 The Watercourse Way Alan Watts was one of the most
 enlightened minds of the twentieth century, and Tao: The

Watercourse Way is the culmination of that enlightenment. The
 book is scholarly without being stuffy... in fact... quite to the
 contrary as this book is fun because you can feel the joy in the
 soul of the author in every word. Tao: The Watercourse Way: Alan
 Watts, Lee Chih-chang, Al ... This is an excellent treatise on
 contemplative Taoism, that is the way based in meditation and
 oneness with nature rather than that involved in Chinese

alchemical and quasi-magical practices. Watts elegantly explains the Tao as the watercourse way, showing how it is both life-philosophy and a deep expression of Chinese culture. Tao: The Watercourse Way by Alan W. Watts - Goodreads Tao: The Watercourse Way is a 1975 non-fiction book on Taoism and philosophy, and is Alan Watts' last book. It was published posthumously in 1975 with the collaboration of Ai Chung-liang Huang, who also contributed a preface and afterword, and with additional calligraphy by Lee Chih-chang. Tao: The Watercourse Way - Wikipedia The watercourse in the subtitle is nature as the course of events, the way things are, the way the snow falls and the water flows. Tao is not precisely nature, but to follow the Tao is inevitably to follow the process of nature, going with the flow. In a sense, there is no other choice. Tao: The Watercourse Way by Alan W. Watts, Lee Chih-chang ... The Tao is the way of man's cooperation with the natural course of the natural world. Alan Watts takes the reader through the history of Tao and its interpretations by key thinkers such as Lao-Tzu, author of the Tao Te Ching. Tao: The Watercourse Way - Profile Books The Way of ways, the pathless path, the watercourse way. The Tao is like a river, a river of nonduality. A great river banked by duality, yin and yang. Watts states that Taoism is neither a religion nor a philosophy though it has aspects of both. Tao: The Watercourse Way book by Alan W. Watts - Thriftbooks Tao, often pronounced Dao, is a term, is a concept, which points to a fundamental & transcendental Reality—a way of Being & a way of Living. And, this way is not a way that can be approached through any means whatsoever. The Tao is simply a Pathless Path as the title of an equally marvellous book on the subject by Osho. Tao: The
