 Think that getting a degree is the hardest part?
 Think that life's problems get over when you get a job?
 Life at work is a different ballgame.
 The politics, the race, the distractions, the conflicts, the boss,
 How to deal with them?
 Life at work has problems. It is difficult and complicated.
 The solutions are not.
 So, Why Fail?
 Learn the secrets of workplace survival.
 Organize your life. Leave everyone behind.
 Why Fail? is a workplace fable

starring Rabbitto, who thinks that he will lead a peaceful life after landing a dream job. He discovers that workplace survival is a different ballgame. He does not have the acumen of Grizzly. Neither does he have the intelligence of Buck nor the slyness of Foxy Fox. Rabbitto struggles. He observes. He challenges his preconceived notions. Will he achieve personal success? Can he maintain work life balance? Or will he perish under the workload and succumb to politics at work? Based on the 2500-year-old wisdom of Panchatantra - "animal fables that are as old as we are able to imagine" - Why Fail? is about simple techniques, success principles and success tips that can be applied at work. Small adjustments and minor modifications in approach is what it takes to bring out the best to easily achieve goals at workplace. No rocket science - just plain and natural ways to succeed from scratch. This book will teach you:
 How to become smarter?
 How to achieve success through a positive mental attitude.
 How to have personal growth and development?
 How to learn the art of personal transformation without a

mentor? How to be happy at work? And most importantly, how to become successful in life? The book is interspersed with motivational quotes, which are keys to opening doors to success and happiness within the workplace and outside. Oxford University Press, USA

Veteran garden writers Nancy Szerlag of the Detroit News and Alison Beck have created a beautifully photographed book that features over 681 perennials suited to Michigan's climate and growing conditions. Tips on planting, growing, recommended varieties, and problems and pests are included. A Quick Reference Chart provides at-a-glance information on color, blooming, height, hardiness, and light and soil requirements.

Jared Martinez traded the forex market for a decade

through the 1980s and '90s before he discovered that successful trading requires 10 percent skill and 90 percent emotional intelligence. He founded the Market Traders Institute on that underlying principle, and now MTI is the most established leader in forex education worldwide.

Jared is known as "FXCHIEF" in the industry, and now, in *The Forex Mindset*, he shares his secrets with you. Leadership experts and corporate executives are just waking up to what the FXCHIEF has known for more than 15 years—emotional intelligence matters. With *The Forex Mindset*, you get up close and personal with greed and fear, the two leading forces in the market. Everyone gets in for greed, but without a healthy understanding of fear, you may be in for one of the worst journeys of your life. This performance-oriented guidebook features a potent synthesis of psychology and strategy that will exponentially increase your ability to acquire wealth as a trader. Even veteran traders with bulletproof trading strategies are doomed to fail if they don't know themselves.

The Forex Mindset prepares you to be a successful trader by helping you identify your unique psychological strengths and weaknesses and how you naturally behave in times of financial crisis. With a newfound understanding of yourself, you can use this book to map out your own path to wealth by: Delving into human nature and market behavior Learning how to improve your emotional intelligence Doing what top traders do to control their emotions in trades and in times of crisis Implementing authoritative strategies for effective thinking in a state of fear If you want to make a living from trading forex, apply the lessons in *The Forex Mindset* and you're already 90 percent there!

 "Korczak's words resonate across the years and have amazing modern-day relevance."—Jim Harding, director of the National Society for the Prevention of Cruelty to Children
 Born in Poland in 1878, educator, physician, and legendary child advocate Janusz Korczak believed that simply understanding children is the key to being able to take care of

them. It's a basic premise too often overlooked. This collection of one hundred quotations and passages from Korczak's writings provides valuable advice on how to take care of, respect, and love every child. In an inviting gift-book format, this is a heartfelt and helpful reminder of who we were as children and who we might become as parents.

Master The Mind Monkey:
Experience Your Excellence gently guides you into deeper and deeper levels of understanding of the mind and the tricks it plays. It exposes the deepest truth in a manner that makes it very practical and applicable in one's professional and personal life. The direct and lucid conversational style facilitates you to reach the "Ultimate Understanding". The flow is pleasantly smooth, the words are endearingly down-to-earth and the sentences are refreshingly simple and shorn of clichés. The book is full of lovely examples and humorous anecdotes that you can easily relate

to. It is appreciative and empowering, yet at the same time, compassionately ruthless with falsehood, mental laziness, blame and a lack of commitment. It is an impactful transformational experience that can serve as the bridge between the roots of Understanding and the fruits of tangible results.

 "When we believe the Bible as it is, we will see the power of God move in our lives and in our community as it did centuries ago in Bible times." -Mel Tari
 Translated into dozens of languages, with millions of copies sold, *Like a Mighty Wind* remains a beloved classic from global evangelist Mel Tari. Recounting the incredible story of revival on the island of Timor during 1965 in the midst of political turmoil, the book is an amazing testament to the power of faith and the reality of God's power to work miracles in modern times. The Spirit of God that swept across the island "like a mighty wind" continues today throughout Indonesia although persecution of Christians is all too common. The story of God's powerful revival in this region remains a testament to the truth of God's Word, and serves as a reminder to all believers that the Spirit of God manifests in our world now as it did in the earliest days of the Church.

 The one thing he couldn't figure out was - why he was abandoned...For the first time, Ramu's monkey, friend and the only source of his income, Billu is not with him. Billu has gone missing at a railway station. Seems like Billu has boarded the Chitah Express, a special train that stops at few stations and has coaches that aren't interconnected. Ramu boards this train hoping to

find his lost simian. If Billu is on the train, Ramu has less than a day to find him. Notwithstanding the difficulties, Ramu carries on his search with one question running through his mind, "Why did he leave me?" An adventurous tale of a teenage boy in search of his lost companion. A tale filled with anticipation, risk, dangers, and comedy. Set in India, the story unravels the realities about the life of the underprivileged in a country of contrasts. The society would want them to be forgotten, knowing little that these are the ones that make India alive.

A Childhood in Kurdistan Manjul Publishing

A young Kurd comes of age in a war-torn land. This beautiful, spare narrative tells of the life of a boy named Azad--in fact the author, a Kurdish filmmaker--as he grows to manhood in Iraq during

the 1960s and 1970s. Azad is born into a vibrant village culture, to a family that is proud of its Kurdish past and hopes for a free Kurdish future. He loves his mother's orchard, his cousin's stunt pigeons, his father's old Czech rifle, his brother who is fighting in the mountains. But before he is even of school age, Azad has experienced strafing and bombing; he watches as friends and neighbors are assassinated; and he sees his father humiliated when he tries to get food for his starving family. Forced into a refugee camp in Iran for years, his family realizes, on their return, that Saddam Hussein and his regime are destroying the autonomy he had promised their people. In a burst of adolescent

impatience, Azad briefly runs off to the mountains to fight for Kurdish liberty, like his brother. But Azad has also discovered art--drawings, poetry, film--and he senses that he must find his own way to advance the Kurdish cause. My Father's Rifle ends with his heartbreaking departure from his parents and flight across the Syrian border to freedom. Stunning in its unadorned intensity, My Father's Rifle is a moving portrait of a boy who embraces the land and culture he loves, even as he leaves them.
