A Billionaire in Disguise Swerve

In "How To Be A Billionaire" erfahren Sie, wie sich manche Leute in einem ganz bestimmten Bereich menschlichen Strebens hervorgetan haben, nämlich im Streben nach Geld. Hier geht es nicht um das halbe Prozent der amerikanerikanischen Bevölkerung, das über einen Kapitalwert von einer Million Dollar verfügt. Hier geht es um Amerikaner, die 1.000 bis 40.000 Millionen Dollar ihr eigen nennen. In diesem Buch wird zum ersten Mal diese massive Anhäufung von privatem Vermögen ausführlich untersucht. Hierbei stützt sich Fridson verstärkt auf Biographien und journalistische Reportagen, die die Findigkeit, den Elan und die Rücksichtslosigkeit dokumentieren, auf die sich diese Vermögen gründen. Er enthüllt die wichtigsten Taktiken, Prinzipien und Strategien, die die Reichen superreich gemacht haben, wie z. B: "Verstoße gegen die Regeln", "Nachahmung ist besser als Innovation", "Beherrsche den Markt", "Investiere in politischen Einfluß" und "Übertrumpfe die Konkurrenz". Erläutert wird das gesamte Repertoire, angefangen bei Verhandlungstechniken über Tipps für den besten Deal bis hin zur Wahl der Branche und zum Börsengang des Unternehmens. Eine unverzichtbare Lektüre für jeden, der (erfolg)reicher werden will. (12/99)

"Billionaire Wilderness offers an unprecedented look inside the world of the ultra-wealthy and their relationship to the natural world, showing how the ultra-rich use nature to resolve key predicaments in their lives. Justin Farrell immerses himself in Teton County, Wyoming--both the richest county in the United States and the county with the nation's highest level of income inequality--to investigate interconnected questions about money, nature, and community in the twenty-first century. Farrell draws on three years of in-depth interviews with "ordinary" millionaires and the world's wealthiest billionaires, four years of in-person observation in the community, and original quantitative data to provide comprehensive and unique analytical insight on the ultra-wealthy. He also interviewed low-income workers who could speak to their experiences as employees for and members of the community with these wealthy people. He finds that the wealthy leverage nature to climb even higher on the socioeconomic ladder, and they use their engagement with nature and rural people as a way of creating more virtuous and deserving versions of themselves. Billionaire Wilderness demonstrates that our contemporary understanding of the relationship between the ultra-wealthy and the environment is empirically shallow, and our reliance on reports of national economic trends distances us from the real experiences of these people and their local communities"--

I never meant to get stuck in a dark closet, naked, at the holiday gala.As a self-made billionaire and head of my tech company, the last thing I thought would happen was being pranked by my brother at an expensive gala. Instead of mingling among the crowd of potential investors, I was cold and alone with only some holiday string to keep me company. But then a Christmas miracle happened...The door opened and a beautiful woman appeared. My savior. Until she stepped inside, the door swinging closed and automatically locking behind her.Now she's trapped with me. All we had was time. Might as well get to know each other.I took the coat check job because it was a paycheck, but then I struck gold... a naked hottie stuck in a closet with me.I may not be one of those "career-minded" adults you read about, but I was responsible enough to pay my bills. When my sister told me about an easy coat check job that paid, I was happy to spend one night in a closet.But I swore that fancy, old hotel where the gala took place was haunted. Why? Because I heard the rumblings of an unsettled spirit back in the deep recesses of a hidden room next to the coat closet.I went in that room to face the spirit, but then something crazy happened. He wasn't a ghost, but a man. Not just a man but a naked one with a very large, uh, package.All I had to say was, thanks

Santa, for bring me exactly what I wished.
