**Kafa English Amharic Dictionary**

Indie Writer  
The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of

printed and electronic support material of any modern translation.

A Grammatical Sketch of Written Oromo

Karrayyu Pub.

This trilingual dictionary is of English and the two languages of Ethiopia, Kafa and Amharic. While Amharic is spoken all over the region, Kafa is mainly spoken in South-west Ethiopia.

This dictionary is a handy tool for all. The dictionary includes also indices English-Kafa and Amharic-Kafa which is handy for quick referencing.

*A Grammar of Mursi*

Createspace  
Independent Publishing Platform

This volume contains 14 descriptive chapters and a collection of 4 transcribed texts in Mursi, a highly endangered language

spoken in the Lower Omo Valley in Ethiopia.

*Manual of Romance Languages in Africa*

Createspace  
Independent Publishing Platform

A history of the Oromo peoples of Ethiopia; their culture, religion and political institutions.

*The Dictionary of Difficult Words* BRILL

Covering the political, social and historical background of each language, Dictionary of Languages offers a unique insight into human culture and communication. Every language with official status is included, as well as all those that have a written literature and 175 'minor' languages with special historical or anthropological interest. We see how, with the rapidly

increasing uniformity of our culture as media's influence spreads, more languages have become extinct or are under threat of extinction. The text is highlighted by maps and charts of scripts, while proverbs, anecdotes and quotations reveal the features that make a language unique.

The Oromo and the Christian Kingdom of Ethiopia

R. Koppe

Did you ever want to teach your kids the basics of Afaan Oromo? Learning Afaan Oromo can be fun with this picture book. In this book you will find the following features:

*Wars in the Third World Since 1945*

Createspace  
Independent Publishing Platform

What is a moonbow?

What does it mean when someone absquatulates? Over 400 words to amaze, confuse and inspiring budding wordsmiths (and adults!).

*Using Understanding by Design in the Culturally and Linguistically Diverse Classroom* Red Sea Press(NJ)

With nuclear stalemate holding the

superpowers in check during the Cold War, violence proliferated in the Third World.

Sometimes this took the form of colonial liberation wars as the old European empires disintegrated after the Second World War (Algeria 1954-1962 or Kenya 1952-1959);

sometimes the violence was between Third World countries such as the Iran-Iraq War, and sometimes it involved the major powers directly: the Korean War, the Vietnam War, the Soviet intervention in Afghanistan. Certain regions - Central America, Southern Africa, the Horn of Africa or the Middle East - have been in more or less perpetual turmoil for thirty years and more. But whatever form the

violence has taken –protracted guerrilla activity against the central government or short, sharp border war – the big powers have always been involved. They have provided arms to one or both sides, they have supported their ideological protégés and, more generally, have manipulated such wars to their own advantage. This book examines five broad categories of war: colonial liberation wars, big power intervention wars, wars between Third World countries, the special area of Israel and its neighbours, and civil wars.

This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not

completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language. The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.

Oromo Learner's Dictionary Scarecrow Press  
 Oromo kasahorow. Learn to read Modern Oromo! The Oromo Learner's Dictionary is a beginner's dictionary for your multilingual child to develop their Oromo and English reading skills. Contains basic nouns, verbs and adjectives to aid fast comprehension of any Modern Oromo language book. Discover the joy of reading in Oromo and English together with your multilingual child. Suitable for children 8 to 12 years old.  
Hamid Muudee's Oromo Dictionary  
 Walter de Gruyter GmbH & Co KG  
 Kikongo (also known as Kongo) is a Bantu language spoken by over 5 million people

worldwide, mostly by the Kongo and Ndundu people living in the tropical forests of the Democratic Republic of the Congo, the Republic of the Congo, and Angola. Kikongo was spoken by many from this region who were sold into slavery in the Americas. Thus creolized forms of the language can be found in the ritual speech of Afro-American religions, especially in Brazil, Cuba, Puerto Rico, Dominican Republic and Haiti. It is also one of the sources of the Palenquero creole in Colombia, and the Gullah language spoken in coastal regions of South Carolina and Georgia in the United States. This unique, two-part resource provides travelers to Central

Africa with the tools they need for daily interaction. The bilingual dictionary has a concise vocabulary for everyday use, and the phrasebook allows instant communication on a variety of topics. Ideal for businesspeople, travelers, students, and aid workers, this guide includes: 4,000 dictionary entries  
Phonetics that are intuitive for English speakers  
Essential phrases on topics such as transportation, dining out, and business  
Concise grammar and pronunciation sections  
My First Book of Afaan Oromo Words  
Scarecrow Press  
Presents brief entries describing the gods and goddesses from the mythology and religion of a wide

variety of cultures throughout history. [Amharic-English dictionary](#) Bloomsbury Publishing

In this entertaining and groundbreaking book, Dr. Paul Pimsleur, creator of the renowned Pimsleur Method, the world leader in audio-based language learning, shows how anyone can learn to speak a foreign language. If learning a language in high school left you bruised, with a sense that there was no way you can learn another language, *How to Learn a Foreign Language* will restore your sense of hope. In simple, straightforward terms, Dr. Pimsleur will help you learn grammar (seamlessly), vocabulary, and how to practice pronunciation (and come out

sounding like a native). The key is the simplicity and directness of Pimsleur's approach to a daunting subject, breaking it down piece by piece, demystifying the process along the way. Dr. Pimsleur draws on his own language learning trials and tribulations offering practical advice for overcoming the obstacles so many of us face. Originally published in 1980, *How to Learn a Foreign Language* is now available on the 50th anniversary of Dr. Pimsleur's publication of the first of his first audio courses that embodied the concepts and methods found here. It's a fascinating glimpse into the inner workings of the mind of this amazing pioneer of language learning.
