JOHNNY HAMILTON

A First Love Romance Stylus Publishing, LLC.

"Now a major motion picture! Includes full-color movie photos and exclusive content!"--Dust jacket.

Me and Ma Justfiction Edition

In the village of Takht Hazara, the musically gifted Deedho Ranjha struggles against family and society. He rejects the pursuit of wealth and power as the measure of a man's worth. In distant Jhang, the spirited Heer Syal is an accomplished warrior who fearlessly challenges the norms of her community. Heer and Ranjha are destined to meet and fall in love—the former chastised for her 'manly' pursuits and the latter ridiculed for his lack thereof. Told from multiple perspectives, set against the lush riverbanks and rugged countryside of West Punjab, this is a wise, passionate and lyrical retelling of one of the subcontinent's most beloved epics. A rich cast of characters—Kaido Langra, Jhang's seemingly pious conscience-keeper; Malki, the mother of a daughter she cannot understand; Seida Khera, Heer's hapless fiancé; a silent, watchful crow; a flock of excitable pigeons who bear witness and a philosophical goat—all play their part in bringing this stirring story to life. Manjul Bajaj scratches away at the many meanings of love in the timeless tale of Heer-Ranjha, who dreamt not only of love for themselves but of a kinder, freer and fairer world for all of creation.

The Unlikely Adventures of the Shergill Sisters Tor Books

I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer. Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie,

help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well... things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well... I might need a little more practice.

Indian Popular Cinema Star Bright Books

This Book Contains Four Stories: Sohni-Mahiwal; Heer-Ranjha; Sassi-Punnu And Mirza-Sahibaan. They Are Essentially The Same Story Told Four Times Over. In Essence, The Lover Focuses All His Thoughts And Feeling Upon The Beloved Ones And, Because Of This Phenomenon, He Is Motivated To Develop Goodness. Then, From The Lover, The Goodness Radiates To Embrace The Entire World And All Humanity And Suffuses Them With Its Light.

Sight and Sound University of Washington Press

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Bottle of Lies Vikas Pub

'Divya writes of difficult times with candour and heart-rending simplicity' Shabana Azmi Capturing the beauty of a mother-daughter relationship, Divya Dutta in this moving memoir celebrates her mother's struggles to turn her into the woman she is today. Divya walks us through the most intimate memories of her life, those that strengthened her relationship with her mother. The incredible bond she forged with her mother helped her through tragedies and difficulties, discouragements and failures and led her to become an award-winning actor of stature, both in the Hindi as well as the Punjabi film industry. *Me and Ma* is a celebration of Divya's exemplary achievements. It is also an honest, intimate and heartfelt tribute to the force behind her success—her mother.

In Search of Heer HarperCollins

In 2017, Amrit Singh experienced the deaths of his grandmother and uncle. Soon after, his mother was diagnosed with a life-threatening illness. Raised in a family that lacked open communication among each other, Amrit struggled to understand his place in the world as the lives and histories of the people closest to him were being lost to time. When the family comes together to care for his mother over the course of her treatment, Amrit begins a journey of unearthing and preserving the stories of his elders. He discovers the details of his father's years travelling undocumented and working at sea, the political and economic factors that sparked his family's relocation out of Punjab, the challenges they faced as new immigrants in Canada, and how key moments of his life still connect to his parents' migration. 'Keep Moving On' is a memoir that finds parallels between family members born in different eras and circumstances, and explores themes of mental health, intergenerational trauma, religion, death, and race through the lens of Amrit's upbringing as a first generation Sikh-Canadian. It is a story of discovery, hope, resilience, and the importance of making the most of the present.

A Novel HarperCollins

Reese Witherspoon's Book Club Pick A lively, sexy, and thought-provoking East-meets-West story about community, friendship, and women's lives at all ages—a spicy and alluring mix of *Together Tea* and *Calendar Girls*. Every woman has a secret life . . .

. Nikki lives in cosmopolitan West London, where she tends bar at the local pub. The daughter of Indian immigrants, she's spent most of her twenty-odd years distancing herself from the traditional Sikh community of her childhood, preferring a more independent (that is, Western) life. When her father's death leaves the family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a "creative writing" course at the community center in the beating heart of London's close-knit Punjabi community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki realizes that beneath their white dupattas, her students have a wealth of fantasies and memories. Eager to liberate these modest women, she teaches them how to express their untold stories, unleashing creativity of the most unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community's "moral police." But when the widows' gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared among friends, it sparks a scandal that threatens them all.

Legacies of the Homeland Pantheon

The blue-eyed boy of Indian publishing, Abhimanyu Razdan is known for his bestselling romances, which move his readers to tears. PaperInk, an up-and-coming publishing house, is looking for an A-list author who will take them to the next level. So, when Abhimanyu's contract with his current publishers comes to an end, PaperInk decides to swoop in. But Abhimanyu isn't quite like the emotional and sensitive characters in the novels he writes. Callous, egoistic and drunk on success, he gets into a hot argument with Asmita, PaperInk's literary fiction editor, even before his first meeting with them. Already put off, despite her apology, he is even more incensed when he discovers that Asmita looks down on popular fiction, especially the kind he writes. He vows to teach her a lesson that could jeopardize her job. At each other's throats, Abhimanyu and Asmita are as different as can be, but fate has something else in store and they soon find that there is no running away from love.

I Love to Brush My Teeth Szeretek fogat mosni Knopf Books for Young Readers

Mama and her toddler turn an outing to the grocery store into a fun opportunity to talk, and learn a little math along the way. Mama fills their cart with items in quantities of one and two, and lets her baby hold each item, connecting each action to the number of hands baby has. In this way baby begins to understand simple math. Back home Mama shares one banana between the two of them and baby proudly recognizes two pieces, thus showing an understanding of the concept of two. This joyful story shows adults how to talk and introduce children to the concept of numbers and how math is part of daily life.

Banana for Two (Chinese/English) Faber Music Ltd

A comprehensive assessment of the economic, social and cultural impacts of migration within South Asia This book addresses the concept of migration with the aim of building theory as well as drawing from existing theories to understand South Asian realities. It highlights the less-explored cultural dimensions of migration—music, literature, cinema and art—thereby extending migration research into the realms of security discourse. The author explores how ideas migrate along with people, and the extent to which the process of transformation and adaptation of these ideas is necessitated by social interactions in the adopted society. Since South Asia is culturally diverse, most migrants need to adapt themselves to unfamiliar social milieus, and this juxtaposition finds expression in rich and diverse cultural forms. The book will be indispensable to researchers and scholars of migration studies, South Asia studies, social anthropology and international relations.

Devdas HarperCollins

The year is 1971 Tension is brewing between India and Pakistan One secret could change the course of history . . . It's now up to her When a young college-going Kashmiri girl, Sehmat, gets to know her dying father's last wish, she can do little but surrender to his passion and patriotism and follow the path he has so painstakingly laid out. It is the beginning of her transformation from an ordinary girl into a deadly spy. She's then married off to the son of a well-connected Pakistani general, and her mission is to regularly pass information to the Indian intelligence. Something she does with extreme courage and bravado, till she stumbles on information that could destroy the naval might of her beloved

country. Inspired from real events, Calling Sehmat . . . is an espionage thriller that brings to life the story of this unsung heroine of war.

Wonder Houghton Mifflin Harcourt

First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

The Skeleton and Other Stories Penguin Books

A unique publication, the first of its kind in literature, co-authored by a social scientist and a film historian, providing a powerful critical analysis of the culture and history of the Indian film as an art form and popular medium. T.V. Sathyamurthy, Professor of Politics at University of York, England, on the first edition of this acclaimed book. The book reviews nine decades of Indian popular cinema and examines its immense influence on people in India and its diaspora. Since it was published in 1998, Indian film has developed in new directions. As films today vie with Indian soap operas for popularity, film making in India has acquired 'industry status' and consequently has greater accountability to its public. All this is reflected in this new and extensively revised edition of Indian Popular Cinema. It tracks the rise of 'designer cinema', reviews the increasingly significant Tamil cinema, and considers films made by Indians in the diaspora.

Unsuitable Boy Notion Press

Uzma Jalaluddin's Ayesha at Last meets Jane Igharo's Ties That Tether in this own voices comedy of manners set in Mumbai where modernity jostles with tradition. Zoya Sahni has a great education, a fulfilling job and a loving family (for the most part). But she is not the perfect Indian girl. She's overweight, spunky and dark-skinned in a world that prizes the slim, obedient and fair. At 26 she is hurtling toward her expiration date in Mumbai's arranged marriage super-mart, but when her auntie's matchmaking radar hones in on the Holy Grail of suitors--just as Zoya gets a dream job offer in New York City--the girl who once accepted her path as almost option-less must now make a choice of a lifetime. Big-hearted with piercing social commentary, The Rules of Arrangement tells a powerful, irresistibly charming and oh-so relatable tale of a progressive life that won't be hemmed in by outdated rules. But not without a few cultural casualties, and of course, an accidental love story along the way.

The Invisible Life of Addie LaRue Penguin

The trademark hat, booming rich baritone, intent smouldering

eyes, a towering height, and an imposing presence only a dramatic description would possibly delineate this versatile painter of sinister strokes, who left a tremendous, hypnotic impact on Indian cinema. Amrish Puri, whose voice could send shivers down your spine, while his antics made you chuckle; his costumes could drive you nuts, and his one-liners ranging from Mogambo khush hua to Dong kabhi wrong nahin hota became household parlance. The industry's ace villain was credited with bringing the hitherto mundane villainy into strobe light, and lent it a pride of place on the billboard with his unmatched histrionics. This son of the soil, born in the heart of Punjab in Naushahr, spent his formative years in the hilly regions and trekked miles in the Valley of Simla, the summer capital of British India. He followed his creative instincts in college rather surreptitiously, given the stern scrutiny of a conservative, authoritarian father. Moved to the tinsel town of Bombay in the early 1950s, where his elder siblings Chaman and Madan Puri were already groping in the glamour world and he had to write his own destiny. After initial heartbreaks, dejected as a hero aspirant, he turned to theatre and created an amazing repertoire essaying some of the most challenging roles under the aegis of stalwarts, like Ebrahim Alkazi, Satyadev Dubey, Vijay Tendulkar, Girish Karnad, Badal Sircar and Mohan Rakesh, among others. But pursuing this innate passion for stage didn't provide for livelihood; bread and butter came from the rigmarole of a clerical job in a government office. And recording advertisement jingles and radio plays extended a little icing on the cake. The providential break on the silver screen came at an age when lesser mortals would be resolving mid-career crisis. And once again, he made a distinct mark in offbeat, parallel cinema of Shyam Benegal and Govind Nihalani, as he subtly transplanted the stark profundity of theatre on to celluloid.

But the real litmus test was the commercial viability of his talent, as he could also rake in revenue at the box-office. Here too, he graduated with stunning performances, and became the highest paid villain breathing life into characters as the bald baddie, the cold-blooded don, the ruthless politician, the lecherous viper. The Machiavellian prince evoked the essence of evil and went on to build a treasure of excellence, whether he played a wily father or an affectionate patriarch. This star-actor became a reckoning force in both Hindi and regional films with over 300 titles in his kitty. His brilliant renditions elicited the attention of renowned Hollywood director Steven Spielberg, thus emerging on the international horizon. The book captures poignant moments in the life of a terrific performer with the class act of a chameleon, who depicted an era that encountered the most challenging facet of blending art and commerce, seeking triumph over the paradox of playing the negative and positive, to create cinematic history. Hats off!

Date Me Like You Mean It Random House India

A Punjabi Californian Love Story. After his separation from his childhood sweetheart Mahi, the headstrong but heartbroken Indo, gets involved with Jasleen, the free-spirited daughter of a wealthy, domineering family. But just as their relationship begins to blossom, an unexpected turn of events brings chaos into their lives and intertwines Indo's past with his present.

A Novel Routledge

"The skeleton ... [is] set against the background of religious and clan feuds on the eve of Partition ... That man is a compelling account of a young man born under strange circumstances and abandoned at the altar of God"--Page 4 of cover.

Justice for Jassi HarperCollins

This book is not intended to provide a list of the 100 'best' books ever written and published by Punjabi authors. Given the sheer

range of books written by Punjabi authors and the unpredictability of individual taste, any such definitive list is quite impossible. Secondly, the choice has been restricted to books that were written by them either in Punjabi, Hindi or Urdu but have been translated into English. Thus, personal choice restricted by availability has dictated this selection. The choice of books includes autobiographies, novels, short stories, poems, and plays. Research books, religious books, and books written originally in English have not been included. From the Introduction I am amazed at the scholarship, the passion and the love with which Paramjeet Singh has written this book. It will be a reference volume for all times. Nirupama Dutt Poet, Journalist & Translator Mr. Singh's effort is commendable as he is making available some of the rarest of gems of Punjabi literature to the non-Punjabi readers. I congratulate Mr. Singh on putting together this selection and hope that non-Punjabi readers of this book would find new horizons of cultural experience opening up before them. Of course, for Punjabi readers, it may be yet another opportunity to experience a sense of genuine pride in their rich legacy of language, literature and culture. . Prof. Rana Nayar

A Novel Crooked Lane Books
