National Safety Congress Transactions

Forgotten Books

The National Safety Council offers access to a collection of safety fact sheets. The fact sheets emphasize road safety, healthy living, hazards in the environment, agricultural safety, school bus safety, and more.

Miscellaneous Publications of the National Safety Council

The National Safety Council (NSC) presents articles and information related to safety. The topics include first aid, chemical process safety, ergonomics, chemicals, indoor air quality, injury statistics, electronic recycling, and emergency management.

Proceedings of the National Safety Council

Excerpt from Proceedings of the National Safety Council, Vol. 10: Tenth Annual Safety Congress, Held at the State House Boston, Massachusetts, September 26-30, 1921 The campaign begun two years ago by the Education Section to reach the public and parochial schools and to secure the introduction of safety instruction, has been continued vigorously during the past year. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or

missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Seven Days for Safety

Provides information about the Council, its membership, products and publications.
