Penguin

In a spellbinding new

Argeneau novel from New  
York Times bestselling  
author Lynsay Sands, a  
dangerous rescue is just  
the beginning of red-hot  
adventure... Ever since  
Domitian Argenis  
recognized Sarita as his  
life mate, he's been  
waiting for the perfect  
moment to claim her.  
Those fantasies did not  
include him being chained  
to a table in a secret lab  
or both of them being  
held hostage by a mad

scientist. Somehow, they have to escape... Sarita has seen some crazy things as a cop, but nothing to rival Domitian. A vampire? Seriously? But his healing ability, incredible powers, and their mind-blowing physical connection—none of it should be possible, yet her body knows differently. Now, not only do they have to save each other, but other innocent lives are at stake. Failure is not an option, for Sarita intends that Domitian show her exactly what an

eternity of pleasure feels like...  
[Mile High with a Vampire](#)  
 Disney Electronic Content  
 The Silence of the Lambs meets Sadie in this riveting psychological thriller about two teenagers teaming up with the FBI to track down juvenile serial killers. In 1982, two teenagers—serial killer survivor Emma Lewis and US Marshal candidate Travis Bell—are recruited by the FBI to interview convicted juvenile killers and provide insight and advice on cold cases.

From the start, Emma and Travis develop a quick friendship, gaining information from juvenile murderers that even the FBI can't crack. But when the team is called in to give advice on an active case—a serial killer who exclusively hunts teenagers—things begin to unravel. Working against the clock, they must turn to one of the country's most notorious incarcerated murderers for help: teenage sociopath Simon Gutmunsson. Despite Travis's objections, Emma

becomes the conduit between Simon and the FBI team. But while Simon seems to be giving them the information they need to save lives, he's an expert manipulator playing a very long game...and he has his sights set on Emma. Captivating, harrowing, and chilling, *None Shall Sleep* is an all-too-timely exploration of not only the monsters that live among us, but also the monsters that live inside us.

**Guarded by Death**

Harper Collins

In the latest Argeneau

novel from New York Times bestselling author Lynsay Sands, an immortal and her mortal pilot are on the run from hungry vampires...and discover they're life mates along the way. Jet Lassiter likes being a pilot for Argeneau Inc. Perks included travelling to exotic locations and meeting interesting people, even if they are the blood-sucking kind. He's living the good life, until his plane goes down in the mountains and four of his passengers are gravely injured. They

need blood to heal... and Jet is the only source. Quinn Peters never wanted to be immortal. Once a renowned heart surgeon, she was turned against her will and now she has to drink blood to survive. Before she can ask how her "life" can get any worse, she's in a plane crash. One of the few survivors, Quinn is desperate to get the mortal pilot to safety before her fellow immortals succumb to their blood lust and drain Jet dry. But hungry vampires are the least of

their worries—the crash wasn't an accident, and someone is trying to kill Quinn. Will she and Jet find their happily ever after as life mates, or will her assassin find her first?

**Radiance** HarperCollins  
Having solved the matter of the Radiant Boy, Riley, Buttercup, and Bodhi are enjoying a well-deserved vacation. When Riley comes across a vicious black dog, against Bodhi's advice, she decides to cross him over. While following the dog, she runs into a young ghost named Rebecca. Despite

Rebecca's sweet appearance, Riley soon learns she's not at all what she seems. As the daughter of a former plantation owner, she is furious about being murdered during a slave revolt in 1733. Mired in her own anger, Rebecca is lashing out by keeping the ghosts who died along with her trapped in their worst memories. Can Riley help Rebecca forgive and forget without losing herself to her own nightmarish memories? Find out in *Shimmer*, the second book in the Riley

Bloom series from bestselling author Alyson Noël.  
Crash Immortal Chronicles  
Game of Thrones fans will love the New York Times bestselling Abhorsen series. Sabriel, the first installment in the trilogy, launched critically acclaimed author Garth Nix onto the fantasy scene as a rising star. *Dark Secrets*, *Deep Love*, and *Dangerous Magic* Sent to a boarding school in Ancelstierre as a young child, Sabriel has had little experience with the random power of Free

Magic or the Dead who refuse to stay dead in the Old Kingdom. But during her final semester, her father, the Abhorsen, goes missing, and Sabriel knows she must enter the Old Kingdom to find him. She soon finds companions in Mogget, a cat whose aloof manner barely conceals its malevolent spirit, and Touchstone, a young Charter Mage long imprisoned by magic, now free in body but still trapped by painful memories. As the three travel deep into the Old

Kingdom, threats mount on all sides. And every step brings them closer to a battle that will pit them against the true forces of life and death—and bring Sabriel face-to-face with her own destiny. “Sabriel is a winner, a fantasy that reads like realism. Here is a world with the same solidity and four-dimensional authority as our own, created with invention, clarity and intelligence.” —Philip Pullman, author of His Dark Materials trilogy *Rapture* Delacorte Press Don't miss Evermore, the

first book in Alyson Noël's #1 New York Times bestselling *The Immortals* series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything

changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in

love with him.

**The Immortal Who Loved Me** HarperCollins

After I rescued these jerks from a plane crash, you'd think they'd be nicer to me. I die, like all the time. My track record of hilarious, freak accidental deaths would be impressive if it weren't so embarrassing. And when I come back, I'm naked. Every. Dang. Time. After my plane was sabotaged and crashed into the jungle, I rescued five male survivors from the wreckage. I could have let them die, but no, I

decided to pull their stupid carcasses from the wreckage. I'm immortal, not a monster. Yes, they're hot, now is not the time to do something about that. The five sexy jaguar shifters are on a mission to locate someone, a rare phoenix shifter. Phoenix, the legendary creature, reborn every time it dies. Wait?? Could they be looking for me? It doesn't matter since they walked away and left me to die in the Amazon rainforest. A place full of interesting new ways for a klutz like me to die. Surviving the

jungle is harsh, but it's nothing compared to how they have treated me. And the worst part? It turns out these bullies are my fated mates. Yep, I must be cursed. I can't wait to escape the jungle and leave these guys behind, but another part of me is begging to love them? Was the Amazon always this hot?" But *Did You Die?* is a comedy filled, bully (only in book one), paranormal romance series that includes jaguar shifters, a mysterious underground society, fated mates, and

an incredibly clumsy Phoenix. Follow Amaryllis as she discovers who she is and 'collects' her soulmates along the way! It is full of humor, adventure, and scenes to entice and thrill you... or to make you unexpectedly snort with laughter. The series will have a HEA? it will just take a little while to get there! *The Daily Show (The Book)* Simon and Schuster Scarlett Wells is enjoying the last summer in her small town off the coast of North Carolina before heading off to college.

Beach days, endless nights, and making memories with her best friends are all she has in mind. Until she crosses paths with an intriguing man who instantly captures her attention. He's mysterious, a little dangerous, and hell-bent on protecting her at all cost. Pierce is an immortal who's been torn between worlds for centuries. Too damaged for Heaven, too good for Hell. He's damned to roam earth collecting the souls of the dead, while harboring the curse of the Angel of

Death. Everything changes on an unforgettable night in a crowded bar when Pierce is drawn to gather a soul far before it's time, Scarlett's. She's being hunted by something unearthly, and his only mission is to shield her immense light from the horrific evil that's targeting her. In their fight between good and evil will they prevail, or perish?

**The Contrarian** Crown Rita, Dan, Max and Ted are on the move in Trucktown! Kids will have

hands-on fun with a movable part on each spread! Swing Wrecker Rosie's wrecking ball, spin Monster Truck Max's wheel, dump gravel from Dump Truck Dan's bed, and move Tow Truck Ted's hook up and down as he saves a good friend! [Dirk Gently's Holistic Detective Agency](#) BHC Press

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse-Percy could

have sworn his pre-algebra teacher turned into a monster and tried to kill him.

*Phoenix Down* Simon and Schuster

Nicholas Flamel appeared in J.K. Rowling's Harry Potter—but did you know he really lived? And his secrets aren't safe!

Discover the truth in book six of Michael Scott's New York Times bestselling series the Secrets of the Immortal Nicholas Flamel. The Location: The home of the Elders. The Time: The last day of Nicholas and Perenelle Flamel's

long existence. The two that are one must become the one that is all. One to save the world, one to destroy it. Sophie and Josh Newman traveled ten thousand years into the past following Dr. John Dee and Virginia Dare to the home of the Elders at Danu Talis. But this is no ordinary island--it is the legendary city of Atlantis, and Scathach, Prometheus, Palamedes, Shakespeare, Saint-Germain, and Joan of Arc are also there. Here, as the Flamels take their final breaths, the battle

for the world begins and ends. Except no one is sure what--or who--the twins will be fighting for. "The Secrets of the Immortal Nicholas Flamel has everything you loved about Harry Potter, including magic, mystery, and a constant battle of good versus evil."—Bustle

In that one moment everything changed. Everything I

thought I knew shattered with just a few words. Who knew the truth could be so devastating. I need to decide which side to take. But can I even trust myself? Xander She's gone, but I'll scorch the earth to find her if that's what it takes. I'll call upon friend and foe for the battle that is to come. The fires of hell couldn't keep me from her and whoever thinks they can take what is mine, is going to regret it for all time. One thing is for sure. The Crash could ruin us all. Crash  
Sierra's world is torn

upside down on her 18th birthday when a man who calls himself a dreamwalker visits Sierra in her dreams and starts unraveling her past. Can she believe Dante that her parents are withholding her true identity from her? Or should Sierra trust that her parents are not hiding a dark secret? A plane crash caused by a vendetta toward her family starts to reveal the depth of what has been hidden from her, and what she must do to get her family back. But should

she choose the dangerous life that could help rescue her family, she would not only risk her life going through the transition but would also have to say goodbye to the life she knows and her best friends forever. Forced to live a life that humans can never know exists.

**Peter Thiel and Silicon Valley's Pursuit of Power** Simon and Schuster

In the heart of Venice, a woman is sacrificed to a forgotten god, sparking a mystery lost for thousands of years. Dr.

Penelope Bryne is ridiculed by the academic community for her quest to find the remnants of Atlantis, but when an ancient and mysterious script is found at a murder site, she flies to Venice determined to help the police before the killer strikes again. Penelope has spent her entire life trying to ignore the unexplainable and magical history of Atlantis, but when she meets the enigmatic Alexis Donato, everything she believes will be challenged. Little does

she know, Alexis has spent the last three years doing his best to sabotage Penelope's career so doesn't learn the truth—Atlantis had seven magicians who survived, and who he has a duty to protect. As Alexis draws her into the darkly, seductive world of magic and history, Penelope will have to use her heart as well as her head if she is to find the answers she seeks. With the new MOSE system due to come online, and Carnivale exploding around them, Penelope and Alexis will

have to work together to stop the killer and prevent dark magic from pulling Venice into the sea. Immortal Unchained Harper Collins  
When the Council assigns her to feared Roman gladiator Theocoles, Soul Catcher Riley is transformed into a beautiful teenager by Messalina and experiences, for the first time, a blossoming romance that makes her reluctant to leave the gladiator's world. Sabriel Simon and Schuster

April Mae Manning from *Unaccompanied Minor* is back, and back in trouble, but this time, she's run out of chances... April Mae was raised on airplanes by her flight-attendant parents. But since her dad's death and her mom's remarriage to the nefarious pilot Ash Manning, April's been in nothing but danger: two airplane crashes; two car crashes; and now, as a student pilot, in an old plane crippled over the Caribbean. Can she survive, and save her friends, or is this the

watery end to "Crash" Manning's story? Praise for Unaccompanied Minor: "A laugh-out-loud thriller about family court, money laundering and skyjacking" ~Kirkus Reviews  
[Evermore CreateSpace](#)  
 To win one world, he'll have to journey to another... Steven Drokharis has done well to survive on Battle World, a planet designed to murder him and everyone he loves. In order to defeat the Zothoric, he needs both an ancient artifact and an army of

allies on a distant world. With the help of the mysterious Shadow Archer, he'll find himself on a quest that strains the limits of his imagination. It certainly isn't going to be easy on Chastity and Prudence Wayne-the Texas machine-gun twins never signed on to search for lost elves. Good thing Mouse is there to provide the sarcasm, and Uchiko the arrows. Hunted by old foes and new, Steven and his Escort will be tested in every way possible. All the while, the Demon Queen Zothora inches

closer, preparing to snap close her diabolical trap. Disclaimer: Alaska Kingdom (American Dragons Book 8) is a shoot-em-up, action adventure, urban fantasy novel which is not intended for readers under the age of 18. This novel contains swearing, violence, and a harem of beautiful shapeshifting women that the hero regularly sleeps with-and he does so gladly.  
*The Martian Chronicles*  
 Harper Collins  
 NEW YORK TIMES  
 BESTSELLER The

complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's

behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's

highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with

Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio

vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research

without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation

on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed

her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.
