The Enemy Above Scholastic Incorporated
 NEW YORK TIMES BESTSELLER • Discover Thrawn's origins within the Chiss Ascendancy in the first book in an epic new Star Wars trilogy from bestselling author Timothy Zahn. Beyond the edge of the galaxy lies the Unknown Regions: chaotic, uncharted, and near impassable, with hidden secrets and dangers in equal measure. And nestled within its swirling chaos is the Ascendancy, home to the enigmatic Chiss and the Nine Ruling Families that lead them. The peace of the Ascendancy, a beacon of calm and stability, is shattered after a daring attack on the Chiss capital that leaves no trace of the enemy. Baffled, the Ascendancy dispatches one of its brightest young military officers to root out the unseen assailants. A recruit born of no title, but adopted into the powerful family of the Mitth and given the name Thrawn. With the might of the Expansionary Fleet at his back, and the aid of his comrade Admiral Ar'alani, answers begin to fall into place. But as Thrawn's first command probes deeper into the vast stretch of space his people call the Chaos, he realizes that the mission he

has been given is not what it seems. And the threat to the Ascendancy is only just beginning.

Stay Alive #1: Crash Ink Lion Books

Monsters of legend come to life! The final thrilling title in Roland Smith's popular series. Marty and his best friend, Luther, have managed to rescue Marty's cousin Grace from the clutches of the nefarious pseudo-naturalist Noah Blackwood, but their most dangerous mission lies ahead of them. Marty's parents have been missing in Brazil for months and their trail has all but run cold. With time running out, Marty and the Cryptos Island crew race off for Brazil -- where they discover that Noah Blackwood has twisted the natural order of things beyond their wildest, most terrifying dreams.

Journey to Chaos Simon & Schuster

Survive the war. Outlast the enemy. Stay alive. That's what Henry Forrest has to do. When he lies about his age to join the Marines, Henry never imagines he'll face anything worse than his own father's cruelty. But his unit is shipped off to the Philippines, where the heat is unbearable, the conditions are brutal, and Henry's dreams of careless adventuring are completely dashed. Then the Japanese invade the islands, and US forces there surrender. As a prisoner of war, Henry faces one horror

after another. Yet among his fellow captives, he finds kindness, respect, even brotherhood. A glimmer of light in the darkness. And he'll need to hold tight to the hope they offer if he wants to win the fight for his country, his freedom . . . and his life. Michael P. Spradlin's latest novel tenderly explores the harsh realities of the Bataan Death March and captivity on the Pacific front during World War II.

Feeding Frenzy Scholastic Paperbacks

A brand-new action-packed series from Michael P. Spradlin. Each book covers a genetically engineered super-predator wreaking havoc on the environment. Time has passed since anyone's heard from Dr. Catalyst. Emmet and Calvin have even begun to think that the crazed scientist might be gone for good. But then, on a trip to snorkel off the Florida coast, one of their friends is nearly drowned by an underwater monster, with endless rows of razor-sharp teeth. No one is quite sure what they saw. Was it a moray eel? A giant barracuda? There's only one thing Emmet knows for certain. Dr. Catalyst is back. And this time, he's out for revenge.

Killer Species #3: Out for Blood Scholastic Paperbacks

John Wayne Cheever keeps his obsession with serial killers in check by a set of rigid rules that he lives by, hoping to prevent himself from committing murder, but when a body turns up at a laundromat, must confront a danger outside himself.

A Homeowner's Handbook Scholastic Inc.

"Off the coast of Brazil, a team of scientists discovers a horror like no other, an island where all life has been eradicated, consumed, and possessed by a species beyond imagination. Before they can report their discovery, a mysterious agency attacks the group, killing them all, save one: an entomologist, an expert on venomous creatures, Professor Ken Matsui from Cornell University. Strangest of all, this inexplicable threat traces back to a terrifying secret buried a century ago beneath the National Mall: a cache of bones preserved in amber..."--
Tentacles (Cryptid Hunters, Book 2) Scholastic Inc.

Emmet moves to Florida with his biologist father to investigate a strange, genetically engineered animal found dead in the Everglades, a creature that is the first of a new breed of man-made, apex predator that is about to be turned loose.

How a Radio Station Defined Politics, Counterculture, and Rock and Roll Hyperion

A monster assembled by a scientist from parts of dead bodies develops a mind of his own as he learns to loathe himself and hate his creator. Shelley's suspenseful and intellectually rich gothic tale confronts some of the most important and enduring themes in all of literature—the power of human imagination, the potential hubris of science, the gulf between appearance and essence, the effects of human cruelty, the desire for revenge and the need for forgiveness, and much more.

Menace from the Deep Scholastic Inc.

From USA Today best selling authors, Willow Winters and Lauren Landish, comes a sexy and forbidden series of standalone romances. I knew she'd ruin me. But I wanted her anyway. I was born into wealth and my name comes with a reputation. One I've

upheld and leveraged for power. Now everyone owes me and I plan to keep it that way. Until she's offered to me. Only for a single month to repay a debt. Her tempting curves call to me and beg me to risk it all. I shouldn't take her, I shouldn't even consider his offer. Women like her bring men to their knees. But there's something in her baby blues. They're haunted by what lies behind them. She sees through me, leaving me nowhere to hide. I knew taking her would destroy me, but it only took one taste. Now I'm addicted. And I'm not giving her back.

The Essential Guide to Vehicles and Vessels Harper Collins

A brand-new action-packed series from Michael P. Spradlin. Each book covers a genetically engineered super predator wreaking havoc on the environment. Emmet Doyle is not in the best mood when he arrives in Florida City. His father is a wildlife biologist, and has been summoned to the Everglades, dragging Emmet along with him. Though still in mourning from losing his mom a year ago, Emmet's trying hard to keep a good attitude. Upon their arrival, however, things quickly get weird. Dr. Rosalita Geaux, the Park Superintendent, wastes no time in revealing the reason she called Emmet's father to Florida. A strange creature was recently found dead in the park, and upon seeing it, it becomes clear to everyone that this is not a native species. This is man-made. Deep in the swamp, someone has been experimenting to create a new breed of apex predator. And they're about to set them loose.

The Passage Scholastic Inc.

After their parents are lost in an accident, thirteen-year old twins Grace and Marty are whisked away to live with their Uncle Wolfe—an uncle that they didn't even know they had! The intimidating Uncle Wolfe is an anthropologist who has dedicated his life to finding cryptids, mysterious creatures believed to be long extinct.

The Berinfell Prophecies Series - Book Two Scholastic Paperbacks

"When the ship goes down, the sharks come out.... Stranded in the war torn Pacific, Patrick and his younger brother Teddy are finally homeward-bound. They've stowed away on one of the US Navy's finest ships, and now they just need to stay hidden. But Japanese torpedoes rip their dream apart. And the sinking ship isn't the worst of it. Patrick and Teddy can handle hunger and dehydration as they float in the water and wait to be rescued. If they're smart, they can even deal with the madness that seems to plague their fellow survivors. No, the real danger circles beneath the surface. And it has teeth.... Based on the true events of the 1945 sinking of the USS Indianapolis, author Michael P. Spradlin tells a harrowing story of World War II."

Crocodile Rescue! (Wild Survival #1) St. Martin's Press

Now in the strange realm of Allyra, the Seven young lords confront a traitor in their midst, a creature-infested forest, teenage fears and doubts, inexplicable mysteries . . . and the Spider King himself. In a rigorous training program that makes boot camp look like Disneyland, the Seven must quickly learn to harness their own powers, work as one, and elude the Spider King's spies. But as the ancient Berinfell Prophecies are revealed, the Seven soon discover their training might not be enough. To stop the Spider King they must also unravel the secrets of the Rainsong, travel to a creepy, trap-infested fortress to find the legendary keystone, and lead the Berinfell Elves in an attack on

the Spider King's own turf. An epic adventure with powerful messages about true strength, forgiveness, and working together as one body that will grab the attention of intermediate readers. Learn more about The Berinfell Prophecies at www.heedtheprophecies.com.

Transcending Limitations William Morrow

Tiring of Emmet and Calvin's interference and meddling, the nefarious Dr. Catalyst releases his most deadly creation, a terrifying genetically engineered killer designed specifically to destroy Emmet.

Killer Species #4: Ultimate Attack Barbara Cartland Ebooks Ltd

This epic memoir captures the emotional journey of a preteen coming of age in the Nation's capitol during an era in which Washington, D.C. was the murder capitol of the country. From his initiation into the drug trade at the age of twelve, to his receiving two life sentences at the age of sixteen, the words on these pages relate a tale that is devastating and inspiring in the same breath as its readers will learn the path to contrition which Halim A. Flowers took to transform from a prisoner to a publisher, author, poet, blogger, college student, and an at-risk youth activist.

Star Wars Del Rey

Roland Smith makes his Scholastic debut with a middle-grade adventure novel about the search for a mysterious creature--the giant squid--in this sequel to CRYPTID HUNTERS. Marty and Grace O'Hara's globe-trotting parents disappeared while on assignment

for a nature magazine, and now they're living with their Uncle Wolfe, a scientist fascinated by cryptids--creatures that appear in myths but haven't been proven to exist, such as the Loch Ness Monster. Wolfe is planning an expedition to New Zealand to track a giant squid, and he's rented a huge (and possibly haunted) freighter for the trip. But someone on board is determined to sabotage their mission--and if Marty and Grace keep poking their noses into things, they might end up the saboteur's next victims!

Makings of a Menace, Contrition of a Man MIT Press

The Andromeda Strain meets The Stand in this startling and stunning thriller that brings to life a unique vision of the apocalypse and plays brilliantly with vampire mythology, revealing what becomes of human society when a top-secret government experiment spins wildly out of control. At an army research station in Colorado, an experiment is being conducted by the U.S. Government: twelve men are exposed to a virus meant to weaponize the human form by super-charging the immune system. But when the experiment goes terribly wrong, terror is unleashed. Amy, a young girl abandoned by her mother and set to be the thirteenth test subject, is rescued by Brad Wolgast, the FBI agent who has been tasked with handing her over, and together they escape to the mountains of Oregon. As civilization crumbles around them, Brad and Amy struggle to keep each other alive, clinging to hope and unable to comprehend the nightmare that approaches with great speed and no mercy. . .
