*CliffsNotes on McCarthy's All the Pretty Horses* Vintage

To 16-årige drenges møde med en barsk og uretfærdig verden, da de i 1948 bryder op fra Texas for at søge lykken i Mexico

**The Answer** All the Pretty Horses This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-

runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as

bloodily contemporary as this morning's headlines. No Country for Old Men is a triumph.

All the Pretty Horses Houghton Mifflin Harcourt

Now a Netflix film starring Tom Holland and Robert Pattinson A dark and riveting vision of 1960s America that delivers literary excitement in the highest degree. In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of Oliver Stone's *Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters from the end of World War II to the 1960s. There's Willard Russell,

tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his "prayer log." There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate. There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into a taut narrative that will leave readers astonished and deeply

moved. With his first novel, he proves himself a master storyteller in the grittiest and most uncompromising American grain.

**The Devil All the Time** Cambridge University Press

The first book in a trilogy centring on John Grady Cole, the last survivor of long generations of Texas ranchers, who runs off to Mexico after his mother sells their ranch and cuts him off from the only life he has ever wanted; This title is also available as a film.

**Quicklet on All the Pretty Horses by Cormac McCarthy** Simon and Schuster  
Cormac McCarthy both embodies and redefines the notion of the artist as outsider. His fiction draws on recognizable American themes and employs dense philosophical and

theological subtexts, challenging readers by depicting the familiar as inscrutably foreign. The essays in this Companion offer a sophisticated yet concise introduction to McCarthy's difficult and provocative work. The contributors, an international team of McCarthy scholars, analyze some of the most well-known and commonly taught novels - *Outer Dark*, *Blood Meridian*, *All the Pretty Horses* and *The Road* - while providing detailed treatments of McCarthy's work in cinema, including the many adaptations of his novels to film. Designed for scholars, teachers and general readers, and complete with a chronology and bibliography for further reading, this Companion is an essential reference for anyone interested in gaining a deeper understanding of one

of America's most celebrated living novelists.

*A Study Guide for Cormac McCarthy's All the Pretty Horses* Harper Collins

John Grady Cole is the last bewildered survivor of long generations of Texas ranchers. Finding himself cut off from the only life he has ever wanted, he sets out for Mexico with his friend Lacey Rawlins. Befriending a third boy on the way, they find a country beyond their imagining: barren and beautiful, rugged yet cruelly civilised; a place where dreams are paid for in blood. *All the Pretty Horses* is an acknowledged masterpiece and a grand love story: a novel about childhood passing, along with innocence and a vanished American age. Steeped in the wisdom that comes only from loss, it is a magnificent

parable of responsibility, revenge and survival. Celebrating 40 years of outstanding international writing, this is one of the essential Picador novels reissued in a beautiful new series style. *Cormac McCarthy* Gale, Cengage Learning

Following #1 Sunday Times bestseller *The Burning Chambers*, New York Times bestseller Kate Mosse returns with *The City of Tears*, a sweeping historical epic about love in a time of war. "Mosse is a master storyteller."—Madeline Miller, #1 New York Times bestselling author of *Circe* *Alliances* and *Romance August 1572: Minou Joubert* and her husband Piet travel to Paris to attend a royal wedding which, after a decade of religious wars, is intended to finally bring peace between the Catholics and the

Huguenots. Loyalty and Deception Also in Paris is their oldest enemy, Vidal, in pursuit of an ancient relic that will change the course of history. Revenge and Persecution Within days of the marriage, thousands will lie dead in the street, and Minou's family will be scattered to the four winds . . .

*The Crossing* GRIN Verlag

25th ANNIVERSARY EDITION • An epic novel of the violence and depravity that attended America's westward expansion, *Blood Meridian* brilliantly subverts the conventions of the Western novel and the mythology of the Wild West—from the bestselling, Pulitzer Prize-winning author of *The Road* Based on historical events that took place on the Texas-Mexico border in the 1850s, it traces the fortunes of the Kid, a fourteen-year-old

Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving.

*Cormac McCarthy's All the Pretty Horses*  
Scholastic

The horses in *All the Pretty Horses* are ubiquitous but rarely the center of attention. Their depiction is surprisingly authentic and without anthropomorphization. This book illustrates how an equicentric reading offers new insights into the novel's spaces, characters, and relationships. It features comparisons with popular horse-narratives and an equicentric analysis of the novel's gender relations. How does horsemanship redefine masculinity? What is the inherent connection between femininity and the

equine? This book answers these questions from an equicentric perspective, while taking into account patterns of anthropocentrism and misogyny. In addition, the focus is on the narratees and on how the degree of equine experience they bring to the narrative may enhance the horses' figurative significance.

A little girl dreams of horses.

**From the Border Trilogy** Peter Lang D  
A trio of novel--All the Pretty Horses, The Crossing, and Cities of the Plain--that chronicles the lives and fates of two young men coming of age in the American Southwest and Mexico are combined in a single volume. 20,000 first printing.

**Ruby's World** Vintage

Cut off from the life of ranching he has come to love by his grandfather's death, John Grady Cole flees to Mexico, where he and his two companions embark on a rugged and cruelly idyllic adventure *The Development of John Grady Cole in Cormor McCarthy's "All the Pretty Horses"* Cambridge University Press  
In the 1930s, Billy and his family come to Hidalgo County, New Mexico, where he becomes obsessed with a wild wolf that lives a precarious existence threatened by the region's ranchers.

**Picador Classic** Vintage

This handsome edition of McCarthy's completed Border Trilogy in one volume gives the reader one of the most important works of American fiction of the last decades. McCarthy's work is far more than a western, but crosses the

borders between fiction and philosophy, the real and the world of dream. With influences ranging from the traditional western; the coming-of-age story; the courtly romance; classical tragedy; and magical realism, McCarthy's masterpiece is a work to be read and read again. This new volume containing all three of the novels, *All the Pretty Horses*, *The Crossing*, and *Cities of the Plain*, is a welcome addition to the canon of McCarthy's works in print.

**All the Pretty Horses** Minotaur Books  
NATIONAL BOOK AWARD WINNER •  
NATIONAL BESTSELLER • The first  
volume in the Border Trilogy, from the  
Pulitzer Prize-winning author of *The Road* *All the Pretty Horses* is the tale of  
John Grady Cole, who at sixteen finds  
himself at the end of a long line of Texas

ranchers, cut off from the only life he  
has ever imagined for himself. With two  
companions, he sets off for Mexico on a  
sometimes idyllic, sometimes comic  
journey to a place where dreams are  
paid for in blood.

A key team member behind *The Secret*  
and his business partner offer the  
specific tools and mental strategies to  
help readers leap ahead in any career or  
business venture and achieve major

financial success. In this visionary work, New York Times bestselling author John Assaraf and business guru Murray Smith reinvent the business book for the twenty-first century. Two of the most successful entrepreneurs in the world, they combine forces to bring their special insights and techniques together in a revolutionary guide for success in the modern business environment. Assaraf and Smith know how to minimize risk and maximize success, and *The Answer* provides a framework for sharing their wisdom, experience, and skills with the millions of people who want to accomplish their own dreams in life. Using cutting-edge research into brain science and quantum physics, they show how readers can actually rewire their brains for success and create the kind of

extraordinary lives they want. By teaching readers how to attract and use newly discovered "uncommon" senses to achieve business success, the authors demonstrate the beliefs, habits, thoughts, and actions that they have used to build eighteen multimillion-dollar companies. Any reader who follows this step-by-step process to build his or her career will experience an enormous life transformation and reach an exceptional level of living.

**Seven Days in Utopia** Picador USA  
 NOW A MAJOR MOTION PICTURE starring  
 Robert Duvall and Lucas Black  
 This book is about influence and inspiration and a deeper, more profound way of looking at life. The story is based on thousands of athletes who author and performance psychologist Dr. David Cook has

counseled, and the great mentors and teachers from whom he has learned. Told through the lives of two characters—an eccentric rancher with a passion for teaching truth, and a young golf professional at the end of his rope looking to escape the pressures of the game—they represent each one of us in our various stages of growth. And through them we are reminded that, in life, we must be willing to coach and be coached. Life is never the same once you've been to Utopia. "Read it. Devour it. Keep it as a reference book. You'll be glad you did. Golf's Sacred Journey is a remarkable and encouraging story with an entirely different approach on how to succeed in your golf game."—Zig Ziglar, leading motivational expert and bestselling author "This book is full of

wisdom that will enhance your game and I believe it just may change your life."—David Robinson, NBA MVP, 1992 Olympic Gold Medalist, Two Time World Champion

All the Pretty Horses Vintage  
Cormac McCarthy's first novel, *The Orchard Keeper*, won the William Faulkner Award. His other books - *Outer Dark*, *Child of God*, *Suttree*, and *Blood Meridian* - have drawn a cult readership and the praise of such writers as Annie Dillard and Shelby Foote. "There are so many people out there who seem to have a hunger to know more about McCarthy's work," says McCarthy scholar Vereen Bell. Helping to satisfy such a need, this collection of essays, one of the few critical studies of Cormac McCarthy, introduces his work and lays

the groundwork for study of an important but underrecognized American novelist, winner in 1992 of the National Book Award and the National Book Critics Circle Award for *All the Pretty Horses*. The essays explore McCarthy's historical and philosophical sources, grapple with the difficult task of identifying the moral center in his works,

and identify continuities in his fiction. Included too is a bibliography of works by and about him. As they reflect critical perspectives on the works of this eminent writer, these essays afford a pleasing introduction to all his novels and his screenplay, "The Gardener's Son."
