*Gillian Laub: Family Matters* eBookIt.com  
Looks at the principles of health, wealth, and prosperity practiced by the Jewish people in the Bible and how to apply these ideas to one's life.

*How DNA Testing Is Upending Who We Are* Taylor Trade Publications

This phenomenal system teaches the best way to apply life transforming financial concepts. It is a straightforward and empowering quest that will transform your financial life forever.

*Seven Keys to the Enduring Wealth of a People* St. Martin's Press

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**Revelation** Shambhala Publications  
The Nation of Islam's Secret Relationship between Blacks and Jews has been called one of the most serious anti-Semitic manuscripts published in years. This work of so-called scholars received great celebrity from individuals like Louis Farrakhan, Leonard Jeffries, and Khalid Abdul Muhammed who used the document to claim that Jews dominated both transatlantic and antebellum South slave trades. As Saul Friedman definitively documents in *Jews and the American Slave Trade*, historical evidence suggests that Jews played a minimal role in the transatlantic, South American, Caribbean, and antebellum slave trades. *Jews and the American Slave Trade* dissects the questionable

historical technique employed in Secret Relationship, offers a detailed response to Farrakhan's charges, and analyzes the impetus behind these charges. He begins with in-depth discussion of the attitudes of ancient peoples, Africans, Arabs, and Jews toward slavery and explores the Jewish role in colonial European economic life from the Age of Discovery to Napoleon. His state-by-state analyses describe in detail the institution of slavery in North America from colonial New England to Louisiana. Friedman elucidates the role of American Jews toward the great nineteenth-century moral debate, the positions they took, and explains what shattered the alliance between these two vulnerable minority groups in America. Rooted in incontrovertible historical evidence, provocative without being incendiary, *Jews and the American Slave Trade* demonstrates that the anti-slavery tradition rooted in the Old Testament translated into powerful prohibitions with respect to any involvement in the slave trade. This brilliant exploration will be of interest to scholars of modern Jewish history, African-American studies, American Jewish history, U.S. history, and minority studies.

**Thou Shall Prosper** Createspace Independent Publishing Platform  
Reveals how the Federal Reserve under Paul Volcker engineered changes in America's economy

*King Solomon's Secrets to Success, Wealth, and Happiness* Abrams

"A fascinating exploration of the mysteries ignited by DNA genealogy testing—from the intensely personal and concrete to the existential and unsolvable." —Tana French, New York Times–bestselling author  
You swab your cheek or spit in a vial, then send it away to a lab somewhere. Weeks later you get

a report that might tell you where your ancestors came from or if you carry certain genetic risks. Or, the report could reveal a long-buried family secret that upends your entire sense of identity. Soon a lark becomes an obsession, a relentless drive to find answers to questions at the core of your being, like “Who am I?” and “Where did I come from?” Welcome to the age of home genetic testing. In *The Lost Family*, journalist Libby Copeland investigates what happens when we embark on a vast social experiment with little understanding of the ramifications. She explores the culture of genealogy buffs, the science of DNA, and the business of companies like Ancestry and 23andMe, all while tracing the story of one woman, her unusual results, and a relentless methodical drive for answers that becomes a thoroughly modern genetic detective story. Gripping and masterfully told, *The Lost Family* is a spectacular book on a big, timely subject. “An urgently necessary, powerful book that addresses one of the most complex social and bioethical issues of our time.” —Dani Shapiro, New York Times—bestselling author “Before you spit in that vial, read this book.” —The New York Times Book Review “Impeccably researched . . . up-to-the-minute science meets the philosophy of identity in a poignant, engaging debut.” —Kirkus Reviews (starred review)

[Ancient Jewish Wisdom for the Wise Investor](#) Basic Books

In 1918 Adolf Hitler was penniless: within 25 years he was probably the richest man in Europe. In his fascinating book the author sets out to discover not only the extent of Hitler's fortune but how it was amassed and with whose help. He finds that royalties of *Mein Kampf* represent only the tip of the iceberg. His

publishing company Eher Verlag and his fund Adolf Hitler Spende, which many 'voluntarily' contributed to, turn out to be much more important. We learn how Hitler's attraction to the opposite sex proved hugely lucrative. This book also traces what happened to the property, the funds, the art collection, and other items after 1945 and reveals who is - and who is trying to -profit today from the legacy of Adolf Hitler. Amongst items never before revealed is recently discovered evidence for two of Hitler's bank accounts; the truth about the financing of Hitler's publishing empire; and many other previously undisclosed facts.

*The Struggle for the Hearts, Minds and Riches of Latin America During World War II* JHU Press

The book features an appendix including the original Hebrew/Aramaic texts for the reader's reference.

*Archaeology's New Vision of Ancient Israel and the Origin of Sacred Texts* Simon and Schuster

Are you stuck in the vicious cycle of paying bills, drowning in debt, and not being able to get ahead? As a believer, have you been wondering how to build wealth? Are you searching for God's way to achieve financial independence? As a pastor for both small and large churches, Jonathan Geraci has discovered that many believers' struggles come down to how they relate to money. In this book you will discover a Biblical holistic view on wealth that may surprise you. You will learn how modern financial advisors and the ancient words of scripture agree. These simple and engaging strategies will teach you Biblical habits for building wealth. In this book you will discover - how to apply the fruits of the Spirit into your financial life. - learn the emotional and spiritual consequences of debt and

how to escape! - 5 money myths that many Christians fall into. - 4 secrets from the Bible for building wealth. - discover how to practice "outrageous" generosity. You can turn around your financial life by learning financial habits that are found in scripture. What's stopping you from applying the Bible to every aspect of your life -- including your finances?

Dr. Norman Golb's classic study on the origin of the Dead Sea Scrolls is now available online. Since their earliest discovery in 1947, the Scrolls have been the object of fascination and extreme controversy. Challenging traditional dogma, Golb has been the leading proponent of the view that the Scrolls cannot be the work of a small, desert-dwelling fringe sect, as various earlier scholars had claimed, but are in all likelihood the remains of libraries of various Jewish groups, smuggled out of Jerusalem and hidden in desert caves during the Roman siege of 70 A. D. Contributing to the enduring debate sparked by the book's original publication in 1995, this digital edition contains additional material reporting on new developments that have led a series of major Israeli and European archaeologists to support Golb's basic conclusions. In its second half, the book offers a detailed analysis of the workings of the scholarly monopoly that controlled the Scrolls for many years, and discusses Golb's role in the struggle to make the texts available to the public. Pleading for an end to academic politics and a commitment to the search for truth in scrolls scholarship, *Who Wrote the Dead Sea Scrolls?* sets a new standard for studies in intertestamental history "This book is 'must reading'.... It demonstrates

how a particular interpretation of an ancient site and particular readings of ancient documents became a straitjacket for subsequent discussion of what is arguably the most widely publicized set of discoveries in the history of biblical archaeology...." Dr. Gregory T. Armstrong, 'Church History' Golb "gives us much more than just a fresh and convincing interpretation of the origin and significance of the Qumran Scrolls. His book is also... a fascinating case-study of how an idee fixe, for which there is no real historical justification, has for over 40 years dominated an elite coterie of scholars controlling the Scrolls...." Daniel O'Hara, 'New Humanist'

### How the Federal Reserve Runs the Country Society of Biblical Lit

Offers a definitive account of the debate over a controversial deal between Palestine and Nazi Germany that virtually tore apart the Jewish world in the pre-World War II era, ultimately saving lives and rescuing assets, but only after allowing the Nazi regime to survive its first year. Reprint.

### *Jewish Insights on Giving, Owning, and Receiving* Canongate Books

Secrets of Jewish Wealth Revealed (Arabic Edition) Secrets of Jewish Wealth Revealed! A roadmap to financial prosperity, was written to assist anyone who wishes to prosper and live the American dream. Blending humor, personal anecdotes, proverbial wisdom, and biblical references, *Secrets of Jewish Wealth Revealed!* is a readable guide towards achieving prosperity throughout life's various stages. Rabbi Celso blends Godly wisdom and common sense, offering practical solutions that the Jewish people have used for thousands of years to build and strengthen their financial standing. He also highlights the

pitfalls of many of our culture's poor spending habits, even though they've become accepted practices in today's world. "It makes no sense that someone would volunteer to be a slave, but that's exactly what's happening in the United States today," says Rabbi Celso. "Far too many people are signing up to become slaves to their credit card companies." *Secrets of Jewish Wealth Revealed!* is a program of simple, but essential steps that Rabbi Celso believes will forever change the way people look at their finances, and handle their money. He discloses the eternal truths behind the oldest financial system in history, the one that has survived the test of time: the Jewish approach to financial management.

With truly startling statistics and a wealth of anecdotes, Silbiger reveals the cultural principles that form the bedrock of Jewish success in America.

*The Investment Code* Urim Publications  
 You cannot serve both God and money (Matthew 6:24), but unfortunately, many people serve money without ever consciously choosing to do so. By not learning how to manage your money, you become a servant to your finances. Even though you desire to boldly serve God, you end up serving money by default simply because of your financial situation in life. *Money Mastery* is here to help! Its loaded with spiritual principles and practical tools that will empower you to master your money. M.B.A. Billy Epperhart shares: Why God wants you wealthy *The Triple X Factor of \$\$\$* mastery with practical steps, charts, and

checklists Seven steps to financial freedom Using wealth to partner with God to help others and impact nations

### **The Jews and Modern Capitalism** Crown

In *The Women of Rothschild*, Natalie Livingstone reveals the role of women in shaping the legacy of the famous Rothschild dynasty, synonymous with wealth and power. From the East End of London to the Eastern seaboard of the United States, from Spitalfields to Scottish castles, from Bletchley Park to Buchenwald, and from the Vatican to Palestine, Natalie Livingstone follows the extraordinary lives of the Rothschild women from the dawn of the nineteenth century to the early years of the twenty-first. As Jews in a Christian society and women in a deeply patriarchal family, they were outsiders. Excluded from the family bank, they forged their own distinct dynasty of daughters and nieces, mothers and aunts. They became influential hostesses and talented diplomats, choreographing electoral campaigns, advising prime ministers, advocating for social reform, and trading on the stock exchange. Misfits and conformists, conservatives and idealists, performers and introverts, they mixed with everyone from Queen Victoria to Chaim Weizmann, Rossini to Isaiah Berlin, and the Duke of Wellington to Alec Guinness, as well as with amphetamine-dealers, suffragists and avant-garde artists. Rothschild women helped bring down ghetto walls in early nineteenth-century Frankfurt, inspired some of the most remarkable cultural movements of the Victorian period, and in the mid-twentieth century burst into America, where they patronized Thelonious Monk and drag-raced through Manhattan with Miles Davis. Absorbing and compulsive, *The Women of*

Rothschild gives voice to the complicated, privileged, and gifted women whose vision and tenacity shaped history.

**The Believer's Journey to a Faithful, Generous, and Financially Free Life**

Pen and Sword

In this groundbreaking work that sets apart fact and legend, authors Finkelstein and Silberman use significant archeological discoveries to provide historical information about biblical Israel and its neighbors. In this iconoclastic and provocative work, leading scholars Israel Finkelstein and Neil Asher Silberman draw on recent archaeological research to present a dramatically revised portrait of ancient Israel and its neighbors. They argue that crucial evidence (or a telling lack of evidence) at digs in Israel, Egypt, Jordan, and Lebanon suggests that many of the most famous stories in the Bible—the wanderings of the patriarchs, the Exodus from Egypt, Joshua's conquest of Canaan, and David and Solomon's vast empire—reflect the world of the later authors rather than actual historical facts. Challenging the fundamentalist readings of the scriptures and marshaling the latest archaeological evidence to support its new vision of ancient Israel, *The Bible Unearthed* offers a fascinating and controversial perspective on when and why the Bible was written and why it possesses such great spiritual and emotional power today.

*The Transfer Agreement* Penguin

This heartbreaking, hilarious, and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her

brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, "Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is." Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest "get"—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later,

brought yet more trauma—and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her “welcome” was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn’t happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

[The First Hebrew Novel](#) Currency  
Gillian Laub's photographs of her family from the past twenty years, now collected in one volume, explore the ways society's biggest questions are revealed in our most intimate relationships. *Family Matters* zeroes in on the artist's family as an example of the way Donald Trump's knack for sowing discord and division has impacted communities, individuals, and households across the country. As Laub

explains, "I began to unpack my relationship to my relatives--which turned out to be much more indicative of my relationship to the outside world than I had ever thought, and the key to exploring questions I had about the effects of wealth, vanity, childhood, aging, fragility, political conflict, religious traditions, and mortality." These issues became tangible in 2016, when Laub and her parents found themselves on opposing sides of the most divisive presidential election in recent US history; and further exacerbated in the lead-up to the 2020 election, in the wake of a global pandemic and protests in support of Black Lives Matter. *Family Matters* reveals Laub's willingness to confront ideas of privilege and unity, and to expose the fault lines and vulnerabilities of her relatives and herself. Ultimately, *Family Matters* celebrates the resiliency and power of family--including the family we choose--in the face of divisive rhetoric. In doing so, it holds up a highly personalized mirror to the social and political divides in the United States today.
