*Essays in Honor of J. Dwight Pentecost*

Thomas Nelson

Now completely revised and enlarged, using quotations from the New International Version -- John F. Walvoord's classic work on the Rapture! The Rapture Question examines the four views of the church's role in the tribulation: Partial Rapturism, Pretribulationism, Midtribulationism, and Posttribulationism, with the revised edition particularly discussing the current debate between pretribulationism and posttribulationism. In updating his work, the author also added treatments on the Rapture in the Gospels, in 1 Thessalonians 4, in 1 Thessalonians 5, in 2 Thessalonians, in 1 Corinthians, and in Revelation. A bibliography of current literature plus general and Scripture indexes are included.

**The Progress of Dogma** Kregel Publications

A practical and powerful reminder that new life in Christ gives us a whole new purpose - and a new goal for every aspect of life...we have been designed to be like Him.

**God's Answers to Man's Problems**

A recent string of popular-level books written by the New Atheists have leveled the accusation that the God of the Old Testament is nothing but a bully, a murderer, and a cosmic child abuser. This viewpoint is even making inroads into the church. How are Christians to respond to such accusations? And how are we to reconcile the seemingly disconnected natures of God portrayed

in the two testaments? In this timely and readable book, apologist Paul Copan takes on some of the most vexing accusations of our time, including: God is arrogant and jealous God punishes people too harshly God is guilty of ethnic cleansing God oppresses women God endorses slavery Christianity causes violence and more Copan not only answers God's critics, he also shows how to read both the Old and New Testaments faithfully, seeing an unchanging, righteous, and loving God in both.

*The End* Kregel Publications

The Millennial Kingdom is a comprehensive biblical and historical treatment of the doctrine of the millennium written for the pastor, students, scholar, or layperson. The three leading millennial views -- postmillennialism, amillennialism, and premillennialism -- are presented in the context of their history, their theology, and their biblical interpretation. Dr. Walvoord presents postmillennialism first and then discusses amillennialism. However, the subject of premillennialism forms the main body of the work. The author introduces premillennialism with a survey of its historical background in the Old and New Testaments and in the history of the church. Its theological setting and methods of interpretation are discussed. A presentation of the character of the millennium concludes the volume.

The Rapture Question Baker Books

Dr. Pentecost demonstrates that discipleship is a growing experience of knowledge, commitment, active love, and service.

A Harmony of the Words and Works of Jesus Christ Kregel Publications

The end times have seen a great amount of interest within the last two decades,

but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades. Mark Hitchcock's book is that comprehensive resource for the twenty-first century. The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven. It will provide a solid biblical foundation for Christians to explore the essential truths around this topic—the end of the world.

*Pentecost - Today?* Kregel Publications  
Bestselling author Tim LaHaye and prophecy expert Thomas Ice teamed up to produce a visual resource unmatched by anything available in the Christian book marketplace! The result of decades of careful research and Bible study, the charts and well-written explanatory text provide a fascinating picture of the times ahead. *Charting the End Times* includes... A foldout portraying God's complete plan for the ages More than 50 full-color charts and diagrams Timelines of the end times A comprehensive overview of the key elements of the last days Clear answers to tough end-times questions Providing a wealth of information, this book is certain to become a popular study tool for understanding God's unfolding plan!  
*The Joy of Fellowship* Tyndale House Publishers, Inc.

Because of the prominence of prophecy in Scripture, many excellent books have appeared dealing with prophetic subjects. Until recently, however, the treatment of prophecy has been either apologetic or expository, and prophetic themes have been developed individually apart from their relation to the whole revealed prophetic program. Much of our knowledge has been only fragmentary and unrelated. Dr. Dwight Pentecost's monumental text, *Things to*

*Come*, has changed all that. In this massive, highly successful book, Dr. Pentecost has synthesized the whole field of prophecy into a unified biblical doctrine, a systematic and complete biblical eschatology. With nearly a quarter of a million copies sold, *Things to Come* has earned its place in the library of the pastor, the scholar, and the seminarian or Bible institute student. In addition, it offers a comprehensive and accessible study for anyone interested in the important subject of biblical prophecy.

The life of Jesus Christ takes on fresh clarity and meaning in this masterful work by Dwight Pentecost. The words, the miracles, and overarching message of the Messiah come alive in flowing and detailed chronology, set against the cultural, political, and religious setting of his day. You'll gain new understanding of why Jesus came, how he operated, and what he accomplished. Above all, you'll acquire a deeper appreciation for the love that guided his path, beginning in a manger in Bethlehem, leading through three and a half years of ministry that ended abruptly at the cross on Golgotha, and blazing forth in eternal triumph at the resurrection. Drawing liberally on the works of others who have written about

Christ, such as Alfred Edersheim, J. W. Shepherd, W. Graham Scroggie, and Frederick Faraar, Dr. Pentecost reveals in his own writing a familiarity with the subject that comes from years of teaching. Yet he writes, not as one who knows all there is to know about Christ, but with the restraint of one who knows that Jesus is to be worshiped and adored as the great King, and that no book can do more than begin to tell all the wonders of his being and his love.

*The Blessed Hope* David C Cook

A study of the development of doctrine in the unfolding history of the Christian church. The author describes the relationship between the development of doctrinal ideas and the spread of Christianity, showing how doctrine is, in fact, a reaction to the particular disputes of each era.

This book is part of the Foundation Series by Pastor Ron Phillips.

**Faith That Endures** Kregel Publications  
Dr. Pentecost describes the setting of each parable, explains the problem or question it addresses, and offers Christ's solution to that issue.

[Designed to be Like Him](#) P & R Publishing

This verse-by-verse exposition looks at biblical teachings on fellowship in a way that readers of all ages can comprehend.

HEADLINE: Is it really that big of a deal?

A May 2009 Gallup poll revealed that fifty-seven percent of Americans oppose same-sex marriage, while only forty percent are in favor of it (down from forty-six percent in 2007). This short, easy-to-read book helps shed light on what so many people believe, and why they ought not be at a loss about what to do now. The headlines only tell part of

the story. In this revised and updated version of his bestselling book, Dr. Erwin Lutzer clearly and accurately depicts the truth about what is at stake here. By asking the right questions and by pinpointing the very real ramifications of same-sex marriage this handbook will help guide reality back to Truth. Dr. Lutzer expertly answers the questions that so many individuals, parents, friends, and families are asking: -How did we get to this point? -Why is marriage, as God intended it, better—and healthier? -How can I talk to my kids about this? -How do I responsibly read, watch, and filter the news? -Is there still hope? Let no one say that we have to choose between loving homosexuals and opposing same-sex marriages. Biblically, love is defined not as license to legitimize sinful behavior of any kind, but love helps us see that there is a better way. Obviously, we must be as concerned about our own sins as we are about the sins of the homosexual community. We must be concerned enough to speak out about any action, heterosexual or homosexual, that violates God's intended plan for marriage and the family. This simple, straightforward look at the issue of same-sex marriage will equip you to know what is really happening and, most importantly, why it matters for you.

**The Millennial Kingdom** Discovery House Publishers

Dr. Chafer's work has long been recognized as a classic. In six concise chapters he offers a clear biblical treatment of man's sin, God's salvation, and the believer's responsibility. He expounds on the meaning of genuine evangelism by explaining its false forces, its objective, the role of the Holy Spirit, the importance of intercession, suffering with Christ, and the cleansing of the

priests. Thorough indexes by subject and Scripture reference are included.

*Things to Come* Wm. B. Eerdmans Publishing

A thorough study that traces the kingdom program from Genesis to Revelation, relating the various biblical covenants.

*True Evangelism* Zondervan Academic Hebrews is a thorough and wide-ranging look at Jesus' fulfillment of the expectations and religious requirements of the Old Testament. Dr. Pentecost guides the reader through the rich historical meaning and contemporary applications of Hebrews.

**Charting the End Times** Harvest House Publishers

Jesus Christ is coming again! That is the Blessed Hope which has since the earliest days of the Church energized Biblical Christians looking for the full revelation of God's redemption. The author sketches the history of interpretations of Christ's second coming and then carefully and lucidly examines the Biblical passages on which this doctrine is based. His conclusion is that the Blessed Hope is the second coming of Jesus Christ, not a pretribulation rapture that believers in a secret coming of Jesus. Yet he concludes that there should be liberty and charity within the Christian community for all who hold to the expectation of "the blessed hope and appearing in glory of our great God and Saviour Jesus Christ."
