Sometimes the best
thing we can do for our
loved ones is listen and
be present as long as
they need us. Giraffe
and Zebra meet every
day under their
favorite tree to walk to
the watering hole. But

today, Giraffe isn't
there! Where could he
be? Zebra spots him
hiding in the tree;
Giraffe has seen a
spider and is scared
silly. Zebra patiently
talks to Giraffe and
does the very best
thing: supports Giraffe
for as long as Giraffe
needs it. A sweet story
about the power of
friendship, kindness,
and empathy that
helps us face our fears
no matter how silly

they may seem.

A Novel of Winston Churchill Quadrille Publishing

Your life through the lens of the world's greatest thinkers! Do you ever wonder how important money really is in life or what you need to do to achieve happiness? With *The Philosopher's Book of Questions and Answers*, you will be one step closer to solving these uncertainties. Inside, you'll find the basics of philosophy, written in plain English, and thoughts for applying these important theories to your own life. You'll also be encouraged to dig deep into the philosophical reasoning behind your everyday actions with a series of fascinating prompts, such as: If you had ten

times your wealth and ten times your income, what would you do then that you can't do now? What's a version of that activity that you could do right now? Is it ten times less meaningful, important, or enjoyable than the activity you would do with more money? From Socrates and Epicurean to Kierkegaard and Nietzsche, *The Philosopher's Book of Questions and Answers* will not only help you grasp history's greatest thoughts, but will also unveil the world in a whole new light.

A story of empathy, kindness, and friendship Publications International, Limited

In the tradition of the instant bestsellers *The Intellectual Devotional* and *The Intellectual Devotional: American*

History comes the third installment in this indispensable series. In *The Intellectual Devotional: Modern Culture*, authors David S. Kidder and Noah D. Oppenheim explore the fascinating world of contemporary culture to offer 365 daily readings that provide the essential references needed to navigate the world today. Quench your intellectual thirst with an overview of the literature, music, film, personalities, trends, sports, and pop references that have defined the way we live. From the Slinky to Star Wars; Beatlemania to Babe Ruth; flappers to fascism—refreshing your memory and dazzling your friends has never been easier, or more fun. Whether you're a trivia genius,

pop-culture buff, or avid reader, you'll be riveted by this comprehensive journey through contemporary culture.

There are so many unknowns in life and finding answers to some of the bigger questions can be a challenge. A Humble Universe presents short chapters that look to explain some of these questions in an easily digestible and understandable way. Although brief in nature, there is plenty of food for thought that will let you quickly digest the author's point of view, whilst reflecting on your own. Once combined, you might be surprised at the new channels of thought it may awaken

within your own consciousness that may allow you to look at your worldview in a completely new and refreshing light. Excerpt: "...just like you know when you're driving a car in the center of the lane and not hitting the lane markers on either side, so too does your stomach tell you when you are on the right pathway, the right roadmap. It feels good. But when you are starting to stray from your personal roadmap...the energy flowing to the nerve endings in your stomach gets disrupted and the muscles start to tighten, alerting you that something isn't right, that you're straying off the highway." Topics explored: Why Did the Universe Begin? What

Is the Purpose of Life? What Happens after We Die? Astrology Intuition and Synchronicity Freewill versus Predestination UFOs What Is the Purpose of Prayer? Keeping the Sabbath The Power of One Why Is There Conflict in Health Care? Mental Health Why Are Genders Starting to Fuse? Visualization and Positive Thinking What Are Emojis Teaching Us? Karma and Raising Your Vibration The Future Author: Nachum has been involved in the healing arts for over twenty-five years and has been interested in philosophical thought for much longer. He is interested in all things to do with health and believes putting energy into preventing disease is a lot more

beneficial than trying to cure one. Likewise, when it comes to matters of the mind, he is both keen to share his thoughts as well as hear those of others. He understands that whilst there are many mysteries that a person will never understand, that won't stop the trying.

Guidance to all of life's questions from your higher self Scholastic Inc.

With a beautiful golden package and a broad range of fortune-telling, this brilliant little gift book is an eye-catching guide to understanding the future for anyone curious about what fate has in store for them. Behind the golden cover and gold page edges, it dives into the meaning of names, zodiac signs,

and birthdays, unveils the significance behind friendships, color choices, and love interests, and provides fun and entertaining predictions for everything, from career to self-fulfillment, romance, and health. A companion to the bestselling Fortune-Telling series, *The Golden Book of Fortune-Telling* invites amateur astrologists, fortune-tellers, and mystics to uncover what is foretold and attract good fortune wherever they go.

"What a box of tricks!"

This full-throttle thriller, dark and driving, rivals Agatha Christie for sheer ingenuity and James Patterson for flat-out speed. Swift, sharp, and relentless.” — A. J. Finn, #1 New York Times bestselling author of *The Woman in the Window* A brilliant, edgy thriller about four strangers, a blizzard, a kidnapped child, and a determined young woman desperate to unmask and outwit a vicious psychopath. A kidnapped little girl locked in a stranger’s van. No help for miles. What would you do? On her way to Utah to see her dying mother, college student Darby Thorne gets caught in a fierce blizzard in the mountains of Colorado. With the roads impassable, she’s

forced to wait out the storm at a remote highway rest stop. Inside are some vending machines, a coffee maker, and four complete strangers. Desperate to find a signal to call home, Darby goes back out into the storm . . . and makes a horrifying discovery. In the back of the van parked next to her car, a little girl is locked in an animal crate. Who is the child? Why has she been taken? And how can Darby save her? There is no cell phone reception, no telephone, and no way out. One of her fellow travelers is a kidnapper. But which one? Trapped in an increasingly dangerous situation, with a child’s life and her own on the line, Darby must find a way to break the girl

out of the van and escape. But who can she trust? With exquisitely controlled pacing, Taylor Adams diabolically ratchets up the tension with every page. Full of terrifying twists and hairpin turns, *No Exit* will have you on the edge of your seat and leave you breathless.

The Mulvaney's are blessed by all that

makes life sweet. But something happens on Valentine's Day, 1976—an incident that is hushed up in the town and never spoken of in the Mulvaney home—that rends the fabric of their family life...with tragic consequences. Years later, the youngest son attempts to piece together the fragments of the Mulvaney's former glory, seeking to uncover and understand the secret violation that brought about the family's tragic downfall. Profoundly cathartic, this extraordinary novel unfolds as if Oates, in plumbing the darkness of the human spirit, has come upon a source of light at its core. Moving away from the dark tone of her more recent masterpieces, Joyce

Carol Oates turns the tale of a family struggling to cope with its fall from grace into a deeply moving and unforgettable account of the vigor of hope and the power of love to prevail over suffering. "It's the novel closest to my heart....I'm deeply moved that Oprah Winfrey has selected this novel for Oprah's Book Club, a family novel presented to Oprah's vast American family."—Joyce Carol Oates

 Alex Gino, the Lambda Literary Award-winning author of *George*, is back with another sensitive tale based on increasingly relevant social justice issues. Jilly thinks she's figured out how life works. But

when her sister, Emma, is born deaf, she realizes how much she still has to learn. The world is going to treat Jilly, who is white and hearing, differently from Emma, just as it will treat them both differently from their Black cousins. A big fantasy reader, Jilly makes a connection online with another fantasy fan, Derek, who is a Deaf, Black ASL user. She goes to Derek for help with Emma but doesn't always know the best way or time to ask for it. As she and Derek meet in person, have some really fun conversations, and become friends, Jilly makes some mistakes . . . but comes to understand that it's up to her, not Derek to figure out how to do better next time--

especially when she wants to be there for Derek the most. Within a world where kids like Derek and Emma aren't assured the same freedom or safety as kids like Jilly, Jilly is starting to learn all the things she doesn't know--and by doing that, she's also working to discover how to support her family and her friends. *With You Don't Know Everything, Jilly P!*, award-winning author Alex Gino uses their trademark humor, heart, and humanity to show readers how being open to difference can make you a better person, and how being open to change can make you change in the best possible ways.
