 The book is divided into three parts comprised of overall 35 chapters. Part one contains Grammar, part two - Aids to Vocabulary, and part three - Writing Skills. • The section dealing with Grammar is in double color. The points given in pink color suggest importance or emphasis, so they need attention and will help you to understand quickly and easily. These points are further highlighted with arrows. • Text printed on-screen suggests points likely to misunderstand. Sometimes they explain subtle distinctions between two apparently similar points. • Grammar items are discussed

very systematically – one at a time. Plentiful illustrations are followed by carefully designed exercises. • There is an exhaustive section dealing exclusively with Multiple choice questions covering all the areas of Grammar as well as Vocabulary. It will help to get familiar with the latest evaluation pattern. • The chapter on vocabulary is adequate and it has been kept within manageable proportions. • The chapter on Precis writing under the section Writing Skills contains a large number of solved examples, which fully explain how to analyze a passage, how to prepare a rough draft and then turn out a good readable and adequate final precis.

They are followed by passages provided with aids to vocabulary and detailed outlines. The passages selected for precis writing cover a wide range of interests and have been carefully graded. • There is a comprehensive section on letter writing covering personal, business, and official correspondence. While it explains the requisites of the good letter—its style, layout – it also provides a number of model letters for quick guidance

This book has been designed by combining the goodness of the original Wren & Martin text, High School Grammar & Composition, and specialized content developed by a panel of competitive examination experts in the area of the English language. The USP is therefore adapting a classical text to the needs of the various admission and

recruitment competitive examination aspirants. Its exhaustive coverage ensures that virtually no competitive examination remains untouched. Students preparing for descriptive tests such as UPSC (Compulsory English and General English Papers of Main Exams) and state PCS examinations, Judicial Services examination, Indian Forest Service examination, Statistical Services and many other examinations in which subjective papers/tests are mandatory will find this book immensely useful. The book is also a boon for those students who are preparing for objective tests such as Banking and Insurance, SSC, UPSC preliminary, Defence Services, Law

entrance, Business School entrance examinations, and many other admission and recruitment examinations. A unique feature of this book is demonstration of the connectedness of the concepts and their applications visually, with the help of arrows and pointers. The aspirant will also find questions from recent examinations on virtually every page of the book. An index of examination-wise questions has been included so that the aspirant can choose the sections according to the targeted examination and focus more. Topic-wise distribution of questions in English examination papers - both descriptive and objective - will also help aspirants to

undertake a very well directed test-prep program using the book.

Save lives... Or take them? A gripping novel of the Roman frontier. Ebook includes a new short story, entitled *The West Pasture Army Medic Postumus Justinus Corvus* is a long way from his native Britannia, in the Syrian provinces at the far corner of Empire. But now he is going home, unexpectedly promoted to Senior Surgeon in the Sixth. The new Emperor faces problems in the far flung island at the edge of Empire. Trouble is brewing north of the Wall. The tribes are stirring, a new conflict is brewing, old and new loyalties will be tested. Postumus will find himself at the heart of the maelstrom - and with his hands soaked in blood... Deeply researched and utterly

enthraling, this is a searing historical epic perfect for fans of Ben Kane, Conn Iggulden and Bernard Cornwell. Praise for *The Wall at the Edge of the World* 'A fine mix of story and history, and the author manages to shed light on a period when the Roman Empire flexed its muscles at the edge of the world' Historical Novel Society 'The finest sense of history, character and narrative I've seen since Rosemary Sutcliffe' Delia Sherman, author of *Changeling* [A Series of Studies on the Languages of the New Hebrides, and Other South Sea Islands ...](#) Canelo Primary School English Grammar & Composition (PSEGC) and Middle School English Grammar & Composition (MSEGC)

is a set of two books designed to be used as a prequel to the highly popular English grammar reference book, High School English Grammar & Composition. Both PSEGC and MSEGC provide ample guidance and practice in sentence building, correct usage, comprehension, composition and other related areas so as to equip the learners with the ability to communicate effectively in English.

• “Steven Pressfield brings the battle of Thermopylae to brilliant life.”—Pat

Conroy At

Thermopylae, a rocky mountain pass in northern Greece, the

feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

TOC Part A: Foundation Module, Part B: Verbal Ability, Part C: Sequence of Sentences, Objective Comprehensive, Part D: Practical Grammar. *Based on the International Dictionary of 1890 and 1900* Sultan Chand & Sons "If Love, Actually and National Lampoon's Christmas Vacation are your two favorite holiday movies, you're going to love *The Adults*."—Bustle NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE • "Sometimes a nasty family comedy is just what you need for the holidays."—Entertainment Weekly Meet *The Adults*. Claire and Matt are no longer together but decide that it would be best for their daughter, Scarlett, to have a "normal" family

Christmas. They can't agree on whose idea it was to go to the Happy Forest holiday park, or who said they should bring their new partners. But someone did—and it's too late to pull the plug. Claire brings her new boyfriend, Patrick (never Pat), a seemingly sensible, eligible from a distance Ironman in Waiting. Matt brings the new love of his life, Alex, funny, smart, and extremely patient. Scarlett, who is seven, brings her imaginary friend Posey. He's a giant rabbit. Together the five (or six?) of them grit their teeth over Forced Fun Activities, drink a little too much after Scarlett's bedtime, overshare classified secrets about their pasts . . . and before

you know it, their holiday is a powder keg that ends where this novel begins—with a tearful, frightened call to the police. What happened? They said they'd all be adults about this. . . . Praise for *The Adults* "A delectable premise . . . Hulse skewers her characters uproariously, zeroing in on every quirk, and she humanizes them, too."—*Entertainment Weekly* "The ending is worth every page turned in this funny, redeeming wade through the rough tide of blended family."—*San Francisco Chronicle* "Caroline Hulse's farcical debut is an ode to the big personalities and drama you find in families—unconventional and not."—*Real Simple* "This wry

holiday novel will make you chuckle and remind you that nobody's family is perfect. If you've ever sat through an awkward family dinner (who hasn't?), you'll relate so hard."—HelloGiggles
"Brilliantly funny."—Good Housekeeping (UK)
"Razor-sharp comedy."—Sunday Mirror
