Tractor Field Book Doubleday Books
Ranging from simple model variations to

those machines built for specific purposes, this industrial-grade volume chronicles the "other line" of John Deere machinery. A mainstay in heavy industry and construction sites throughout the world, John Deere Industrials begins with coverage of the popular A-series with its yellow paint and the letter "I" added to the model designation that has become the hallmark of these incredible machines. (Delayed from Spring 2002)

Media Records Salamander Books
Vols. for 1919- include an Annual statistical issue (title varies).
