I, Tituba, Black Witch of Salem

An eyewitness account of the Salem Witch Trials

Maryse Conde's I, Tituba, Black Witch of Salem Tough Poets Press

Among the young women of Salem, Massachusetts, who were accused of witchcraft in 1692 was a West Indian slave who was released two years later and sold. This novel creates for her a fictional childhood in Barbados, where she was bought by the family who took her to Salem.

The bestselling epic novel of family, treachery, rivalry, religious fervour and the turbulent fate of a royal African dynasty It is 1797 and the African kingdom of Segou, born of blood and violence, is at the height of its power. Yet Dousika Traore, the king's most trusted advisor, feels nothing but dread. Change is coming. From the East, a new religion, Islam. From the West, the slave trade. These forces will tear his country, his village and the lives of his beloved sons apart, in Maryse Condé's glittering epic. 'Rich and colorful and glorious. It sprawls over continents and centuries to find its way into the reader's heart' - Maya Angelou 'A stunning reaffirmation of Africa and its peoples... It's a starburst' - John A. Williams

A classic of Canadian literature, here is the A List edition of Daphne Marlatt's utterly original novel about rescuing a forgotten woman from obscurity. Featuring a new introduction by celebrated author Lynn Crosbie. Ana Historic is the story of Mrs. Richards, a woman of no history, who appears briefly in 1873 in the civic archives of Vancouver. It is also the story of Annie, a contemporary, who becomes obsessed with the possibilities of Mrs. Richards's life.

"Cerebral, passionate, and beautifully drawn. A highly distinctive and engaging book." --Joe Sacco, author of Palestine Witchbody is an invitation to experience what lies hidden beneath the surface of our everyday lives—to see the magic in all things. A plant, a tree, a coffee cup, garbage bins, you, me—they're all magic. Witchcraft is simply the power we're all born with to awaken our senses to this magic, to awaken our "witchbody." And that awakening is essential if we are to reframe our experience with Nature and with our precious planet.

For many, cooking is simply the mechanical act of reproducing standard recipes. To Maryse Condé, however, cooking implies creativity and personal invention, on par with the complexity of writing a story. A cook, she explains, uses spices and flavors the same way an author chooses the music and meaning of words. In *Of Morsels and Marvels*, Condé takes us on a literary journey around places she has travelled to in India, Indonesia, and South Africa. She highlights the tastes and culinary traditions that are fascinating examples of a living museum. Such places, Condé explains, provide important insights into lesser-known aspects of contemporary life. One anecdote illustrates what becomes of the standard Antillean dishes of fish stew and goat curry by two Antilleans who own a

restaurant in Sydney, Australia. Cuisine changes not only according to the individual cook but also adapts to foreign skies under which it is created. The author also recounts personal memories of her lifelong relationship with cooking, such as when Adélia, her family's servant, wrongly blames little Maryse for mixing raisins with fish and using her imagination in the kitchen. Blending travel with gastronomy, this enchanting volume from the winner of the 2018 Alternative Nobel Prize will delight all who marvel at the wonders of the kitchen or seek to taste the world.

A Novel Everbind

This wild and entertaining novel expands on the true story of the West Indian slave Tituba, who was accused of witchcraft in Salem, Massachusetts, arrested in 1692, and forgotten in jail until the general amnesty for witches two years later. Maryse Condé brings Tituba out of historical silence and creates for her a fictional childhood, adolescence, and old age. She turns her into what she calls "a sort of female hero, an epic heroine, like the legendary 'Nanny of the maroons,'" who, schooled in the sorcery and magical ritual of obeah, is arrested for healing members of the family that owns her. An African family's saga, from the day its ancestors left for the New World, to the day their descendants return in search of roots. By a Guadeloupean writer, author of Segu.

A Fantastical Tale University of Virginia Press

The deeply prolific and widely celebrated author of such books as Segu and Tales from the Heart, Maryse Condé returns with an unforgettable new novel, *Who Slashed Celanire's Throat?* Inspired by a tragedy in the late twentieth century, Condé sets this fiction in the late nineteenth century with her characteristic blend of magical realism and fantasy. Condé lyrically, hauntingly imagines Celanire: a woman who was mutilated at birth and left for dead. Mysterious, seductive, and disarming, she is driven to uncover the truth of her past at any cost. On one hand, Celanire appears to be a saint; she is a tireless worker who has turned numerous neglected institutions into vibrant schools for motherless children. But she is also a woman apprehended by demons, as death and misfortune seem to follow in her wake. *Who Slashed Celanire's Throat?* follows both her triumphs and her trials as this survivor becomes a beautiful and powerful woman who travels from Guadeloupe to West Africa to Peru in order to solve the mysteries of her past and avenge the crimes committed against her. This beautifully rendered story, translated by Richard Philcox from the French edition, is sure to be considered the most dazzling addition to Condé's brilliant body of work.

An English-language translation of Pierre Corneille's first tragedy, *Médée* (1635) Little remembered in the story of Jason and the Golden Fleece is *Médée*, the woman without whom his quest would have been a failure and his life forfeit. When Jason betrays his wife to marry the daughter of the

king of Corinth, the very meanings of gratitude, indebtedness, criminality, and love-maternal, paternal, filial, romantic-are held up for scrutiny.*Médée* (1635) was Pierre Corneille's first tragedy; but perhaps because we assume it derivative of versions by Euripides and Seneca, it is little known in the English-speaking Americas. This volume offers readers a chance to explore the great seventeenth-century French dramatist's exploration of *Médée*'s righteous prowess, his de-gendering of warriorhood and heroism, and his challenge to the purity of justice and human motivations.

A Season in Rihata Simon and Schuster

This unique anthology is the first to provide a multicultural perspective on witchcraft from the 15th to 18th century. Featuring primary documents as well as scholarly interpretations, *Witches of the Atlantic World* builds upon information regarding both Christian and non-Christian beliefs about possession and the demonic. Elaine G. Breslaw draws on Native American, African, South American, and African-American sources, as well as the European and New England heritage, to illuminate the ways in which witchcraft in early America was an attempt to understand and control evil and misfortune in the New World. Organized into sections on folklore and magic, diabolical possession, Christian perspectives, and the question of gender, the volume includes selections by Cotton Mather, Matthew Hopkins, and Samuel Willard, among others; Salem trial testimonies; and commentary by a host of distinguished scholars. Together the materials demonstrate how the Protestant and Catholic traditions shaped American concepts, and how multicultural aspects played a key role in the Salem experience. *Witches of the Atlantic World* sheds new light on one of the most perplexing aspects of American history and provides important background for the continued scholarly and popular interest in witches and witchcraft today.

Finalist in Fiction for the OCM Bocas Prize for Caribbean Literature Jamaica, 1938. Gloria Campbell is sixteen years old when a single violent act alters the course of her life forever. Taking along her younger sister, she flees their hometown to forge a new life in Kingston. But in a capital city awash with change, a black woman is still treated as a second-class citizen. From a room in a boarding house and a job at a supply store, Gloria finds her way to a house of ill repute on the edge of the city, intrigued by the glamorous, financially independent women within. It is an unlikely place to meet the love of your life, but here she encounters Pao, a Chinatown racketeer and a loyal customer who will become something more. It is also an unlikely place to gain a passion for social justice, but it is one of the house's proprietors who instills in Gloria new ideas about the rights of women and all humankind, eventually propelling her to Cuba, where even greater change is underway, and where Gloria must choose between the life she has made for herself and the one that might be. Alive with the energy of a country at a crossroads, this is a story of love in many forms, and of Gloria's evolution-from a frightened girl on the run to a woman fully possessed of her own power.

Conjuring as Legacy in Africana Womanist Spirituality Arte Publico Press

Possessing one of the most vital voices in international letters, Maryse Condé added to an already acclaimed career the New Academy Prize in Literature in 2018. The twelfth novel by this

celebrated author revolves around an enigmatic crime and the young man at its center. Dieudonné Sabrina, a gardener, aged twenty-two and black, is accused of murdering his employer--and lover--Lorraine, a wealthy white woman descended from plantation owners. His only refuge is a sailboat, La Belle Créole, a relic of times gone by. Condé follows Dieudonné's desperate wanderings through the city of Port-Mahault the night of his acquittal, the narrative unfolding through a series of multivoiced flashbacks set against a forbidding backdrop of social disintegration and tumultuous labor strikes in turn-of-the-twenty-first-century Guadeloupe. Twenty-four hours later, Dieudonné's fate becomes suggestively intertwined with that of the French island itself, though the future of both remains uncertain in the end. Echoes of Faulkner and Lawrence, and even Shakespeare's *Othello*, resonate in this tale, yet the drama's uniquely modern dynamics set it apart from any model in its exploration of love and hate, politics and stereotype, and the attempt to find connections with others across barriers. Through her vividly and intimately drawn characters, Condé paints a rich portrait of a contemporary society grappling with the heritage of slavery, racism, and colonization.

The Story of the Cannibal Woman London : Heinemann

The story of the Salem Witch Trials told through the lives of six women Six Women of Salem is the first work to use the lives of a select number of representative women as a microcosm to illuminate the larger crisis of the Salem witch trials. By the end of the trials, beyond the twenty who were executed and the five who perished in prison, 207 individuals had been accused, 74 had been "afflicted," 32 had officially accused their fellow neighbors, and 255 ordinary people had been inexorably drawn into that ruinous and murderous vortex, and this doesn't include the religious, judicial, and governmental leaders. All this adds up to what the Rev. Cotton Mather called "a desolation of names." The individuals involved are too often reduced to stock characters and stereotypes when accuracy is sacrificed to indignation. And although the flood of names and detail in the history of an extraordinary event like the Salem witch trials can swamp the individual lives involved, individuals still deserve to be remembered and, in remembering specific lives, modern readers can benefit from such historical intimacy. By examining the lives of six specific women, Marilynne Roach shows readers what it was like to be present throughout this horrific time and how it was impossible to live through it unchanged.

I, Tituba Random House Books for Young Readers

A year of bones, of grave-dirt, relentless work. Of mummified corpses and chanting priests. A year of rape, suicide, sudden death. Of friendship too. Of desire. Of love... A year unlike any other he has lived. Deep in the heart of Paris, its oldest cemetery is, by 1785, overflowing, tainting the very breath of those who live nearby. Into their midst comes Jean-Baptiste Baratte, a young, provincial engineer charged by the king with demolishing it. At first Baratte sees this as a chance to clear the burden of history, a fitting task for a modern man of reason. But before long, he begins to suspect that the destruction of the cemetery might be a prelude to his own.
