## MARIANA CALI

*A Manual for Writers of Dissertations* Scholastic Inc.

It says in the Bible that we are to give 10% of our gross income to God which is the tithe. We are to take our tithe to our local church. Many make out their tithe without really giving it much thought, which is the way it should be. Whereas, many others put too much thought into tithing which only complicates the act of tithing. God made tithing to be very simple and uncomplicated. In *Riches to Rags to Riches: The Power of Tithing*, author Heidi Guttman tells her story of tithing. Life for Guttman was good. She had material things that would make many people envious: a beautiful townhouse, expensive art, awesome cars, gorgeous furs, expensive jewelry, and a sport yacht, among other things. There was even a leather high chair for the baby. When she lost most of her possessions because she disobeyed God's instructions about tithing, however, Guttman learned the power of material wealth to

distance her from God. *Riches to Rags to Riches: The Power of Tithing* teaches the importance of tithing from God's perspective. Learn about the rewards you can reap from tithing and the losses you can sustain from not tithing. Guttman learned the difference firsthand. When she began tithing faithfully, God restored her in all ways. This can happen to you. As a result of tithing, you can experience God's love, peace, and abundance—a blessing that so many people long for. [This Mournable Body](#) Scholastic Inc. #1 NEW YORK TIMES BESTSELLER | A REESE WITHERSPOON X HELLO SUNSHINE BOOK CLUB PICK "A great narrative about personal strength and really captures how books bring communities together." —Reese Witherspoon From the author of *The Last Letter from Your Lover*, now a major motion picture on Netflix, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond in Depression-era America Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her

stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them—and to the men they love—becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, *The Giver of Stars* is unparalleled in its scope

and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.

*The City of Ember*

Houghton Mifflin Harcourt  
Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

**Gathering Blue** Penguin  
This book takes a deep look into the folk medicine of Vermont. Written by a formally trained doctor who realised the local folk medicine was not only tradition but imperative to the way of life and the health of fellow Vermonters. This little guide provides knowledge and understanding of the nature and long successful uses of folk medicine and will be invaluable to anyone interested in daily increased vitality from childhood through maturity to satisfyingly active old age.

A Novel Simon and Schuster

A searing novel about the obstacles facing women in Zimbabwe, by one of the country's most notable authors  
Anxious about her prospects after leaving a stagnant job, Tambudzai finds herself living in a run-down youth hostel in downtown Harare. For reasons that include her grim financial prospects and her age, she moves to a widow's boarding house and eventually finds work as a biology teacher. But at every turn in her attempt to make a life for herself, she is faced with a fresh humiliation, until the painful contrast between the future she imagined and her daily reality ultimately drives her to a breaking point. In *This Mournable Body*, Tsitsi Dangarembga returns to the protagonist of her acclaimed first novel, *Nervous Conditions*, to examine how the hope and potential of a young girl and a fledgling nation can sour over time and become a bitter and floundering struggle for survival. As a last resort, Tambudzai takes an ecotourism job that forces her to return to her parents' impoverished homestead. It is this homecoming, in

Dangarembga's tense and psychologically charged novel, that culminates in an act of betrayal, revealing just how toxic the combination of colonialism and capitalism can be.

**The Limit** Harper Collins  
Joel Ross debuts a thrilling adventure series in which living in the sky is the new reality and a few determined slum kids just might become heroes. This Texas Bluebonnet selection—a fantasy filled with daring and hope and a wonderfully imaginative world—is perfect for fans of Rick Riordan and Brandon Mull. Once the Fog started rising, the earth was covered with a deadly white mist until nothing remained but the mountaintops. Now humanity clings to its highest peaks, called the Rooftop, where the wealthy Five Families rule over the lower slopes and floating junkyards. Thirteen-year-old Chess and his friends Hazel, Bea, and Swedish sail their rickety air raft over the deadly Fog, scavenging the ruins for anything they can sell to survive. But now survival isn't enough. They must risk everything to get to the miraculous city of Port Oro, the only place where their beloved Mrs. E can

be cured of fogsickness. Yet the ruthless Lord Kodoc is hot on their trail, for Chess has a precious secret, one that Kodoc is desperate to use against him. Now Chess will face any danger to protect his friends, even if it means confronting what he fears the most.

Profit from Happiness

Graywolf Press

What does it mean when a fictional hero takes a journey?. Shares a meal? Gets drenched in a sudden rain shower? Often, there is much more going on in a novel or poem than is readily visible on the surface—a symbol, maybe, that remains elusive, or an unexpected twist on a character—and there's that sneaking suspicion that the deeper meaning of a literary text keeps escaping you. In this practical and amusing guide to literature, Thomas C. Foster shows how easy and gratifying it is to unlock those hidden truths, and to discover a world where a road leads to a quest; a shared meal may signify a communion; and rain, whether cleansing or destructive, is never just rain. Ranging from major themes to literary models, narrative devices, and form, *How to Read Literature Like a*

Professor is the perfect companion for making your reading experience more enriching, satisfying, and fun.

**Stargirl** HarperCollins

The Unity of Wealth, Work, and Personal Fulfillment HarperCollins

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it

shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

Jake Ducey shows readers that the secret to

prosperity and fulfillment at work and at home is to connect more deeply with those around you. Imagine doubling your income, without doubling your work hours. Imagine a world where everyone woke up happy, excited for work, and went home fulfilled. Imagine you could not stop smiling because you constantly felt so good about your professional and personal life. Most people believe that the best way to make more money is to work harder than ever and, as a result, they compromise their relationships, happiness, and energy. Others believe they have to quit their job and travel the world or volunteer their time to find happiness. These are both untrue, according to Ducey. In this enlightening, simple, heart-opening book, he asserts that the secret to high achievement and happiness at work, at school, in your heart, and at home is the deeply human need to wholeheartedly connect with and become more valuable to those around you. Ducey gives you mind-expanding and practical new ways to create more success, money, and happiness. The result is an

enlightening and fulfilling read that will strengthen your relationship with money, bring you closer to those around you, and transform what you do at work, at school, and at home. If you would like to make more money, deepen your connection with others, and increase your energy and happiness, this book is for you.

A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer's day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries – and comes home with a dog. But Winn-Dixie is no ordinary dog. It's because of Winn-Dixie that Opal begins to make friends. And it's because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie.
