Habermas and the Unfinished Project of Modernity: Critical ...While Habermas has stated that the Enlightenment is an "unfinished project," he argues it should be corrected and complemented, not discarded. In this he distances himself from the Frankfurt School, criticizing it, as well as much of postmodernist thought, for excessive pessimism, radicalism, and

exaggerations.

Jürgen Habermas - Wikipedia

Habermas occupies a key position in the debates about modernity and postmodernity. His qualified defence of the Enlightenment, and his conception of modernity as an "unfinished project", represent one of the most compelling alternatives to the claims of postmodernism.
