Titus Groan expects to
rule Gormenghast, the
vast, gothic labyrinth
of turrets and

dungeons to which he is heir, and his subjects, according to age-old rituals, but things are changing in the castle as he is forced to contend with treachery, manipulation, murder, and his longing for a life beyond the castle walls, in the sequel to Titus Groan. Reprint. Illustrated

Gormenghast Trilogy
Random House (UK)
Titus, heir to the Gormenghast kingdom, grows up in a castle amidst rituals and grotesque characters expecting to become king when he grows up, but maturity and an ambitious servant's schemes lead him to make a surprising decision about his future.

A Comedy of Appearances
Macmillan

The three parts of this trilogy were first published in 1946, 1950 and 1959, respectively. They feature Titus Groan, heir to Lord Sepulchra, and the other fantastical inhabitants of Gormenghast Castle, including Swelter the chef, the delectable Fuschia and Steerpike the Machiavellian youth.

The Gormenghast Trilogy Ace Books
Titus is expected to rule this extraordinary kingdom and his eccentric and wayward subjects. But with the arrival of an ambitious kitchen boy, Steerpike, the established order is thrown into disarray. Over the course of these three novels—Titus Groan, Gormenghast, and Titus Alone— Titus

must contend with a kingdom about to implode beneath the weight of centuries of intrigue, treachery, manipulation, and murder. Intoxicating, rich, and unique, *The Gormenghast Trilogy* is a tour de force that ranks as one of the twentieth century's most remarkable feats of imaginative writing. This special edition, published for the centenary of Mervyn Peake's birth, is accompanied by over one hundred of Peake's dazzling drawings.

The Illustrated

Gormenghast Trilogy

Duckworth Publishing

A psychiatrist travels to a world of magic and gods in this take on "Jason and the Argonauts" from the Hugo Award-nominated author of *Earth's Last*

Citadel. Jay Seward remembers a former life in a land of magic, gods, and goddesses—a time when he was Jason of Iolcus, sailing in the enchanted ship *Argo* to steal the Golden Fleece from the serpent-temples of Apollo. But one night the memories become startlingly real, as the *Argo* itself sails out of the spectral mists and a hauntingly beautiful voice calls: "Jason . . . come to me!" And suddenly he's on the deck of the *Argo*, sailing into danger and magic . . . "A fantasy in the grand tradition of Merritt and the other giants." —Arthur Leo Zagat, author of the *Tomorrow* series Praise for Henry Kuttner "One of the all-time major names in science fiction." —The New

York Times "A neglected master."
 —Ray Bradbury, author of *Fahrenheit 451*
 "Kuttner is magic."
 —Joe R. Lansdale, author of *The Thicket*
Rhymes Without Reason Titus Groan
 "In a class with the Tolkien books." — L. Sprague de Camp. One of fantasy literature's most influential works, this captivating tale of a young lord's quest for a fairy princess bride is the forerunner of modern sword and sorcery novels.

Boy in Darkness Harry N. Abrams
 This biography of Mervyn Peake (1911-1968) explores the life and extraordinary imagination of one of Britain's most singular writers and artists. In

the space of thirty years Peake produced more than two hundred and fifty poems, four novels (including the celebrated *Titus Groan*, *Gormenghast* and *Titus Alone*), a novella and numerous short stories; he also wrote ten plays (several of them for radio). He illustrated two dozen books, including such classics as *The Rime of the Ancient Mariner*, *The Hunting of the Snark*, *Alice's Adventures in Wonderland*, *Bleak House* and *Treasure Island*, and designed many book jackets; he painted innumerable portraits and others pictures and made thousands of drawings in a wide variety of media. He also taught hundreds of art students. Peter Winnington follows

Peake's life from his birth in China through his student years and a sojourn in an artists' colony on Sark, his marriage and his frustrating years as a soldier when he wished to be a war artist. Yet the 1940s, marked by a traumatic visit to newly liberated Belsen in 1945, were his most productive years. From the middle of the 1950s Parkinson's disease gradually prevented him from working and led to his premature death in 1968.

Gormenghast

Wildside Press LLC
 Maeve Gilmore,
 Mervyn Peake's widow,
 wrote *Titus Awakes* based on those pages left behind by Peake. *Titus Awakes* picks up the story of Titus, 77th Earl of Groan, as he wanders through the

modern world. Fans of the Gormenghast novels will relish this continuation of the world Peake created and of the lives of unforgettable characters from the original novels, including the scheming Steerpike, Titus's sister Fuchsia, and the long-serving Dr.

Prunesquallor.

Published a century after Peake's birth, this strikingly imaginative novel provides a moving coda to Peake's masterwork.

[The Life and Rhymes of Benjamin Zephaniah](#)

Harry N. Abrams

In the 1930s, William Sloane wrote two brilliant novels that gave a whole new meaning to cosmic horror. In *To Walk the Night*, Bark Jones and his college buddy Jerry Lister, a science whiz,

head back to their alma mater to visit a cherished professor of astronomy. They discover his body, consumed by fire, in his laboratory, and an uncannily beautiful young widow in his house—but nothing compares to the revelation that Jerry and Bark encounter in the deserts of Arizona at the end of the book. In *The Edge of Running Water*, Julian Blair, a brilliant electrophysicist, has retired to a small town in remotest Maine after the death of his wife. His latest experiments threaten to shake up the town, not to mention the universe itself.

Figures of Earth

Abrams

Latro, a mercenary soldier from the north, has suffered a head

wound in battle but has developed the ability to see and converse with all of the invisible gods, goddesses, ghosts, demons, and werewolves that inhabit the land

Selected Writings and Drawings of

Mervyn Peake Harry N. Abrams

BBC Radio 4 Book of the Week Benjamin Zephaniah, who has travelled the world for his art and his humanitarianism, now tells the one story that encompasses it all: the story of his life. In the early 1980s when punks and Rastas were on the streets protesting about unemployment, homelessness and the National Front, Benjamin's poetry could be heard at demonstrations, outside police stations

and on the dance floor. His mission was to take poetry everywhere, and to popularise it by reaching people who didn't read books. His poetry was political, musical, radical and relevant. By the early 1990s, Benjamin had performed on every continent in the world (a feat which he achieved in only one year) and he hasn't stopped performing and touring since. Nelson Mandela, after hearing Benjamin's tribute to him while he was in prison, requested an introduction to the poet that grew into a lifelong relationship, inspiring Benjamin's work with children in South Africa. Benjamin would also go on to be the first artist to record with The Wailers after the death of Bob

Marley in a musical tribute to Nelson Mandela. The Life and Rhymes of Benjamin Zephaniah is a truly extraordinary life story which celebrates the power of poetry and the importance of pushing boundaries with the arts.

Two Tales of Cosmic Horror Faber & Faber Classics of epic fantasy, Peakes series of Gormenghast novels represents one of the most brilliantly sustained flights of Gothic imagination. For the first time in years, the first book in this timeless series is available in an individual paperback volume, complete with new packaging.

Mervyn Peake's Vast Alchemies Methuen Publishing

"Summer is a perfectly ordinary 11 year old

girl with a perfectly ordinary, needy, over protective single mother. Summer loves her mother and would never dream of running away, but wonders deep down if it wouldn't be nice to escape for a little while and do something adventurous...maybe? Baba Yaga comes along in her magical walking house and offers Summer her heart's desire. Summer has no idea what this might be, but with the lighting of a frog-shaped beeswax candle she finds herself transported to the strange world of Orcus with nothing but a weasel in her pocket. She's read a lot of fantasy books about people thrust into strange lands; but they usually seemed to have some idea

what they were supposed to do there."

Shadowmancer takes you into a world of superstition, magic and witchcraft, where the ultimate sacrifice might even be life itself. Obadiah Demurrall is a sorcerer who is seeking to control the highest power in the Universe. He will stop at nothing. The only people in his way are Raphah, Kate, Thomas and the mysterious Jacob Crane. Packed full of history, folklore and smuggling, Shadowmancer is a tale of an epic battle that will grip both young and old. The thrills, suspense and

danger are guaranteed to grab the attention and stretch imaginations to the limit.

Summer in Orcus Good Press

Published 11 years after the author's death, this classic of utopian fiction tells the story of American consul John Lang. He visits the isolated and alien country of Islandia and is soon seduced by the ways of a compelling and fascinating world.

Islandia Abrams

On a fantastic island populated by unusual animals, a pirate captain finds a trustworthy companion in the little "Yellow Creature."
