Many of us live a mundane existence in which we get up, go to work, come home, and go to sleep. This cycle keeps repeating each and every day. The worst part is that we likely work a job that we don't enjoy doing, but we keep working that job in order to provide for our family. Stop right now and pay attention, because it doesn't have to be that way. This book; *Stir Up the Gift Within*, encourages people to use their talents to do what they love. It teaches people exactly how to find their talents so that they can use them to pursue their passions in life. There are bigger dreams and goals lurking inside each and every one of us; we need to stir up that gift within us. The difference between successful people and ordinary people is that successful people take action and pursue their dreams. Ordinary people tend to accept what life has thrown at them without trying to make any changes or go against the ideals of society in order to seek out that better life. All successful people found a way to use their talents to do what they love. The hardest part was learning how to do it, and that is exactly what you will learn in this book.

"Beauty is skin deep, but ugly is to the bone." That's what Kat's grandfather used to say. With the global games only a few months away, her jump team encounters serious financial troubles. Their only chance is for Kat to take the enticing, though questionable investment offer from Lorenzo Watt. One look at his handsome face reminds her of Granddaddy's warning. She wonders if Lorenzo is worth the risk of a deeper look. Lorenzo knows his looks are a commodity, an asset to charm and manipulate gorgeous women into marrying off-worlders. To him, it's just a job that repays a debt. Complications arise when he is assigned to lure Kat into being a starbride. He didn't expect her to be quite so challenging, nor did he anticipate the lure of her beauty.

Even the actions of a single person can help to change the world. How? Through simple acts of leadership and compassion. Open up this book, and discover the true stories of people whose actions have caused a chain reaction at work and in their communities. Among them: A manager who gives an employee some supportive praise, and as a result literally saves his life (page 231). A small group of bank tellers who spearhead a movement to raise millions of dollars for breast cancer, making it the biggest fundraiser in North America, and enhancing their company's reputation (page 213). A sales manager who gets a copy of a groundbreaking book that leads to a transformation of the company's operations. As a result, hundreds of millions of pounds of carpet waste avoid the landfill, and the company sparks a revolution in its industry (page 12). A "responsibility revolution" is shaking up corporate America. In this provocative and insightful book, bestselling author Tim Sanders reveals why companies must to go beyond making a profit and start making a difference. Every one of us, regardless of title or position, can inspire our companies to change the way they do

business, helping them to become a positive force for enriching people, communities, and the environment. When this happens, not only do we help save the world, we help save our companies from becoming irrelevant. We also become part of what Sanders calls the Responsibility Revolution. Companies that don't participate in this revolution risk becoming obsolete. Today customers, employees, and investors are demanding that companies focus on their social responsibilities—not just their bottom lines. Sixty-five percent of American consumers say they would change to brands associated with a good cause if price and quality were equal; 66 percent of recent college graduates will not work for companies with poor social values. And more than sixty million people are willing to pay a premium for socially and environmentally responsible products. In *SAVING THE WORLD AT WORK*, Tim Sanders offers concrete suggestions on how all of us can help our companies join the Responsibility Revolution. Drawing on extensive interviews with hundreds of employees and CEOs, and illuminated by countless stories of people who are making a difference in the workplace and in the world, Sanders offers practical advice every individual and company can use to make the world a better place—now and in the future.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Love Is the Killer App: How to Win Business and Influence Friends." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Bethany Lopez has loved writing for as long as she can remember, but her love of cooking came a little bit later in life. In *Love & Recipes*, she combines the two into one fun cookbook. With recipes ranging from easy to difficult, she's incorporated dishes for every home cook. And, because each dish comes from the pages of her fiction novels, each recipe references back to the book and/or character from which the dish derived. Whether making a quick dinner for two, or looking for that perfect dish to bring to your family's holiday dinner, *Love & Recipes* has the dish for you!

Grief put her down. Can love pick her up? Newlyweds Renny and Adam Carter have been married for six wonderful months. One evening their peaceful ride down a misty two-lane road in Whisper, North Carolina is tragically interrupted. They're hit by a truck carrying tree logs. Renny's husband is

instantly killed. She escapes with a broken life, a broken heart, and a fractured mind. Merek Spencer's mother was kidnapped fifteen years ago. The event shocked the small and idyllic town of Whisper. But soon the spectacular crime lost its luster, and things returned to normal for everyone except Merek and his father, James, who blames himself for the crime. For this reason, Merek has had to play role reversal with his father. And despite Merek's model good looks, he is a loner by choice, working late hours as an architect. At age 36, he has had plenty of opportunities to open himself up to love, but for some reason he cannot. All of that changes when he meets Renny Carter on the worst night of her life. He pulls her out of a wrecked car and his long dormant feelings awaken from their deep sleep. Reluctantly and ashamedly, Renny also feels the connection. Merek and Renny part ways never expecting to see one another again. Fate has another plan. How soon should love arise after a devastating loss? Can such a love be legitimate? What about the guilt? Can such a love be of God?

All I ever wanted was to be a female fighter. It was in my blood to smack people around. Some girls wore pink dresses and makeup, I wore sneakers and bruises. I was a loner, stuck to myself because I was different, until Camden Steel moved next door. I punched him in the mouth, and he saw me through rose colored glasses from that day on. I had everything I ever wanted. The boy next door, inspiring career... until I didn't. He hates me. I deserve that. They say you have to fight for what you want... What they don't tell you... is it'll cost you more than you're willing to give to reach the top.

"The bestselling author of *Love Is the Killer App* unveils a methodology that sales managers and account executives can use to solve their team's toughest problems by combining the wisdom and creativity of everyone who has a stake in the sale. B2B sales reps often find that their deals get stuck at a crucial point in the decision-making process. This book is Tim Sanders's guide to breaking through the resistance and getting the deal unstuck using a scalable, repeatable process that he calls "Dealstorming." By including a diverse group of individuals in the organization who has a stake in the sale, questioning existing assumptions, and channeling the collective experience of the group, sales teams can uncover creative solutions to closing otherwise impossible deals. In Sanders's experience as a sales executive and consultant, utilizing this process has led to a stunning 70 percent close ratio. Take, for example, the way Alyssa Wichman of CareerBuilder used dealstorming to break a deadlock with staffing firm Allegis. When she found out that Allegis was sponsoring a golf tournament to raise money for their favorite nonprofit, she and her team sat down to come up with ways to meet the Allegis executives there, going so far as to take over manning a beer cart on the course to speak with the execs on the ninth hole. They were impressed she'd gone to such lengths

Love is a Killer is a compilation of poems and songs on the subject of LOVE; more specifically: HEARTBREAK. But WAIT!... This is no ordinary collection of sorrowful musings: split into four parts, this book explores the dark depths of not only the fragile human heart, but also the twisted mind of love-crazed killers and love-sick monsters. This is HEARTBREAK; with a twist of madness, and a splash of Rock 'n' Roll! This is the first publication from British Indie Horror film maker/director/actress/writer, Claire Fluff Llewellyn. A former singer/songwriter who currently resides in the US, where she makes movies under the banner of 'Bloody Brit Productions'. A life-long fan of the horror genre, she incorporates a sense of the macabre in all her work, along with a wicked sense of humour.

A look at why we are interested in what we see in art. Are we born with aesthetic preferences that are shaped by cultural influences? Is our natural attraction to Beauty another weapon in our arsenal of species' survival? This book examines many so-called rules of composition in the visual arts to find natural reasons for their existence. It is designed to aide the visual artist and those who appreciate their work by bringing attention to subtle cues of attraction cultivated by our ancient and immediate ancestors. It calls upon recent work in neuroaesthetics and other scientific disciplines to back up its speculative claims, and asks the reader to contribute opinions of their own on the books' website at naturallycomposed.com. There are many examples of photos in the book, and the reader is again asked to insert their own examples to enforce or refute the claims.

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you... You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"
