### **Finding Your**

### **Place In The World Using Synchronicity, Intuition, And Uncommon**

**Sense** Harper Collins

In the remote snow-covered mountains near Tibet lies a community long thought to be a mere myth called Shambhala, or Shangri-La. Here, in this place, is knowledge that has been kept hidden for centuries, and an insight that can have a profound impact on the way each of us lives our lives. Your search for

Shambhala begins with the words of a child and the vision of an old friend.

Those slender clues and a powerful synchronicity will lead to Kathmandu, Nepal, and then to Lhasa, Tibet. Amid blowing snows and perilous mountains, you will meet the members of the secret Tibetan sect that guards mysterious legends - the verbal instructions handed down for centuries that describe the inner changes one

must undergo before entering Shambhala. Finally, with Chinese Agents in pursuit, you will pass through regions where anger and compassion struggle for ascendancy, and arrive at a place where the stunning reality about human prayer-energy - our underdeveloped ability to increase the synchronicity in our lives and influence what will happen to us in the future - is revealed. Like James

Redfield's other books, *The Secret of Shambhala* has a parable effect. Open yourself to this amazing adventure and the experience will stretch your world view. It will also leave you determined to channel your thoughts and wishes into a dynamic force that can help you to liberate your life, enhance the lives of others and actively change the world. *Random House*. In this amazingly

timely story about what the wealthy do when Wall Street lays an egg, the author of *Gilding Lily* once again delivers a witty and insightful treatment of today's woman, as she explores the sacrifices they make, the bargains they strike, the rules they follow, and what happens when it all starts to fall apart. Who could have guessed that Wall Street would go south just as Marcy

Emerson and her husband moved east? Down to earth Marcy relocated from Chicago to New York when her husband was offered a big time job as a hedge fund manager. She gives up her own job—after all, hedge fund wives don't work! And while at first it's fun to shop all day and party all night, Marcy quickly learns that life among the rich can be anything but easy and that behind every smile can be a

stab in the back. Still, it's not until her husband leaves her for his thinner, blonder mistress—a woman who is higher up the social ladder than the original Mrs. Emerson will ever be—that Marcy decides to stand on her own two feet once again, and fight for the things that are far more important than money.

- Explains specifically how to initiate contact with angels and spirit guides, how to recognize their signs, and how to appeal to your

guardian angel • Reveals the various forms angels take, from archangels to guardian angels, their strong desire to assist us, and how they can help you find your soul's purpose

- Shares real stories of angelic assistance for common problems, from financial matters to emotional and physical healing to finding new love after heartbreak

Even if you are unaware of their

presence, angels are always available to help you. If you have experienced a lucky break or happy coincidence, it was most likely orchestrated by your guardian angel. And, as Robbie Holz reveals, if we give angels permission to enter our lives, if we ask for their help in navigating life's many challenges, their assistance is much more profound and effective. In this step-by-

step guide to calling on angels and benevolent spirit guides, Holz explores how to initiate and nurture your angelic relationships and engage their powerful assistance to overcome struggles and manifest your desires. She explains the various forms angels take--from archangels to guardian angels, their strong desire to help us, and how the angelic realm assists humanity. The author reveals specifically

how to contact angels and spirit guides, how to recognize their signs, and how to differentiate between guidance from your own mind and from the angels. She provides exercises and guided meditations to help strengthen your intuition and develop a closer connection to your celestial team. Sharing real stories of angelic assistance, Holz shows how our celestial guides can

help with financial matters, job searches, and dealing with difficult people. They can help those who need physical and emotional healing as well as offer relief from stress, anxiety, fears, self-doubt, self-hatred, and depression. Your spiritual team can aid in mending damaged relationships and finding love after heartbreak, helping you to open your heart once again. They can also

support you in discovering your soul's purpose, accelerating conscious evolution, and shifting into the love-based fifth dimension. By engaging your angelic team, you will have access to a powerful and unlimited source of help that is always on call and always ready to work miracles on your behalf.

Transworld Publishers  
In *THE SEAT OF THE SOUL*, Gary Zukav brilliantly set

forth his concepts, explaining how the expansion of human perception beyond the five senses leads to a new understanding of 'authentic power'. Then, in *SOUL STORIES*, he revealed how such concepts as intuition, harmony, sharing and forgiveness actually express themselves in other people's lives. And now, in *THE HEART OF THE SOUL*, Zukav, together with his coauthor and spiritual

partner, Linda Francis, takes the next important step in showing us how to actually apply these crucial concepts in our daily lives. Zukav reveals how true emotional awareness can transform the human experience. Although it is challenging and difficult, because it means becoming aware of suppressed pain, it is also enormously rewarding. But first the determination to explore every aspect

of consciousness, and to cultivate those that contribute the most to life, must replace the desire to bury painful emotions. Ultimately emotional awareness can free us from the compulsions, fixations, obsessions and addictions that block our spiritual development - among them anger, workaholism, perfectionism, obsessive eating, alcohol, drugs, sex - and allow us to

live a fulfilling and meaningful life. THE HEART OF THE SOUL will be a revelation for readers - a soul tool with which we can forge a greater emotional awareness to enable us to use our emotions in the creation of authentic power. It is a book to read not once, but several times, for it is a life-changing work that can transform our lives for the better. The Tenth Insight Simon and Schuster

In a world racked by violence and conflict, James Redfield and Michael Murphy—leading cocreators of today's spiritual boom—present a message of hope and a vision for the future. It is no accident, they argue, that the twentieth and early twenty-first centuries have witnessed a revolution in new human capacities. Daily we hear and read about supernatural athletic feats; clairvoyant perception;

lives transformed by meditative practices; healing through prayer—and we ourselves experience these things. The authors contend that thousands of years of human striving have delivered us to this very moment, in which each act of self-development is creating a new stage in planetary evolution—and the emergence of a human species possessed of vastly

expanded potential. Carolina Girls Little Brown & Company The adventure that began with The Celestine Prophecy continues as the action shifts to a wilderness in the American Southeast where the narrator's friend has disappeared. **Manifesting Your Magical Life** Penguin In the tradition of The Alchemist, Way of the Peaceful Warrior, and The Celestine Prophecy, this enchanting

semiautobiographical parable follows the inquisitive Scott as he finds himself in a parking lot where he meets a cardboard-sign-toting homeless man named Robert with a penchant for changing lives. With Robert and the sleepy black lab Puppy Don at his side, Scott embarks on a spiritual awakening and attempts to heal his past while confronting the spirit of his dead

fiancée, learning the power of nature, exploring the spirit plane, and discovering the true nature of the universe. On this unique journey of self-discovery, various healing and spiritual modalities are revealed, including shamanic soul retrieval, ancestral healing, harnessing of lunar energy, conscious cooking, kirtan, manifesting, and lightworking.

This easy-to-read book is a charming and affecting story of one humble soul's profound awakening on the path to facing an extraordinary dilemma between his spiritual calling and earthly life purpose.
