VANESSA LIVINGSTON

Edmond Dédé and the Unfinished Revolutions of the Atlantic World

Springer

The adventures and attitudes shared by the American writers dubbed "The Lost Generation" are brought to life here by one of the group's most notable members.

Feeling alienated in the America of the 1920s, Fitzgerald, Crane, Hemingway, Wilder, Dos Passos, Crowley, and many

other writers "escaped" to Europe, some forever, some as temporary exiles. As Cowley details in this intimate, anecdotal portrait, in renouncing traditional life and literature, they expanded the boundaries of art.

Exiled in America Yale University Press

As a consequence of their support for the royalist cause in the English civil wars, several hundred Cavaliers, often accompanied by their families, went into exile in Europe for periods ranging from a few weeks to twenty years. This is an original, ground-breaking study, that

identifies which Cavaliers went into exile and explains how they coped with the wide range of circumstances that they encountered in the different countries in which they settled.

[James II: King in Exile](#) C R Butterworth
Publisher Description

Or Realities of Australian Life Oxford
University Press

Political exiles were a prominent feature of political life in Renaissance Italy, often a source of intense concern to the states from which they were banished, and a ready instrument for governments wishing

to intervene in the affairs of their rivals and enemies. This book, first published in 2000, provides a systematic analysis of the role of exiles in the political life of fifteenth-century Italy. The main focus is on the experiences and reactions of the exiles, and on how Italian states dealt with their own exiles and those of other powers. Siena, notorious in the 1480s for the numbers of her citizens in exile, is used as the model with which other cities are compared. Such a detailed study of the phenomenon of exile also provides alternative perspectives on the nature and power of governments in fifteenth-century Italy, and on ideas about the legitimacy of political authority and political action.

Life on the Margins in a Residential Motel

Spectra

Residential motels have long been places of last resort for many vulnerable Americans--released prisoners, people with disabilities or mental illness, struggling addicts, the recently homeless, and the working poor. Cast aside by their families and mainstream society, they survive in squalid, unsafe, and demeaning circumstances that few of us can imagine. For a year, the sociologist Christopher P. Dum lived in the Boardwalk Motel to better understand its residents and the varied paths that brought them there. He witnessed moments of violence and conflict, as well as those of care and compassion. As told through the voices and experiences of motel residents, *Exiled in America* paints a portrait of a vibrant community whose members forged identities in response to overwhelming stigma and created meaningful lives despite crushing economic instability. In addition to chronicling daily life at the Boardwalk, Dum follows local neighborhood efforts to shut the establishment down, leading to a wider analysis of legislative attempts to sanitize shared social space. He also suggests

meaningful policy changes to address the societal failures that lead to the need for motels such as the Boardwalk. The story of the Boardwalk, and the many motels like it, will concern anyone who cares about the lives of America's most vulnerable citizens.

The Cavaliers in Exile 1640-1660 Lodgings in Exile A Novel Accommodation in the Religion of Israel from the Settlement to the Exile Annual Meeting Exile Society Friday Evening, November 17, 1939, Bellevue-Stratford Hotel, Philadelphia Reimagining the Stages of Exile Carmen Aguirre's The Refugee Hotel The Cavaliers in Exile 1640-1660 Illustrated with prints from a unique archive of glass and celluloid negatives from the Aegean island of Anafi, this book deals with the life of people who were sent into internal exile under the Metaxas dictatorship (1936-1942). Like others before and after, this regime used imprisonment, internal deportation and exile as a means of containing and isolating a wide variety of people who were thought to be 'public dangers'. Drawing on published and unpublished memoirs and on firsthand accounts of

former exiles, it gives a vivid picture of a by no means unified collection of people, facing a common set of problems on an island at the borders of the Greek State. During the Occupation, the Anafi exiles faced privation, hunger and finally the dissolution of the commune. This is a human drama which will interest a wide range of readers.

Exile's Children Cambridge University Press

Using detailed studies of fifteen exiled royal figures, the role of Exile in European Society and in the evolution of national cultures is examined. From the Jacobite court to the exiled Kings' of Hanover, the book provides an alternative history of monarchical power from the 16th to 20th century.

Israel Yearbook on Human Rights, Volume 9 (1979) Dreamspinner Press

An enchanting story about a boy living in a hotel who befriends an eccentric old lady claiming to be a queen in exile.

Carmen Aguirre's The Refugee Hotel OUP Oxford

Despite reports of exile proving disastrous to the region, 300,000 Russian subjects, from political dissidents to the elderly and

mentally disabled, were deported to Siberia from 1823-61. Their stories of physical and psychological suffering, heroism and personal resurrection, are recounted in this compelling history of tsarist Siberian exile.

Lodgings in Exile Bucknell University Press

The Artistry of Exile is a new reading of one of the most important themes of nineteenth-century literature. Exile represents a crisis in the always present tension between self and culture, the disturbance of memory, the quest for home, and the survival or not of life's heart quakes — all of which became identifying features of canonical Romanticism. Focusing on two interlinked groups of writers who, for various reasons, felt cast out of England and sought refuge in Italy, this book traces the material and metaphoric dynamics of distance in poems, novels and epistolary conversations. The book brings into dialogue the self-alienation and existential antagonism of the Cain figure with the contingencies of real travel: conversations about writing desks, lost parcels of books, missing pans and stray camels. Domestic

and cosmic perspectives mingle as the book reveals how writers realize the full resonance of Dante's vivid summation of exile in the taste of different bread and the difficulty of another man's stairs. As a country that only exists in the early nineteenth-century as a memory, Italy both embodies and energises formal attempts to bridge the distance created by exile in the work of the Byron-Shelley circle and the later Barrett-Browning-Browning collaboration. Examining these writers in relation to Italian art, sound, religion, narrative art and history, the book presents a new perspective on Romantic canonicity and relocates contemporary ideas of cosmopolitanism in the aesthetic, ethical and political debates of the late Romantic and early Victorian world.

Haji's Exile Two Roads

On the accession of Louis XIII in 1610 following the assassination of his father, the Bourbon dynasty stood on unstable foundations. For all of Henri IV's undoubted achievements, he had left his son a realm that was still prey to the ambitions of an aristocracy that possessed independent military force and was prepared to resort to violence and

vendetta in order to defend its interests and honour. To establish his personal authority, Louis XIII was forced to resort to conspiracy and murder, and even then his authority was constantly challenged. Yet a little over a century later, as the reign of Louis XIV drew to a close, such disobedience was impossible. Instead, a simple royal command expressing the sovereign's disgrace was sufficient to compel the most powerful men and women in the kingdom to submit to imprisonment or internal exile without a trial or an opportunity to justify their conduct, abandoning their normal lives, leaving families, careers, offices, and possessions behind in obedience to their sovereign. To explain that transformation, this volume examines the development of this new 'politics of disgrace', why it emerged, how it was conceptualised, the conventions that governed its use, and reactions to it, not only from the perspective of the monarch and his noble subjects, but also the great corporations of the realm and the wider public. Although that new model of disgrace proved remarkably successful, influencing the ideas and actions of the dominant social

elites, it was nevertheless contested, and the critique of disgrace connects to the second aim of this work, which is to use shifting attitudes to the practice as a means of investigating the nature of Ancien Regime political culture and some of the dramatic and profound changes it experienced in the years separating Louis XIII's dramatic seizure of power from the French Revolution.

The Stuarts in France, 1689-1718

Routledge

"Modernity as exile tackles the themes of migration, displacement, and multiculturalism in the modern world."

"Throughout John Berger's writings, whether an art, literature or sociology, the figure of the stranger signals both the pain of uprooting and the insight gained from 'another way of seeing'." "Nikos Papastergiadis uses this figure to argue that 'exile' is not merely a political or social fact, but is an inner condition, central to the postmodern self. He analyses the cultural dynamics that connect migration and exile, not simply as the negative consequence of contemporary culture, but as its fundamental driving force. Peoples are displaced not only by wars and famine but by economics, tourism, global telecommunications. How this explodes our notions of home, of community and our sense of belonging is the central question addressed by this provocative and powerful book."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved *Exile, Imprisonment, Or Death* Studies in Transgression
Genocide. Murder. War. These are dark times for everyone within the kingdom of Mercia. Cyrus, the youngest son of the late Duke of Derventio, has lost everything he

once held dear. All that remains is his determination to discover the real culprits behind his parents' murder. Led on a perilous journey that exposes him to just how morally corrupt and perverted the world has become, the conspiracy he uncovers will shake the entire kingdom to its core. This dark and powerful novel from the imagination of C.R. Butterworth uses fiction and fantasy to boldly explore taboo, real world issues; whether it be the sexual perversions of the Holy Order's fanatics, the vile persecution and genocide of the scholarly mages, the cruel enslavement and exploitation of the orcs....or the innate, sinful desires that dwell within each and every one of us. No topic is out of bounds in 'Liberation', the first of book of the epic 'Exile' series. Fighting, romance, conspiracies and adventure - this novel truly has it all!

The Artistry of Exile Springer

The extraordinary story of African American composer Edmond D d , raised in antebellum New Orleans, and his remarkable career in France In 1855, Edmond D d , a free black composer from New Orleans, emigrated to Paris. There he trained with France s best classical

musicians and went on to spend thirty-six years in Bordeaux leading the city s most popular orchestras. How did this African American, raised in the biggest slave market in the United States, come to compose ballets for one of the best theaters outside of Paris and gain recognition as one of Bordeaux s most popular orchestra leaders? Beginning with his birth in antebellum New Orleans in 1827 and ending with his death in Paris in 1901, Sally McKee vividly recounts the life of this extraordinary man. From the Crescent City to the City of Light and on to the raucous music halls of Bordeaux, this intimate narrative history brings to life the lost world of exiles and travelers in a rapidly modernizing world that threatened to leave the most vulnerable behind.

Accommodation in the Religion of Israel from the Settlement to the Exile A&C Black

This title uses a range of evidence to investigate the polemical and practical impact of religious exile. Moving beyond contemporary stereotypes, it reconstructs the experience and the priorities of the English Catholics in Paris and the hostile and sympathetic responses that they

elicited in both England and France.

 WINNER OF THE ROMANTIC NOVELISTS' ASSOCIATION AWARD 2020 PICKED FOR WORLD BOOK NIGHT 2020 A PRIMA BOOK OF THE YEAR An uplifting novel of mothers and daughters, secrets and the astonishing power of friendship, from the wildly popular bestselling author of *The Keeper of Lost Things*. 'As lovely as a burst of bright bluebells' *Sunday Express* 'Technicolour' *Daily Mail* 'A moving exploration of the complex relationship between mothers and daughters' *Observer* 'A poignant tale of love and family' *Good Housekeeping* 'Enchanting . . . divine' *Prima* 'Beautifully written - astute and funny' *Daily Express* 'This book really shines . . . laugh-out-loud funny' *Stylist* Tilly was a bright, outgoing little girl who liked playing with ghosts and matches. She loved fizzy drinks, swear words, fish fingers and Catholic churches, but most of all she loved living in Brighton in Queenie Malone's magnificent Paradise Hotel with its endearing and loving family of misfits. But Tilly's childhood was shattered when her mother sent her away from the only home she'd ever loved to boarding school

with little explanation and no warning. Now an adult, Tilda has grown into an independent woman still damaged by her mother's unaccountable cruelty. Wary of people, her only friend is her dog, Eli. But when her mother dies, Tilda returns to Brighton and with the help of her beloved Queenie sets about unravelling the mystery of her exile from The Paradise Hotel, only to discover that her mother was not the woman she thought she knew at all ... Mothers and daughters ... their story can be complicated ... but it can also turn out to have a happy ending. Exile, Murder and Madness in Siberia, 1823-61 Good Press

At once political institution, lived experience, and discursive figure, exile defined Louis XIV's absolutist France. The Place of Exile connects the movements of both people and books through and around this absolutist territory in order to understand the deliberate construction of real and imagined marginal cultures. Four case studies of everyday, sociable writing called leisure literature guide us through an ever-widening territory of disaffection and alienation, from the center of absolutism at Louis XIV's first court to Europe's international communities of refugees.
