 A virtual business is one that focuses on its digital capabilities to scale back its

physical presence. While virtual businesses are united in their efforts to move work online, they all retain different levels of physical operations. In the most extreme example, all employees work virtually, and the "headquarters" is wherever the CEO lives.
Virtual Business: What Is It? - The Balance Small Business
 Virtual Business simulations are visually immersive, browser-based online simulations that help you teach business, marketing, and personal finance/financial literacy to high school students. Nine different simulations (available individually or together via our All-Access license) can be used seamlessly for remote, hybrid, or in-person teaching.
