[A Concise Introduction To Tibetan Astrology \[Men-Tsee-Khang-འཇམ་དབང་མཚན་མཆོག\]](#) HarperCollins UK
From the Psalms in the Bible to the sacred rivers in Hinduism, the natural world has been integral to the world's religions. John Grim and Mary Evelyn Tucker contend that today's growing environmental challenges make the relationship ever more vital. This primer explores the history of religious traditions and the environment, illustrating how religious teachings and practices both promoted and at times subverted sustainability. Subsequent chapters examine the emergence of religious ecology, as views of nature changed in religious traditions and the ecological sciences. Yet the authors argue that religion and ecology are not the province of institutions or disciplines alone. They describe four fundamental aspects of religious life: orienting, grounding, nurturing, and transforming. Readers then see how these phenomena are experienced in a Native American religion, Orthodox Christianity, Confucianism, and Hinduism. Ultimately, Grim and Tucker argue that the engagement of religious communities is necessary if humanity is to sustain itself and the planet. Students of environmental ethics, theology and ecology, world religions, and environmental studies will receive a solid grounding in the burgeoning field of religious ecology.

America's National Game New York : AMS Press

This fascinating guide to the history and mythology of woman-related symbols features: Unique organization by shape of symbol or type of sacred object 21 different sections including Round and Oval Motifs, Sacred Objects, Secular-Sacred Objects, Rituals, Deities' Signs, Supernaturals, Body Parts, Nature, Birds, Plants, Minerals, Stones and Shells, and more Introductory essays for each section 753 entries and 636 illustrations Alphabetical index for easy reference Three-Rayed Sun The sun suspended in heaven by three powers, perhaps the Triple Goddess who gave birth to it (see Three-Way Motifs). Corn Dolly An embodiment of the harvest to be set in the center of the harvest dance, or fed to the cattle to 'make them thrive year round' (see Secular-Sacred Objects). Tongue In Asia, the extended tongue was a sign of life-force as the tongue between the lips imitated the sacred lingam-yoni: male within female genital. Sticking out the tongue is still a polite sign of greeting in northern India and Tibet (see Body Parts). Cosmic Egg In ancient times the primeval universe-or the Great Mother-took the form of an egg. It carried all numbers and letters within an ellipse, to show that everything is contained within one form at the beginning (see Round and Oval Motifs).

Lieut.-Col. Laurence Austine Waddell (1854-1938) was a British Army officer with an established reputation mainly due to a work on the 'Buddhism' of Tibet, his explorations of the Himalayas, and a biography which included records of the 1903-4 military expedition to Lhasa (Lhasa and its Mysteries). Waddell was also in the limelight due to his acquisition of Tibetan manuscripts which he donated to the British Museum. His overriding interest was in 'Aryan origins'. After learning Sanskrit

and Tibetan, and in between military expeditions and gathering intelligence from the borders of Tibet in the Great Game, Waddell researched Lamaism. He extended his activities to Archaeology, Philology and Ethnology, and was credited with discoveries in relation to Buddha. His personal ambition was to locate records of ancient civilisation in Tibetan lamaseries. Waddell is little known as an archaeologist and scholar, in contrast with his fame in the Oriental field, due to the controversial nature of his published works dealing with 'Aryan themes'. Waddell studied Sumerian and presented evidence that an Aryan migration fleeing Sargon II carried Sumerian records to India. He interrupted his comparative studies of Sumerian and Indian king-lists to publish a work on Phoenician origins and decipherment of Indus Valley seals, the inscriptions of which he claimed were similar to Sumerian pictogram signs cited from G. A. Barton's plates, which are reproduced in this volume. Waddell's life is reconstructed from primary sources, such as letters from Marc Aurel Stein at the British Museum and Theophilus G Pinches, held in the Special Collections at the University of Glasgow Library. Special attention is paid to the contemporary reception of his theories, with the objective of re-evaluating his contribution; they are contrasted to past and present academic views, in addition to an overview of relevant discoveries in Archaeology.

"Spiritualism, the suffragette movement, and the fairy tales of Lewis Carroll" combine in this eerie Gothic mystery that will "captivate fans of historical fiction" (Booklist). Helena Walton-Cisneros is called to solve a decades-old cold case in the Fens of Norfolk—an age-old 'fairyland' of folklore, dark magic, and missing children . . . 1901. After the death of Queen Victoria, England heaves with the uncanny. Séances are held and the dead are called upon from darker realms. Helena Walton-Cisneros, known for her ability to find the lost and the displaced, is hired by the elusive Lady Matthews to solve a twenty-year-old mystery: the disappearance of her three stepdaughters who vanished without a trace on the Norfolk Fens. But the Fens are an age-old land, where folk tales and dark magic still linger. The locals speak of devilmen and catatonic children are found on the Broad. Here, Helena finds what she was sent for, as the Fenland always gives up its secrets, in the end.

A controversial examination of the influence and presence of the Norse god Odin in contemporary history and culture • Documents Odin's role in the rise of Nazi Germany, the 1960s counterculture revolution, nationalist and ecological political movements, and the occult revival • Examines the spiritual influence of Odin in relation to Jesus Christ • Profiles key individuals instrumental in the rise of the modern pagan renaissance Exploring the influence of the Norse god Odin in the modern world, Richard Rudgley reveals Odin's central role in the pagan revival and how this has fueled a wide range of cultural movements and phenomena, including Nazi Germany, the 1960s counterculture revolution, the Lord of the Rings, the ecology movement, and the occult underground. Rudgley argues that it is Odin and not Jesus Christ who is the single most important spiritual influence in modern Western civilization. He analyzes the Odin archetype—first revealed by

Carl Jung's famous essay on Wotan--in the context of pagan religious history and explains the ancient idea of the Web--a cosmic field of energies that encompasses time, space, and the hidden potentials of humanity--the pagan equivalent to the Tao of Eastern tradition. The author examines the importance of the concept of *wyrd*, which corresponds to "fate" or "destiny," exploring techniques to read destiny such as the Runes as well as the existence of yoga in prehistoric and pagan Europe, which later produced the Norse Utisetia, an ancient system of meditation. Rudgley documents how the Odin archetype came into play in Nazi Germany with the rise of Hitler and the pagan counterculture of the 1960s. He examines how the concept of subterranean and mythic realms, such as the Hollow Earth, Thule, and Agartha, and mysterious energies like Vril were manifested in both occult and profane ways and investigates key occult figures like Madame Blavatsky, Guido von List, and Karl Wiligut. He provides pagan analyses of Tolkien and the Lord of the Rings and documents the impact the Odin archetype has had on nationalist and fascist groups in America and Europe. Examining pagan groups in Europe and America that use the Norse template, Rudgley reveals true paganism as holistic and intimately connected with the forces at work in the life of the planet. Showing how this "green" paganism can be beneficial for dealing with the adverse consequences of globalization and the ongoing ecological crisis, he explains how, when repressed, the Odin archetype is responsible for regressive tendencies and even mass-psychosis--a reflection of the unprecedented chaos of Ragnarok--but if embraced, the Odin archetype makes it possible for like-minded traditions to work together in the service of life.

Among the Himalayas Mentseekhang Documentation & Publication

As America gasps in a stranglehold of a skull-crushing totalitarian regime, a supernatural intelligence speaks from the stars. Will the agents of omniscent Valis succeed in their mission of liberation? Or will the tactics of President Freemont extend the grip?

The encyclopedia of religion Oxford University Press, USA

A journey through time.

What happens when Loki, God of Mischief, falls for the one woman immune to his charms? Val has spent the last hundred years doing two things, protecting Princess Sutrelle of Muspelheim from her father, and hating the Norse Gods who forced her and her Valkyrie sisters to fight in Ragnarök. And when she meets Loki, God of Mischief, at the Speed Dating event, the last thing she intends to do is fall for the man-whore, woman-using, Trickster God. But getting away from Loki isn't as easy as she had hoped because despite him being irritating, vain, and stubborn, he's also kind, understanding, and hotter than Hell itself. Val has a decision to make--let go of the past and embrace what could be a fantastic future with a sexy, rich playboy God, or settle for someone that the Fates didn't have in mind for her and save her heart from the possibility of the heartbreak of a lifetime. Loki is book seventeen in the Speed Dating with the Denizens of the Underworld shared world, filled with angst, revenge, arrogant trickster Gods, strong-willed warrior women, and more.

The Return of Odin Cambridge University Press

Classical Mythology offers newcomers and long-time enthusiasts new ways to navigate the world of Greek and Roman myths, beginning by exploring the landscapes where the myths are set. It then provides a richly detailed timeline of mythic episodes from the origin of the cosmos to the end of the

Heroic Age--plus an illustrated mythological dictionary listing significant characters, places, events, objects, and concepts.

Encyclopedia of Cryptology Australian Academic Press

Herein the Norse Edda is scrutinised and its tales of gods and heroes, elves and dwarfs are decoded, using theosophical keys, to yield an overview of cosmic cycles of life on the many levels of the World Tree. The myths contain ribald humour as well as grand inspiration. Elsa-Brita Titchenell's commentary and her fresh translation of the principal lays of the Poetic or Elder Edda provide a key to understanding the timeless wisdom of the bards of every land.

The Woman's Dictionary of Symbols and Sacred Objects Island Press

An invariable guide and analysis to pressing issues of religious and Soviet change in the Pacific.

The Golden Key Voyager

The first and only Druidic book of spells, rituals, and practice. The Druid Magic Handbook is the first manual of magical practice in Druidry, one of the fastest growing branches of the Pagan movement. The book breaks new ground, teaching Druids how to practice ritual magic for practical and spiritual goals within their own tradition. What sets The Druid Magic Handbook apart is that it does not require the reader to use a particular pantheon or set of symbols. Although it presents one drawn from Welsh Druid tradition, it also shows the reader how to adapt rites and other practices to fit the deities and symbols most meaningful to them. This cutting edge system of ritual magic can be used by Druids, Pagans, Christians, and Thelemites alike! This is the first manual of Druidic magical practice ever, replete with spell work and rituals.

The Phoenician Origin of Britons, Scots & Anglo-Saxons Simon and Schuster

Unlock the lost and hidden meanings of the world's ancient and modern signs and symbols with the latest in the hugely popular series of 'Element Encyclopedias'. This is the biggest A-Z reference book on symbolic objects you'll ever find.

Astrology is one of the traditional arts and sciences of Tibet, used by monks and lamas in the study of the rhythms and cycles of time, for divination, and as an adjunct to the practice of traditional medicine. Here is the first comprehensive introduction to the subject, with practical instructions for casting and interpreting a Tibetan horoscope.

The Age of Reason Liverpool University Press

What could an omnipresent and seemingly omnipotent entity want with a humble pot-healer? Or with the dozens of other odd creatures it has lured to Plowman's Planet? And if the Glimmung is a god, are its ends positive or malign? Combining quixotic adventure, spine-chilling horror, and deliriously paranoid theology, Galactic Pot-Healer is a uniquely Dickian voyage to alternate worlds of the imagination.

The Acharnians Vintage

This reference book offers a comprehensive survey of gods and goddesses from cultures across the globe, with each entry covering specific cultures, dates of worship, the role the god played, and defining characteristics and symbols.

Gods of the Ancient Northmen ReadHowYouWant.com

Learning Ritual Magic is a training manual for anyone serious about improving their magic based on

the western mystery traditions, including tarot, ritual magic, Qabalah, and astrology. "What you get out of [magic] can be measured precisely by what you are willing to put into it- and time is the essential ingredient in successful magical training," the authors write. And just as no one expects to run a marathon or play a Bach violin concerto without sufficient training, so practitioners of the magical arts shouldn't expect to work complex, powerful magical rituals without a solid grounding in the techniques of Hermetic high magic. By spending at least a half hour a day practicing the lessons found in Learning Ritual Magic, the solitary apprentice attains the proper groundwork and experience for working ritual magic. Learning Ritual Magic provides lessons on meditation and a set of exercises designed to develop basic skills in imagination, will, memory, and self-knowledge, all of which are absolute fundamentals to magical attainment. While the authors discuss the essentials of magical theory, they focus on daily, basic perspectives rather than launching into details of advanced practice. Designed for the solitary practitioner, Learning Ritual Magic concludes with a ceremony of self-initiation.
