"An evocative panorama of America...on the cusp of enormous change" (Newsday) by the National Book Award-winning author of Ship Fever. In the fall of 1916, America prepares for war—but in the community of Tamarack Lake, the focus is on the sick. Wealthy tubercular patients live in private cure cottages; charity patients, mainly immigrants, fill the large public sanatorium. Prisoners of routine, they take solace in gossip, rumor, and—sometimes—secret attachments. But when the well-meaning efforts of one enterprising patient lead to a tragic accident and a terrible betrayal, the war comes home, bringing with it a surge of anti-immigrant prejudice and vigilante sentiment. Reading group guide included.

Risks are always worth taking. Cocky Kelton Maxwell is an impossibly sexy and charming college playboy who's set on attending Harvard Law. He has no interest in the trappings of romance. He only needs a prestigious internship at a highfalutin law firm to seal his application. But when a blast from his past shows up in Boston, his future is jeopardized. Kelton swore he would never put himself through heartache again. He would rather pledge his allegiance to the devil than drop to his knees to worship a woman, especially her. Feisty Lizzie Reardon is on a mission to find the man who stole her inheritance. Her only lead sends her to an art class, where she finds the boy she left standing on the hot Texas pavement several years ago. She isn't prepared to deal with Kelton, and she definitely isn't ready to see him posing naked for a room full of students. Yet she can't help but admire the boy who is now all man, hard, cut, and covered with colorful tattoos. Kelton won't dare to get close. Lizzie won't dare to let him in. Can they both dare to love? To Maxwell Cooper's great pleasure, his horses of quality Quarab stock have been well received by American buyers. His goal of selling to the Arab royal family would give his breeding business international credibility and prove that he wasn't the bad apple everyone had assumed. After missing his opportunity at auction two years in a row, he's been invited to back to back VIP sales and word on the street is that the royal family is going to be in attendance. And nothing will stop him from keeping his eye on the prize this time. Lena Fudge had been traveling the circuit as a newbie horse trader, but found herself fired after she passed along a hot tip while having hot sex with Maxwell Cooper. Now disgraced, she finds herself back in her family's home in the middle of nowhere horse country. Learning she's pregnant adds insult to injury, and despite her best efforts she's fulfilling her family's curse of living at home. She knows she has to tell Maxwell about the baby, but she refuses to ask for his help till she has her ducks in a row. That is until she runs into

Maxwell at the auction stables after being rejected from a last ditch attempt to get her old job back. Maxwell has been dreaming of Lena since their night of passion four months ago. One look at her, and being pretty sure he was the one to pop her cherry, he realizes he's the father. But Maxwell knows Lena's pride would not allow him to take care of her, so he asks her to work with him as a horse trader. It's not charity. As it turns out, Lena is the full package. She's a dream in the stables, amazing with buyers, and not adverse to a roll in the hay. But when things begin to go deeper than just a sale or sex, they'll find them find themselves racing toward a bidding war that will either have them living a life of love or losing it all.

A Novel Ava Strong

Retired homicide detective Gideon Maxwell is fed up watching killers go free. After the eleven o'clock news he screws a silencer to an unregistered gun and repeats his oath to protect as he buckles on a bullet proof vest. Under the darkness of a sleeping city, alley rats bear witness to a summary court. Gideon sentences the guilty within the blink of an eye, or in some cases the bat of a curled eyelash, if his Yiddish-swearing partner happens to join him in the shadows of Washington, D.C.Huldah Lehrer, when not playing contract bridge behind the gates of Leisure World, keeps an eye out for the next Nazi war criminal living among her Holocaust-survivor friends. The latest looks like the man Gideon hunted forty years. Her next door neighbor has a port-wine stain over his left eye. So does the shooter who killed Gideon's fiancée during the botched assassination of Black Power spokesman Stokely Carmichael. Together Gideon and Huldah make strange bedfellows you may think. Looks can be intriguing, particularly when it comes to dishing out cold justice.Another sweltering day in Washington, DC, the metropolis slowly exhales. A tear dangles from Gideon Maxwell's nose before the thick of a salt and pepper beard sops his shame. Sitting in his library with the glow from two computer screens the only light, he silently weeps holding the picture of his dead fiancée and feels the shiver after her dying breath. Today is the anniversary of the night a stray bullet tore life from her body and left a man little than a shell.

Anger and guilt fill the hole in his heart. Revenge is packed in every bullet tonight meant for the grinning man with steel-gray eyes and a purple birthmark over his left brow. After forty years as the top homicide detective in the Metropolitan Police Department, he is as haunted as the day he retired without catching his fiancée's killer. Before midnight her voice calls him to seek another cold-blooded killer to still his guilt. The next is sentenced and executed without remorse and juried trial. Plebeian criminals are of little interest to former Det. Maxwell. He wants the guilty who by trick or treasure beat the system. Seeing their imminent end, most beg for jail. But, "Never again," is what they hear a few heartbeats before their last. Although Washington, DC does not have the death penalty, Gideon's court has but one sentence. There is no limit to his term delivering summary justice. As long as the voice of his only love calls him, he will scour the streets for demons until he catches the one who robs him of eternal happiness.

"[A] glorious, glittery saga of friendship and loss... I read *The Air You Breathe* in two nights. (One might say I inhaled it)." --NPR "Echoes of Elena Ferrante resound in this sumptuous saga."--O, The Oprah Magazine "Enveloping...Peebles understands the shifting currents of female friendship, and she writes so vividly about samba that you close the book certain its heroine's voices must exist beyond the page." -People The story of an intense female friendship fueled by affection, envy and pride--and each woman's fear that she would be nothing without the other. Some friendships, like romance, have the feeling of fate. Skinny, nine-year-old orphaned Dores is working in the kitchen of a sugar plantation in 1930s Brazil when in walks a girl who changes everything. Graça, the spoiled daughter of a wealthy sugar baron, is clever, well fed, pretty, and thrillingly ill behaved. Born to wildly different worlds, Dores and Graça quickly bond over shared mischief, and then, on a deeper level, over music. One has a voice like a songbird; the other feels melodies in her soul and composes lyrics to match. Music will become their shared passion, the source of their partnership and their rivalry, and for each, the only way out of the life to which each was born. But only one of the two is destined to be a star. Their intimate, volatile bond will determine each of their fortunes--and haunt their memories. Traveling from Brazil's inland sugar plantations to the rowdy streets of Rio de Janeiro's famous Lapa neighborhood, from Los Angeles during the Golden Age of Hollywood back to the irresistible drumbeat of home, *The Air You Breathe* unfurls a moving portrait of a lifelong friendship--its unparalleled rewards and lasting losses--and considers what we owe to the relationships that shape our lives.

This was such a beautiful amazing story about loss, hope, dreams, family and love." -Live Read and Breathe Reviews "Cute, fun and a little sassy with a bit of tragedy acting as the cherry on top of the New Adult sundae, *Dare to Kiss* has a bit of the old strung into the new. Overall this was a book about sticking together. Friends. Family. It was about getting through the hard times, learning to trust, healing. Never giving it. It was refreshing." -No Bent Spines "Ever have that moment when a book is so good that you're trying to read and work at the same time? You're so invested that you're reading in between stop lights? Yeah, that was me. It's more than a love-story. This is a book about overcoming obstacles, struggling through loss, tearing down walls and trusting the most vulnerable part of yourself, our heart." -Badass Beauties Book Club Topics: new adult romance, family saga, alpha male, family, triplets, romance series, contemporary romance, love story, full novel, romantic novels, romance books, romantic books, romance books full novel, steamy romance, heartwarming romance, love story, romance series, audiobook, no cliffhangers, hot heroes, long series, swoon, all the feels, sports romance.

I have a decision to make. My family or my career. The problem is I want both, and I don't know how to choose. Lacey My baseball contract is up, and I promised Kade we would start a family. But a new opportunity just fell in my lap. A Triple-A ball club is interested in me. If I sign with them, getting pregnant might not be an option. The last thing I want to do is disappoint my husband but moving up in the major leagues has been my life-long dream. It's what I've worked so hard to achieve. But I can't live without the man who is my everything. If I do this, I know I risk losing him forever. Kade I hardly see Lacey during baseball season. But the All-Star break is in full swing. I have four blissful days to spend with my beautiful wife. I have plans that will keep us locked away with no distractions. It will be her and me, our king size bed, and a chance to make up for lost time. Until her agent calls and a family crisis is dropped in my lap. The precious time to shower her with love turns into one disaster after another. Now, our plans for the future are in jeopardy. And our marriage is on the line.
