peace Code, nine tenets and practices that assist in raising one's vibration and consciousness towards enlightenment, plus four Sunrise and Sunset Meditations as well favorite Notes and Quotes and an introduction to the upcoming second book of the series, Living Joy. Alaric provides a rational and practical approach to spiritual lessons that allow humanity to rise above attachment, duality, and ego. You will learn how to master your thoughts, impulses, and emotions, promoting

prosperity, harmony, and success in all areas of your life. As Alaric often expresses, 'There is never a reason good enough to be out of alignment with peace.'

The Gift of Prayer Chronicle Books

A warm, comforting poem about finding peace in a community of neighbors  
 Peace is an offering. A muffin or a peach.  
 A birthday invitation. A trip to the beach.  
 Join this group of neighborhood children as they find love in everyday things—in sunlight shining through the leaves and cookies shared with friends—and learn that peace is all around, if you just look for it. With rhyming verse and soft illustrations, this book will help families and teachers look for the light moments when tragedy strikes and remind readers of the calm and happiness they find in

their own community every day.

**Everyday Sacred** Vanderbilt University Press

After Years of Hardship, Jenny's Life Appears Perfect. So Why Does Something Seem to Be Missing? Jenny Bontrager is finally at a place of love and belonging with her husband, Matthew, and his children. Life seems golden with both her family and career as a writer. But everything Jenny now believes in is thrown into question with the discovery of a long-lost letter from her father. Her sense of peace and contentment destroyed by betrayal, Jenny struggles with her renewed faith--and the love of everyone around her. "Barbara Cameron has written another wonderful, sweet story that tugs at the emotions. Amish fiction fans will definitely want to add A

Time for Peace to their library." -- Kathleen Fuller, best-selling author of *A Summer Secret*, *A Hand to Hold*, and *The Secrets Beneath* "A Time for Peace, Barbara Cameron's newest heartwarming story in the Quilts of Lancaster County series, invites readers to come on in, sit down around the table for a cup of tea while getting to know this Amish family where love is happening. When troubles and doubts come for Jenny, you'll be living her story with her and hoping she won't lose sight of that ribbon of love that so strongly binds these people together." Ann H. Gabhart, author of *The Outsider*, *Summer of Joy*, and *Angel Sister* "A Time for Peace is an inspirational story of working through some of the tough questions and situations life throws at

us. Barbara Cameron gives us another endearing Amish tale in this Quilts of Lancaster County series." - FreshFiction.com  
*Difficult Conversations* Macmillan  
What is Peace? is the eighth title in Etan Boritzer's bestselling children's books series on character education and values (for ages 4 to 10). In *What is Peace?* Etan continues to explore the themes of tolerance, diversity and non-violence. With numerous openings in the text for discussions between children and adults, *What is Peace?* will help children cultivate the thinking required for peaceful actions. By developing awareness of our internal conflicts and presenting skills to navigate through our sometimes hostile environment, *What is Peace?* allows the young reader to take a

thoughtful and positive journey through the complex issues connected with Peace.

*Things Fall Apart* Macmillan

A stunning, thought-provoking look at finding peace in children's lives. Peace is a familiar word, its meaning both simple and complex. Here, Wallace Edwards explores peace and invites young readers to think about what that means to them. Through a series of linked questions combined with Edwards's singular art, the concept of peace is picked up, shaken, turned all around, and carefully examined from every angle. Children experience stress, even violence, at home and at school and bear witness to news stories and family histories. There are many books on war for children; far fewer that examine

peace. *What Is Peace?* engages readers to think about peace in their day-to-day lives, and around the world.

*The Peace Book* Penguin

Dave Ramsey explains those scriptural guidelines for handling money.

*The Subtle Art of Not Giving a F\*ck*

Grand Central Publishing

How do you turn your struggles into strengths? Beloved Bible teacher Sheila Walsh teaches readers how the daily spiritual practices of confession, meditation on God's Word, and prayer result in fresh freedom in Christ. In her long-awaited book, Sheila Walsh equips women with a practical method for connecting with God's strength in the midst of struggle. From daily frustrations that can feel like overwhelming obstacles to hard challenges that turn

into rock-bottom crises, women will find the means to equip themselves for standing strong with God. Using the spiritual applications of confession, prayer, and meditation on Scripture to form a daily connection to Jesus, women will learn how to experience new joy as a child of God who is fully known, fully loved, and fully accepted. In *In the Middle of the Mess*, Walsh reveals the hardened defenses that kept her from allowing God into her deepest hurts and shares how entering into a safe place with God and practicing this daily connection with him have saved her from the devil's prowling attacks. Though we will never be completely "fixed" on earth, we are continually held by Jesus, whatever our circumstances. Sheila Walsh acts as our guardian in

the *Middle of the Mess* as she shows us we're not alone in our struggles, guides us through a courageous journey of self-discovery, and reminds us where to find hope, comfort, and strength in tough times.

[The Peace God Promises](#) Jaico Publishing House

Peace is making new friends. Peace is helping your neighbor. Peace is a growing a garden. Peace is being who you are. The *Peace Book* delivers positive and hopeful messages of peace in an accessible, child-friendly format featuring Todd Parr's trademark bold, bright colors and silly scenes. Perfect for the youngest readers, this book delivers a timely and timeless message about the importance of friendship, caring, and acceptance.

*What Does Peace Feel Like?* Lumen Deo  
 Every year, a group of Isha meditators sets out on a tour of the Himalayas. Accompanying them on this journey is Sadhguru – a spiritual master considered by many to be one of the foremost living yogis on the planet. This is a book for those who stayed behind. It is a chance to make a pilgrimage on the page, travelling through the unpredictable but fascinating terrain of the master’s words. Amalgamating discourses and conversations from several yatras, it is a blend of the specific and the timeless. This book is not just about the Himalayas. And yet, the book would never have happened without the Himalayas. The mountains play a vital role in the text, alternately as context and catalyst, mood and metaphor.

Without them, some of the questions in this book would never have been asked. Even if they sometimes seem tangential to the line of enquiry, they remain a powerful subterranean presence, eventually becoming the very bedrock of this book.

*A Time for Peace* HarperCollins

“A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world.” —Barack Obama  
 “African literature is incomplete and unthinkable without the works of Chinua Achebe.” —Toni Morrison  
 Nominated as one of America’s best-loved novels by PBS’s *The Great American Read* Things Fall Apart is the first of three novels in Chinua Achebe’s critically acclaimed African Trilogy. It is a

classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, *Things Fall Apart* explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, *Things Fall Apart* provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our

understanding of our contemporary realities.

*Why Do I Feel Like This?* Hay House, Inc  
Peace. What does that word really mean? Ask children from around the world, and this is what they say....

Peace is an Offering WaterBrook  
Teaches how to say peace in 20 different languages to celebrate the International Day of Peace.

Peace in the Heart & Home Penguin  
A stimulating and innovative consideration of the concept, causes, and practice of peace in societies both ancient and modern, human and primate. We know a great deal about aggression, conflict, and war, but relatively little about peace, partially because it has been such a scarce phenomenon throughout history and in

our own times. Peace is more than the absence of war. Peace requires special relationships, structures, and attitudes to promote and protect it. A Natural History of Peace provides the first broadly interdisciplinary examination of peace as viewed from the perspectives of social anthropology, primatology, archeology, psychology, political science, and economics. Among other notable features, this volume offers: a major theory concerning the evolution of peace and violence through human history; an in-depth comparative study of peaceful cultures with the goal of discovering what it is that makes them peaceful; one of the earliest reports of a new theory of the organization and collapse of ancient Maya civilization; a comparative examination of peace from

the perspective of change, including the transition of one of the world's most violent societies to a relatively peaceful culture, and the decision-making process of terrorists who abandon violence; and a theory of political change that sees the conclusion of wars as uniquely creative periods in the evolution of peace among modern nations.

*Restoration House* Harper Collins  
Juxtaposes photographs from around the world with a simple message about our responsibilities for making and keeping peace on the planet.

**A Little Peace of Mind** Zondervan  
"Why do I feel this way?" Sometimes life is a mess and we get overwhelmed by all sorts of conflicting, difficult emotions. We might be stressed or weary, anxious or fearful, paralyzed by insecurity or

crushed by pain. Worse yet, some well-meaning people invalidate our feelings and tell us to just cheer up and forget our worries. Rather than bypass the reality of our feelings, we need to enter into them and listen to what they're telling us. Psychology professor and personal development coach Dr. Peace Amadi helps us navigate the complexity of our emotions, from discouragement and hurt to trauma and depression. She explains the dynamics underlying what we feel and gives practical resources for living through our emotions in healthy ways. With insights from both psychology and Scripture, this book offers you a clear plan to get your peace and freedom back and find your joy again.

**Waging Heavy Peace** Zondervan

There is an increasing number of divisive issues in our world today, all of which require great discernment. Thankfully, God has given each of us a conscience to align our wills with his and help us make wise decisions. Examining all thirty New Testament passages that touch on the conscience, Andrew Naselli and J. D. Crowley help readers get to know their consciences—a largely neglected topic—and engage with other Christians who hold different convictions. Offering guiding principles and answering critical questions about how the conscience works and how to care for it, this book shows how the conscience impacts our approach to church unity, ministry, and more.
