Three-time Hugo Award winner and NYT bestselling author N. K. Jemisin challenges and delights readers with thought-provoking narratives of destruction, rebirth, and redemption that sharply examine

modern society in her first collection of short fiction, which includes never-before-seen stories. "Marvelous and wide-ranging." -- Los Angeles Times "Gorgeous" -- NPR Books "Breathtakingly imaginative and narratively bold." --

Entertainment Weekly  
Spirits haunt the flooded streets of New Orleans in the aftermath of Hurricane Katrina. In a parallel universe, a utopian society watches our world, trying to learn from our mistakes. A black mother in the Jim Crow South must save her daughter from a fey offering impossible promises. And in the Hugo award-nominated short story "The City Born Great," a young street kid fights to give birth to an old metropolis's soul.

Love will find a way - 19 fantastic future-set romances. The good news is, in the future there will be no shortage of

romance. On space ships, on newly-colonized planets or on a barely recognizable Earth, life forms, whether human, alien or something in between, will find their way to love. As giant corporations grasp new opportunities for profit and future armies clash, both in deep space and 'dirtside', former romantic partners try to put the past behind them and time-travelling rebels set out to romance the past. These science fiction stories of future love and lust - by Marcella Burnard,

Bianca d'Arc, Jess Granger, Linnea Sinclair, C. L. Wilson and many more - are brimming with passion and humour. So, even though in space no one can hear you scream, they might just be able to hear you laugh.

The Mammoth Book of Paranormal Romance 2

Robinson

are Martin Amis, Poppy Z. Brite, Carol Ann Davis, and Lawrence Schimel.

**The Male Nude in Photography** Robinson  
Everfair is a wonderful Neo-Victorian alternate history novel that explores the question of what might have come of Belgium's disastrous colonization of the Congo if the native populations had learned about steam technology a bit earlier. Fabian Socialists from Great Britain join forces with African-American missionaries to purchase land from the Belgian

Congo's "owner," King Leopold II. This land, named Everfair, is set aside as a safe haven, an imaginary Utopia for native populations of the Congo as well as escaped slaves returning from America and other places where African natives were being mistreated. Nisi Shawl's speculative masterpiece manages to turn one of the worst human rights disasters on record into a marvelous and exciting exploration of the possibilities inherent in a turn of history. Everfair is told

from a multiplicity of voices: Africans, Europeans, East Asians, and African Americans in complex relationships with one another, in a compelling range of voices that have historically been silenced. Everfair is not only a beautiful book but an educational and inspiring one that will give the reader new insight into an often ignored period of history.

Mammother Robinson Paranormal romance is a supernatural force to be reckoned with. Although

packed with a menagerie of werewolves, shapeshifters and assorted demons, its undisputed king is none other than our favourite centuries-old bloodsucker - the vampire. We're now living in a post-Buffy world of dark urban fantasy à la Laurell K. Hamilton's Anita Blake, Sherrilyn Kenyon's irresistible Dark Hunters and the blood-lusting soul mates of Christine Feehan. But it doesn't stop there. This Mammoth collection opens a vein to reveal the mind-boggling scope of the

supercharged phenomenon created when vampires met romance. Let the biggest and brightest names in the paranormal romance business take you hot on the haemoglobin trail of the sexiest creatures of the night. Witness the bewildering array of complex vampire codes of conduct, dark ritual and dating practices, as they chat up the locals and engage in the most erotic encounters you will sink your teeth into this side of un-Death. These ain't your mother's vampires!

*Amorous Woman* Robinson  
 From Lewis Miller, the celebrated floral designer and "Flower Bandit" himself, an intimate and joyous behind-the-scenes look at his signature Flower Flashes as they introduced bright moments of natural

beauty into the city when they were needed most. Before dawn one morning in October 2016, renowned New York-based floral designer Lewis Miller stealthily arranged hundreds of brightly colored dahlias, carnations, and mums into a psychedelic halo around the John Lennon memorial in Central Park. The spontaneous floral installation was Miller's gift to the city—an effort to spark joy during a difficult time. Nearly five years and more than ninety Flower Flashes

later, these elaborate flower bombs—bursts of jubilant blooms in trash cans, over bus canopies, on construction sites and traffic medians—have brought moments of delight and wonder to countless New Yorkers and flower lovers everywhere, and earned Miller a following of dedicated fans and the nickname the "Flower Bandit." After New York City entered lockdown, Miller doubled down, creating Flower Flashes outside hospitals to express gratitude to

frontline health workers and throughout the city to raise spirits. This gorgeous and poignant visual diary traces the phenomenon from the first, spontaneous Flower Flash to the even more profound installations of the pandemic through a kaleidoscopic collage of photos documenting the Flower Flashes, behind-the-scenes snapshots, Miller's inspiration material, fan contributions, and more. *The Mammoth Book of New Erotic Photography* Hachette UK

The story of an American woman's love affair with Japan and her intimate relationships with the many men and women she meets along the way. This modern reimagining of Ihara Saikaku's bawdy 17th-century novel of the pleasure quarters, *The Life of an Amorous Woman*, offers a graphic, erotic tale that challenges everything we think we know about Japan.

**Flower Flash** Robinson Outrageous, delightfully shocking confessions from ordinary women doing extraordinary things -

spanking, domination and submission, group games, and every other kind of downright rude and kinky fuckery you can imagine, as well as some you probably can't. Chloë wasn't the least bit worried about her job performance evaluation - sure, she was the bottom performer in terms of sales, but as she put it, 'What a spankably fine bottom it is.' Wanting to get away from sexual temptation, Natalie takes a job teaching exercise in a health hydro, but fellow instructor Jade introduces

her to some delicious extra-curricular activity . . . Tanya's a shy girl, but her girlfriend knows exactly what shy girls need and she's willing to use some very unfair tactics to get her way. Rose is the perfect desperate housewife - rich, pampered and BORED! She's given a thrill when a young sales assistant does more than measure her inner thigh - she spreads them wide . . . and many more confessions.
