Depends on how you look at it! Readers will find more than just Amy Krouse Rosenthal's signature humor herethere's also a subtle lesson for kids who don't know when to let go of an argument. A smart, simple story that will make readers of all ages eager to take a side, *Duck! Rabbit!* makes it easy to agree on one thing—reading it again! In order to have his reward from Grandmother, Yoanes must first gather enough eggs to take to market. But Grandmother's hens don't make the job easy. They lay their eggs in the strangest places—the bedroom, the cow barn, and even the outhouse. And Kele, Grandmother's most unusual hen, is most clever at hiding her eggs. Poor Yoanes has to follow her all over the family compound and coffee farm if he is to discover all of her secret

hideouts. But she leads him to the one place on the farm that he is most afraid of, will he dare search any further? If he is to earn his reward, the precious coin from Grandmother, he will have to.

*Animals in Groups from A to Z* HarperCollins

Bestselling Caldecott Honor artist David Shannon tells the story of a determined duck who decides to jump on a tractor and drive it around the barnyard and through town, with hilarious consequences! Shannon's wildly popular, award-winning *Duck on a Bike* left children begging him to tell them another story about Duck after seeing him pictured alongside a shiny red tractor. Now Duck is back and turning the farm upside down! Flushed with the success of his trailblazing bike ride around the farm, Duck decides he's ready to drive the tractor. As in the bestselling *Duck on a Bike*, all the barnyard animals share their humorous comments as they watch Duck do the unthinkable. Then, one by one, they join him on the tractor for a ride! But what happens when Duck drives the big red tractor through town, past the popular diner where all the locals are having lunch? What will those folks really think when they see Duck and all the other animals riding around on Farmer O'Dell's tractor? Filled with entertaining detail and sly jokes, readers will pore over each picture again and again. Perfect for reading aloud!

*Bruno, the Standing Cat* Penguin

One day down on the farm, Duck got a wild idea. "I bet I could ride a bike," he thought. He waddled over to where the boy parked his bike, climbed on and began to ride. At first he rode slowly and he wobbled a lot, but it was fun! Duck rode past Cow and waved to her. "Hello, Cow!" said Duck. "Moo," said Cow. But what she thought was, "A duck on a bike? That's the silliest thing I've ever seen!" And so Duck rides past sheep, horse, and all the other

barnyard animals. Suddenly, a group of kids ride by on their bikes and run into the farmhouse, leaving the bikes outside. Now ALL the animals can ride bikes, just like Duck!
