Ancient Greek Beliefs explores the mysteries of the ancient myths and religious beliefs of a great people. The text is divided into three sections, Greek mythology, the ancient Greeks, and conclusions. A brief history and lengthy glossary are included. The book is designed as a basic text for the introduction to ancient Greek mythology and beliefs, and the text muses about the religious lessons we might learn from them. It contains abridged stories of Greek mythology, including the extant Greek plays, and considers portions of the works of the great writers, including Aeschylus, Euripides Hesiod, Homer, Plato, and Sophocles. It opens a comprehensive window into the lives of these great ancient people.

The gripping third novel by Naomi Wood, author of the award-winning Mrs. Hemingway, a Richard & Judy Book Club pick. Now

in paperback. In 1922, Paul Beckermann arrives at the Bauhaus art school and is immediately seduced by both the charismatic teaching and his fellow students.

Eccentric and alluring, the more time Paul spends with his new friends the closer they become, and the deeper he falls in love with the mesmerising Charlotte. But Paul is not the only one vying for her affections, and soon an insidious rivalry takes root. As political tensions escalate in Germany, the Bauhaus finds itself under threat, and the group begins to disintegrate under the pressure of its own betrayals and love affairs. Decades later, in the wake of an unthinkable tragedy, Paul is haunted by a secret. When an old friend from the Bauhaus resurfaces, he must finally break his silence. From the author of the award-winning Mrs Hemingway, Naomi Wood's *The Hiding Game* is a beautifully written, powerful and suspenseful novel about the dangerously fine line between love and obsession, set against the most turbulent era of our recent past. "A suspenseful story of obsession against the tense political backdrop of

Germany's Bauhaus art school." - Sunday Times [Fundamentals of a Good Fifth-grade Education](#)

The Porn Myth is a non-religious response to the commonly held belief that pornography is a harmless or even beneficial pastime. Author Matt Fradd draws on the experience of porn performers and users, and the expertise of neurologists, sociologists, and psychologists to demonstrate that pornography is destructive to individuals, relationships, and society. He provides insightful arguments, supported by the latest scientific research, to discredit the fanciful claims used to defend and promote pornography. This book explains the neurological reasons porn is addictive, helps individuals learn how to be free of porn, and offers real help to the parents and the spouses of porn users. Because recent research on pornography's harmful effects on the brain validates the experiences of countless porn users, there is a growing wave of passionate individuals trying to change the pro-porn cultural norm-by inspiring others to pursue

real love and to avoid its hollow counterfeit. Matt Fradd and this book are part of that movement, which is aiding the many men and women who are seeking a love untainted by warped perceptions of intimacy and rejecting the influence of porn in their lives.

The Mackay

cousins—Natches, Rowdy, and Dawg—would do anything for family, so when former DHS agent Timothy Cranston drops off four sisters that Dawg never knew he had, there is no question: The cousins will protect and care for the girls, and their mother, because they're family. Five years later, Eve Mackay, the eldest sister, has graduated from college and settled in to life as a Mackay in Pulaski County, Kentucky. She works hard as a cocktail waitress and helps out at the bed-and-breakfast that Dawg bought for her mother. If she keeps herself busy enough, maybe she'll be able to stay away from the man she promised Dawg she wouldn't date, the man who has awakened her most ravenous fantasies... He's Brogan Campbell, a biker rumored to be a traitor

and a thief. But he's just playing a part; he came to Kentucky for a DHS mission that no one, except Cranston, is supposed to know about. Eve is the key to the whole operation, and his orders are to get her participation. But his need for Eve has nothing to do with stolen secrets and the safety of the country... When Dawg took in Eve and her sisters, he warned them that if they ever lied, cheated, or betrayed the family, they risked losing everything. But desire and danger are locked in an inescapable embrace, and Eve has to make her choice between family or Brogan, for better or worse...

*Blood on the Altar Seven Seas*

Here is a display of an example of the consequences lying ahead of respected religious leaders who toy with secret sins. This dramatic piece contains an emphatic expression of the fact that unconfessed sins can not be concealed for ever, like smoke, it still finds a way to ooze out of an unexpected opening. Rev. Hosea, had desecrated the Lord's altar with terrible hidden sins, and in his various attempt to conceal these sins, he got them increasing one upon the other until he got too far and felt it hard to turn back. This dramatic piece had already been made into an inspiring TV Serial and shown on more than 75 TV stations in Nigeria and ran on many satellite channels including the AFRICAN MAGIC Channel of the M-NET, South Africa.

Tante Independently Published

A reckless princess. An enemy kingdom. And a mistake that could cost her everything. Princess Rowan thought she knew her place in the world. She never expected to

feel like an outsider. She certainly never imagined she would fall in love, least of all with a man from a barbarian kingdom half a world away. But when series of missteps lands her in the hands of the people she was brought up to hate, she is forced to reconsider everything she thought she knew about both lands. And about herself. After a lifetime of animosity between the kingdoms, will the Socairans ever accept her as one of their own? Or will her mistakes push her people into yet another war? \*This enthralling story from the Lochlann Realm takes place after The Lochlann Treaty, but can be devoured and enjoyed all on its own.\*

 Howard Gordon—the longtime executive producer of the hit TV series 24—makes his fiction debut with a tale of political intrigue and international terrorism. Gideon Davis has just 48 hours to bring his rogue agent brother in—before a twisted global conspiracy

turns deadly. GIDEON DAVIS, whose behind-the-scenes negotiating skills have earned him the role of peacemaker in conflicts around the globe, knows more about hush-hush discussions in Capitol corridors than he does about hand-to-hand combat. But his more practical, tactical skills come into play when he's called on by family friend and government bigwig Earl Parker to chaperone a rogue agent from Southeast Asia to D.C. The agent, Tillman Davis, has promised to turn himself in— but only to his brother, Gideon. Although the two brothers have been estranged for years, Gideon cannot fathom how his brother could have turned into so ruthless a man. But when the plan for Tillman's surrender goes awry and Earl Parker is taken hostage, Gideon is forced to embrace his dark side in order to evade hostile locals in war-torn Mohan to make his way to the Obelisk—the multimillion-dollar, state-of-the-art oil rig that has been seized by terrorists led by Tillman himself. It is with the help of oil rig manager Kate Murphy that Gideon launches an unlikely one-man rescue.

#### Thai in 7 Penguin

China today is sexually (and in many other ways) a very repressive society, yet ancient China was very different. Some of the earliest surviving literature of China is devoted to discussions of sexual topics, and the sexual implications of the Ym and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins. In recent years, a number of books have been written exploring the history of sexual practices and ideas in China, but most have ended the discussion with ancient China and have not continued up to the present time. Fang Fu Ruan first surveys the ancient assumptions and beliefs, then carries the story to present-day China with brief descriptions of homosexuality, lesbianism, transvestism, transsexualism, and prostitution, and ends with a chapter on changing attitudes toward sex in China today. Dr. Ruan is well qualified to give such an overview. Until he left China in the 1980s, he was a leader in attempting to change the

repressive attitudes of the government toward human sexuality. He wrote a best selling book on sex in China, and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems. A physician and medical historian, Dr. Ruan's doctoral dissertation was a study of the history of sex in China.

Sex. In a world

overwhelmingly obsessed with it, why is the church so silent about it? While our secular culture twists, perverts, cheapens, and idolizes sex, there are gaping holes in the church's guidance of young people. The result is generations of sexually illiterate people drowning in the repercussions of overwhelming sin struggles. Enough is enough, says Mo Isom. With raw vulnerability and a bold spirit, she shares her own sexual testimony, opening up the conversation about misguided rule-following, virginity, temptation, porn, promiscuity, false sex-pectations, sex in marriage, and more and calling readers back to God's original design for sex--a way to worship and glorify him. This book is for the young person tangled up in an addiction to pornography, for the girlfriend feeling pressured to go further, for the "good girl" who followed the rules and

saved herself for marriage and then was confused and disappointed, for the married couple who use sex as a bargaining tool, for every person who casually watches sex play out in TV and movies and wonders why they're dissatisfied with the real thing, and for every confused or hurting person in-between. Sex was God's idea. It's time we invited him back into the bedroom.
