The True Story of Two Jewish Sisters' Resistance in the Heart of Nazi Territory Atheneum Books for Young Readers

Sets the scene with a brief history of anti-Semitism prior to Hitler, and documents the horrors of the Holocaust from 1933 onward, in an incisive, interpretive account of the genocide of World War II

Oakville, Ont. : Mosaic Press

Eva was arrested by the Nazis on her fifteenth birthday and sent to Auschwitz. Her survival depended on endless strokes of luck, her own determination and the love and protection of her mother Fritzi, who was deported with her. When Auschwitz was liberated, Eva and Fritzi began the long journey home. They searched desperately for Eva's father and brother, from whom they had been separated. The news came some months later. Tragically, both men had been killed. Before the war, in Amsterdam, Eva had become friendly with a young girl called Anne Frank. Though their fates were very different, Eva's life was set to be entwined with her friend's for ever more, after her mother Fritzi married Anne's father Otto Frank in 1953. This is a searingly honest account of how an ordinary person survived the Holocaust. Eva's memories and descriptions are heartbreakingly

clear, her account brings the horror as close as it can possibly be. But this is also an exploration of what happened next, of Eva's struggle to live with herself after the war and to continue the work of her step-father Otto, ensuring that the legacy of Anne Frank is never forgotten.

A Story of Heartbreak and Survival by the Stepsister of Anne Frank

Hodder & Stoughton

The Man Who Broke into Auschwitz is the extraordinary true story of a British soldier who marched willingly into the concentration camp, Buna-Monowitz, known as Auschwitz III. In the summer of 1944, Denis Avey was being held in a British POW labour camp, E715, near Auschwitz III. He had heard of the brutality meted out to the prisoners there and he was determined to witness what he could. He hatched a plan to swap places with a Jewish inmate and smuggled himself into his sector of the camp. He spent the night there on two occasions and experienced at first-hand the cruelty of a place where slave workers, had been sentenced to death through labor. Astonishingly, he survived to witness the aftermath of the Death March where thousands of prisoners were murdered by the Nazis as the Soviet Army advanced. After his own long trek right across central Europe he was repatriated to Britain. For decades he couldn't bring himself to revisit the past that haunted his dreams, but now Denis Avey feels able to tell the full story -- a tale as gripping as it is moving -- which offers us a unique insight into the mind of an ordinary man whose moral and physical courage are almost beyond belief.

Auschwitz Death Camp Simon and

Schuster

This study compares the policies and attitudes toward the health consequences of World War II in eleven European countries: Austria, Belgium, Denmark, East Germany, France, Italy, Luxembourg, the Netherlands, Norway, Poland, and West Germany. It shows the remarkably asynchronous development in these countries of health care financing and treatment for war survivors, and of the patients' perception of their own health. Using an innovative and multidisciplinary approach, Withuis and Mooij analyze postwar health care in the context of the European political climate at that time.

Auschwitz World War II Auschwitz A History from Beginning to End
 "Brilliantly researched, utterly gripping history: the first full account of a remarkable group of Jewish refugees—a top-secret band of brothers—who waged war on Hitler."—Alex Kershaw, New York Times best-selling author of *The Longest Winter* and *The Liberator*
 The incredible World War II saga of the German-Jewish commandos who fought in Britain's most secretive special-forces unit—but whose story has gone untold until now June 1942. The shadow of the Third Reich has fallen across the European continent. In desperation, Winston Churchill and his chief of staff form an unusual plan: a new commando unit made up of Jewish refugees who have escaped to Britain. The resulting volunteers are a motley group of intellectuals, artists, and athletes, most from Germany and Austria. Many have been interned as enemy aliens, and have lost their families, their homes—their whole worlds. They will stop at nothing to defeat the Nazis. Trained in counterintelligence and advanced combat, this top secret unit becomes

known as X Troop. Some simply call them a suicide squad. Drawing on extensive original research, including interviews with the last surviving members, Leah Garrett follows this unique band of brothers from Germany to England and back again, with stops at British internment camps, the beaches of Normandy, the battlefields of Italy and Holland, and the hellscape of Terezin concentration camp—the scene of one of the most dramatic, untold rescues of the war. For the first time, X Troop tells the astonishing story of these secret shock troops and their devastating blows against the Nazis. "Garrett's detective work is stunning, and her storytelling is masterful. This is an original account of Jewish rescue, resistance, and revenge."—Wendy Lower, author of *The Ravine* and National Book Award finalist *Hitler's Furies*

The Child of Auschwitz: Absolutely Heartbreaking World War 2 Historical Fiction Gale Cengage

"Superbly written and breathtakingly researched, *The Volunteer* smuggles us into Auschwitz and shows us—as if watching a movie—the story of a Polish agent who infiltrated the infamous camp, organized a rebellion, and then snuck back out. We are squarely confronted with the other human truth: ordinary people will happily risk their lives to help others. Fairweather has dug up a story of incalculable value and delivered it to us in the most compelling prose I have read in a long time." --Sebastian Junger, bestselling author of *The Perfect Storm* and *Tribe*
 The incredible true story of a Polish resistance fighter's infiltration of Auschwitz to sabotage the camp from within, and his death-defying attempt to warn the Allies about the Nazis' plans for a "Final Solution" before it was too late. To uncover the fate of the thousands

being interred at a mysterious Nazi camp on the border of the Reich, a thirty-nine-year-old Polish resistance fighter named Witold Pilecki volunteered for an audacious mission: assume a fake identity, intentionally get captured and sent to the new camp, and then report back to the underground on what had happened to his compatriots there. But gathering information was not his only task: he was to execute an attack from inside--where the Germans would least expect it. The name of the camp was Auschwitz. Over the next two and half years, Pilecki forged an underground army within Auschwitz that sabotaged facilities, assassinated Nazi informants and officers, and gathered evidence of terrifying abuse and mass murder. But as he pieced together the horrifying truth that the camp was to become the epicenter of Nazi plans to exterminate Europe's Jews, Pilecki realized he would have to risk his men, his life, and his family to warn the West before all was lost. To do so, meant attempting the impossible--an escape from Auschwitz itself. Completely erased from the historical record by Poland's post-war Communist government, Pilecki remains almost unknown to the world. Now, with exclusive access to previously hidden diaries, family and camp survivor accounts, and recently declassified files, Jack Fairweather offers an unflinching portrayal of survival, revenge and betrayal in mankind's darkest hour. And in uncovering the tragic outcome of Pilecki's mission, he reveals that its ultimate defeat originated not in Auschwitz or Berlin, but in London and Washington.

The True Story of the Women Who Sewed to Survive Tor Teen

Nazis after Hitler traces the histories of thirty "typical" perpetrators of the

Holocaust—some well known, some obscure—who survived World War II. Donald M. McKale reveals the shocking reality that the perpetrators were only rarely, if ever, tried and punished for their crimes, and nearly all alleged their innocence in Germany's extermination of nearly six million European Jews during the war, providing fodder for postwar Holocaust deniers. Written in a compelling narrative style, *Nazis after Hitler* is the first to provide an overview of the lives of Nazis who survived the war, the vast majority of whom escaped justice. McKale provides a unique and accessible synthesis of the extensive research on the Holocaust and Nazi war criminals that will be invaluable for all readers interested in World War II.

The Secret Jewish Commandos of World War II Harvard University Press

World War II Auschwitz Auschwitz is a monument to the barbaric inhumanity of the Nazi regime. It is the site where more than one million people were systematically tortured and killed in support of Adolf Hitler's determination to eradicate entire populations that he viewed as racially impure. Dr. Josef Mengele conducted horrific experiments on live victims, treating his subjects as if they weren't human. The Jews, homosexuals, Communists, Jehovah's Witnesses, and the mentally and physically disabled were less than human to the Nazis. The "Final Solution," a cornerstone of Nazi ideology, enacted a devastating sentence upon people whose only crime was their ethnic origin or their religious and political beliefs. But the voices of Auschwitz continue to be heard. Anne Frank's diary speaks for all the innocent who were sent there. Elie Wiesel spent his life speaking out against the horrors he and others endured at Auschwitz. The recorded

histories of the survivors of the camps keep the memories alive for generations whose only knowledge of the Holocaust would otherwise be through a school assignment to read The Diary of Anne Frank or by watching a movie like Schindler's List. Auschwitz holds a bizarre fascination for those who hear about it; how could such evil thrive? How could an entire nation surrender to the rantings of a diabolical man who sought revenge against the followers of a religion? The names reverberate in a gallery of maniacs who purported to be leaders: Hitler, Goebbels, Mengele, Goering, Himmler, and the countless others who supported them. Inside you will read about... - Adolf Hitler and the Preservation of the Aryan Race - The Nazis in Charge - The Final Solution to the Jewish Question - The Angel of Death - Life in Auschwitz - Liberation and Judgment And much more! Germany today is staunch in its refusal to allow Nazism to thrive. The nation that built Auschwitz and employed its Final Solution is now the country that has enacted legislation to prevent the Holocaust from being repeated. But hatred is contagious. As Martin Luther King, Jr. once observed, Adolf Hitler operated within the law when he committed his vile acts. They were laws that he created. Evil can triumph if people allow it to do so. Today, Auschwitz is a museum where people can see for themselves the terrible extent to which humanity can hate. But Auschwitz is also a warning to subsequent generations. Do not be fooled into thinking that any ethnic group, any nation, any religion is safe. When demagoguery and prejudice are allowed to legislate their evil, genocide becomes a solution to a problem rather than an unthinkable act. It happened

once; it can happen again. The survivors and the victims alike want their story to be told, lest we forget.

Always Remember Me Bookouture

Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust. These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.

The Untold Story of Nonna Bannister
CreateSpace

Emanuel Ringleblum was a famous freedom fighter and historian during World War II and the Holocaust. He has hidden several incriminating documents about the Nazis, and it is your mission is to travel back to Warsaw, Poland, and retrieve these documents. There are informers and spies in every corner, so you have to be on your toes at all times! The Time Machine series challenges young readers to use their imagination and decision-making skills to write their own story. Options in the text allow readers to choose any path they like within the plot. Readers must draw on background information about the period to make the right choices. This makes the series a great educational device for youngsters to learn about history and all the different cultures, events, and periods that shaped it.

I Escaped from Auschwitz Public Affairs

Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Survivors: True Stories of Children in the Holocaust HarperCollins

The unforgettable story of two unsung heroes of World War II: sisters Janny and Lien Brilleslijper who joined the Dutch Resistance, helped save dozens of lives, were captured by the Nazis, and ultimately survived the Holocaust. Eight months after Germany's invasion of Poland, the Nazis roll into The Netherlands, expanding their reign of brutality to the Dutch. But by the Winter of 1943, resistance is growing. Among those fighting their brutal Nazi occupiers are two Jewish sisters, Janny and Lien Brilleslijper from Amsterdam. Risking arrest and death, the sisters help save others, sheltering them in a clandestine safehouse in the woods, they called "The High Nest." This secret refuge would become one of the most important Jewish safehouses in the country, serving as a hiding place and underground center for resistance partisans as well as artists condemned by Hitler. From The High Nest, an underground web of artists arises, giving hope and light to those living in terror in Holland as they begin to restore the dazzling pre-war life of Amsterdam and The Hague. When the house and its occupants are eventually betrayed, the most terrifying time of the sisters' lives begins. As Allied troops close in, the Brilleslijper family are rushed onto the last train to Auschwitz, along with Anne

Frank and her family. The journey will bring Janny and Lien close to Anne and her older sister Margot. The days ahead will test the sisters beyond human imagination as they are stripped of everything but their courage, their resilience, and their love for each other. Based on meticulous research and unprecedented access to the Brilleslijpers' personal archives of memoirs and photos, *Sisters of Auschwitz* is a long-overdue homage to two young women's heroism and moral bravery—and a reminder of the power each of us has to change the world.

Hitler's Shadow War Bookouture

In this astonishing story that "reads like a thriller and is so, so timely" (BuzzFeed) Ariana Neumann dives into the secrets of her father's past: "Like Anne Frank's diary, it offers a story that needs to be told and heard" (Booklist, starred review). In 1941, the first Neumann family member was taken by the Nazis, arrested in German-occupied Czechoslovakia for bathing in a stretch of river forbidden to Jews. He was transported to Auschwitz. Eighteen days later his prisoner number was entered into the morgue book. Of thirty-four Neumann family members, twenty-five were murdered by the Nazis. One of the survivors was Hans Neumann, who, to escape the German death net, traveled to Berlin and hid in plain sight under the Gestapo's eyes. What Hans experienced was so unspeakable that, when he built an industrial empire in Venezuela, he couldn't bring himself to talk about it. All his daughter Ariana knew was that something terrible had happened. When Hans died, he left Ariana a small box filled with letters, diary entries, and other memorabilia. Ten years later Ariana finally summoned the courage to have the letters translated, and she

began reading. What she discovered launched her on a worldwide search that would deliver indelible portraits of a family loving, finding meaning, and trying to survive amid the worst that can be imagined. A “beautifully told story of personal discovery” (John le Carré), *When Time Stopped* is an unputdownable detective story and an epic family memoir, spanning nearly ninety years and crossing oceans. Neumann brings each relative to vivid life, and this “gripping, expertly researched narrative will inspire those looking to uncover their own family histories” (Publishers Weekly).

Parallel Journeys HarperCollins

A powerful chronicle of the women who used their sewing skills to survive the Holocaust, stitching beautiful clothes at an extraordinary fashion workshop created within one of the most notorious WWII death camps. At the height of the Holocaust twenty-five young inmates of the infamous Auschwitz-Birkenau concentration camp—mainly Jewish women and girls—were selected to design, cut, and sew beautiful fashions for elite Nazi women in a dedicated salon. It was work that they hoped would spare them from the gas chambers. This fashion workshop—called the Upper Tailoring Studio—was established by Hedwig Höss, the camp commandant’s wife, and patronized by the wives of SS guards and officers. Here, the dressmakers produced high-quality garments for SS social functions in Auschwitz, and for ladies from Nazi Berlin’s upper crust. Drawing on diverse sources—including interviews with the last surviving seamstress—*The Dressmakers of Auschwitz* follows the fates of these brave women. Their bonds of family and friendship not only helped them endure persecution, but also to

play their part in camp resistance.

Weaving the dressmakers’ remarkable experiences within the context of Nazi policies for plunder and exploitation, historian Lucy Adlington exposes the greed, cruelty, and hypocrisy of the Third Reich and offers a fresh look at a little-known chapter of World War II and the Holocaust.

[A Bibliography](#) ebooks

"The exhibition *Auschwitz: Not Long Ago. Not Far Away.* uses 600 original objects, 400 images, and 10 stories to provide a comprehensive history of Auschwitz concentration camp and the role it played in the Holocaust. The catalog of *Auschwitz: Not Long Ago. Not Far Away.* is not only a valuable document of this unprecedented exhibition, but one of the best books for the general readers on the history of Auschwitz, where 1.1 million people - mostly Jews, but also non-Jewish Poles, Roma, and others - lost their lives"--

Africans and the Holocaust Little, Brown

For readers of *Lilac Girls* and *The Tattooist of Auschwitz*, a heartbreaking story of survival, where life or death relies on the smallest chance and happiness can be found in the darkest times. It is 1942 and Eva Adami has boarded a train to Auschwitz. Barely able to breathe due to the press of bodies and exhausted from standing up for two days, she can think only of her longed-for reunion with her husband Michal, who was sent there six months earlier. But when Eva arrives at Auschwitz, there is no sign of Michal and the stark reality of the camp comes crashing down upon her. As she lies heartbroken and shivering on a thin mattress, her head shaved by rough hands, she hears a whisper. Her bunkmate, Sofie, is reaching out her hand... As the days pass, the two women learn each other's

hopes and dreams - Eva's is that she will find Michal alive in this terrible place, and Sofie's is that she will be reunited with her son Tomas, over the border in an orphanage in Austria. Sofie sees the chance to engineer one last meeting between Eva and Michal and knows she must take it even if means befriending the enemy... But when Eva realizes she is pregnant, she fears she has endangered both their lives. The women promise to protect each other's children, should the worst occur. For they are determined to hold on to the last flower of hope in the shadows and degradation: their precious children, who they pray will live to tell their story when they no longer can.

A World War II Hybrid Graphic Holocaust Memoir Rowman & Littlefield

Nazis began detaining Jews in camps as soon as they came to power in 1933. Kim Wünschmann reveals the origin of these extralegal detention sites, the harsh treatment Jews received there, and the message the camps sent to Germans: that Jews were enemies of the state, dangerous to associate with and fair game for acts of intimidation and violence.

A Novel Tyndale House Publishers, Inc. Written in Auschwitz itself, this one-of-a-kind, minute-by-minute true account is a crucial historical testament to a Holocaust survivor's fight for his life at the largest extermination camp in Nazi Germany, translated for the first time ever into English. "We know that there is only one ending to this, only one liberation from this barbed wire hell:

death." --Eddy de Wind In 1943, amidst the start of German occupation, Eddy de Wind worked as a doctor at Westerbork, a Dutch transit camp. His mother had been taken to this camp by Nazis but Eddy was assured by the Jewish Council she would be freed in exchange for his labor. He later found out she'd already been transferred to Auschwitz. While at Westerbork, he fell in love with a woman named Friedel and they married. One year later, they were transported to Auschwitz. Upon arrival, Friedel and Eddy were separated--Eddy forced to work as a medical assistant in one barrack, Friedel at the mercy of Nazi experimentation in a nearby block. Sneaking moments with his beloved and communicating whenever they could, Eddy longed for the day he could be free with Friedel... Written in the camp itself in the weeks following the Red Army's liberation of the camp, *Last Stop Auschwitz* is the raw, true account of Eddy's experiences at Auschwitz. In stunningly poetic prose, he provides unparalleled access to the horrors he faced in the concentration camp. Including photos from Eddy's life before, during, and after the Holocaust, this poignant memoir is at once a moving love story, a detailed portrayal of the atrocities of Auschwitz, and an intelligent consideration of the kind of behavior--both good and evil--people are capable of. Never before published in English, this book is a vital and enduring document: a testament to the strength of the human spirit, and a warning against the depths we can sink to when prejudice is given power
