*Focus On: 100 Most Popular American Autobiographers* Matt Green

CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. CMJ's trade publication, compiles playlists for college and non-commercial stations; often a prelude to larger success.

**Billboard** Omnibus Press

In the boundless jungle, the gloomy cold wind roared past, making the branches with thick arms clatter, and a tall and strong figure struggled in the wind.

*Reading Eminem* Simon and Schuster

Ever wondered how Eminem rose to stardom? No one expected a skinny and poor young boy from the projects of Detroit to one day become one of the highest-selling rap artists of all time, but Marshall Mathers, aka Eminem, never lost sight of his dream. Despite an unbelievable amount of odds stacked against him, the aspiring rap artist used his pain and turmoil to pour anger, hurt, and frustration into his rap lyrics. Using his own turbulent life as a blueprint, Eminem rose through the rap charts on the waves of critics who began praising his skilled lyricism and sarcastic sense of humor. For more interesting facts you must read the book. Grab your biography book now!

**Wild King Kong** e-artnow sro

does eminem matter? On assignment for his first cover story for Rolling Stone, the very first national cover story on Eminem, Anthony Bozza met a young blond kid, a rapper who would soon take the country by storm. But back in 1999, Eminem was just beginning to make waves among suburban white teenagers as his first single, "My Name Is," went into heavy rotation on MTV. Who could have predicted that in a mere two years, Eminem would become the most reviled and controversial hip-hop figure ever? Or that twelve months after that, Eminem would sit firmly at the pinnacle of American celebrity, a Grammy winner many times over and the recipient of an Oscar. did eminem change or did america finally figure him out? Whatever You Say I Am attempts to answer this question and many more. Since their first meeting, Bozza has been given a level of access to Eminem that no other journalist has enjoyed. In Whatever You Say I Am, original, never-before-published text from Bozza's interviews with Eminem are combined with the insight of numerous hip-hop figures, music critics, journalists, and members of the Eminem camp to look behind the mask of this enigmatic celebrity. With an eye toward Eminem's place in American popular culture, Bozza creates a thoughtful portrait of one of the most successful artists of our time. This is so much more than a biography of a thoroughly well-documented life. It is a close-up look at a conflicted figure who has somehow spoken to the heart of America.

*Celebrity Biographies - The Amazing Life Of Marshall Bruce Mathers III (Eminem) - Famous Stars* Univ. of Tennessee Press

Chronicles the life and work of the controversial rap star and discusses the turbulent upbringing that

had a big effect on his lyrics.

**Billboard** Abrams

This book critically analyses Eminem's studio album releases from his first commercial album release The Slim Shady LP in 1999, to 2020's Music To Be Murdered By, through the lens of storytelling, truth and rhetoric, narrative structure, rhyme scheme and type, perspective, and celebrity culture. In terms of lyrical content, no area has been off-limits to Eminem, and he has written about domestic violence, murder, rape, child abuse, incest, drug addiction, and torture during his career. But whilst he will always be associated with these dark subjects, Mathers has also explored fatherhood, bereavement, mental illness, poverty, friendship, and love within his lyrics, and the juxtaposition between these very different themes (sometimes within the same song), make his lyrics complex, deep, and deserving of proper critical discussion. The first full-length monograph concerning Eminem's lyrics, this book affords the same rigorous analysis to a hip-hop artist as would be applied to any great writer's body of work; such analysis of 'popular' music is often overlooked. In addition to his rich exploration of Eminem's lyrics, Fosbraey furthermore delves into a variety of different aspects within popular music including extra-verbal elements, image, video, and surrounding culture. This critical study of his work will be an invaluable resource to academics working in the fields of Popular Music, English Literature, or Cultural Studies.

**SPIN** Phoenix Books

Ever wondered how Marshall Bruce Mathers III and Curtis James Jackson III rose to stardom? No one expected a skinny and poor young boy from the projects of Detroit to one day become one of the highest-selling rap artists of all time, but Marshall Mathers, aka Eminem, never lost sight of his dream. Despite an unbelievable amount of odds stacked against him, the aspiring rap artist used his pain and turmoil to pour anger, hurt, and frustration into his rap lyrics. Using his own turbulent life as a blueprint, Eminem rose through the rap charts on the waves of critics who began praising his skilled lyricism and sarcastic sense of humor. Looking at 50 Cent's career, one would hardly expect that the rapper's impressive rise to stardom could have been cut short by an early life of crime and violence. As a musician, an actor, and a businessman, 50 Cent has consistently proven his instincts for choosing successful projects in which to involve himself. However, 50 Cent was actually born into an environment full of poverty and bloodshed and had to fight his way out of a deadly cycle of incarceration and physical confrontation before he truly realized his full potential. For more interesting facts you must read the biographies. Grab your biography books now!

**The Way I Am** Penguin

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Not Afraid* Springer

To this day Debbie Nelson is asked why she abandoned her son Marshall as a boy, beat him

repeatedly, and then had the audacity to dog him with lawsuits when he became rich and famous. My Son Martial, My Son Eminem is her rebuttal to these widely believed lies—a poignant story of a single mother who wanted the world for her son, only to see herself defamed and shut out when he got it. Debbie Nelson encouraged her talented son to chase success—even when Eminem hijacked her good name in his lyrics and press for "street cred," a movie that ultimately alienated them from each other by the notoriety and bitterness it spawned. In My Son Marshall, My Son Eminem, Debbie Nelson details the real story of Eminem's life from his earliest days in a small town in Missouri and his teenage years in Detroit, to his rise to stardom and very public mom-bashing.

Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

*Billboard* Crown Archetype

THE SEQUEL TO THE NEW YORK TIMES BESTSELLER WHATEVER YOU SAY I AM, CHRONICLING THE PAST TWENTY YEARS OF RAPPER EMINEM'S LIFE, BASED ON EXCLUSIVE INTERVIEWS WITH THE ARTIST, HIS FRIENDS, AND ASSOCIATES "A passionate look at the Detroit rapper's music . . . an expert and thoughtful assessment." - Booklist In 1999, a former dishwasher from Detroit named Marshall Bruce Mathers III became the most controversial and polarizing musical artist in the world. He was an outlier, a white artist creating viable art in a black medium, telling stories with such verbal dexterity, nimble wit, and shocking honesty that his music and persona resonated universally. In short, Eminem changed the landscape of pop culture as we knew it. In 2006, at the height of his fame and one of the biggest-selling artists in music history, Eminem all but disappeared. Beset by nonstop controversy, bewildering international fame, a debilitating drug problem, and personal tragedy, he became reclusive, withdrawing to his Detroit-area compound. He struggled with weight gain and an addiction to prescription pills that nearly took his life. Over the next five years, Eminem got sober, relapsed, then finally got and stayed clean with the help of his unlikely friend and supporter, Elton John. He then triumphantly returned to a very different landscape, yet continued his streak of number one albums and multiplatinum singles. Not Afraid picks up where rock journalist Anthony Bozza's bestselling Whatever You Say I Am left off. Capturing Eminem's toughest years in his own words, as well the insights of his closest friends and creative collaborators, this book chronicles the musical, personal, and spiritual growth of one of hip-hop's most enduring and enigmatic figures.

Featuring new critical essays by scholars from Europe, South America, and the United States, At Home and Abroad presents a wide-ranging look at how whiteness—defined in terms of race or ethnicity—forms a category toward which people strive in order to gain power and privilege. Collectively these pieces treat global spaces whose nation building and identity formation have turned on biological and genealogical exigencies to whiten themselves. Drawing upon racialized, national practices implemented prior to and during the twentieth century, each of the essays enlists literature or performance to reflect the sociopolitical imperatives that secured whiteness in the respective locations they study. They range from examinations of whiteness in the literature of Appalachia and contemporary Argentinean poetry to an analysis of performances memorializing the colonial experience in Italy and an exploration into the white rap music of Eminem and contemporary multiracial passing. As the contributors show, literary and performance representations have the power to chronicle histories that reflect the behaviors and lived realities of our selves. Whether whiteness, in addition to its physical manifestation, presents itself as identity, symbol, racism, culture, social formation, political imposition, legal imposition, or pathology, it has been outed into the visible, even in national spaces where the term "whiteness" has yet to be translated and entered into the official lexicon. The ten essays collected here provide powerful insights into where and how the race for biological and genealogical whiteness persists in various geopolitical realms and the ways in which Nordic whites, as well as ethnic whites and nonwhites, resecure its ascendance. La Vinya Delois Jennings is professor of English at the University of Tennessee, Knoxville. Her recent critical study Toni Morrison and the Idea of Africa won the 2008 Toni Morrison Society Prize for Best Single-Authored Book on the Nobel laureate and Pulitzer-Prize winning author.

Rock and Romanticism: Post-Punk, Goth, and Metal as Dark Romanticisms explores the relationships among the musical genres of post-punk, goth, and metal and American and European Romanticisms traditionally understood. It argues that these contemporary forms of music are not only influenced by but are an expression of Romanticism continuous with their eighteenth- and nineteenth-century influences. Figures such as Blake, Wordsworth, Coleridge, Byron, Keats, Mary Shelley, Percy Shelley, Friedrich, Schlegel, and Hoffman are brought alongside the music and visual aesthetics of the Rolling Stones, the New Romantics, the Pretenders, Joy Division, Nick Cave, Tom Verlaine, emo, Eminem, My Dying Bride, and Norwegian black metal to explore the ways that Romanticism continues into the present in all of its varying forms and expressions.
