POWERS ALANNAH

The Discovery of Witches Boruma Publishing

There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.

Jackie was content to spend her life alone. But when an attractive young woman stumbles out of a storm, she can't turn her away. Danielle is confused by Jackie's wary attitude. But when the hot young lesbian discovers Jackie's secret, she can't hide her desire. The lovely futa-woman has the body of a supermodel, and she's a virgin too! Watch the sparks fly in "Futa Farm Girl!" ~~~~~ Excerpt ~~~~~ Danielle watched the struggle play out across Jackie's face. She held her breath, not daring to upset the delicate balance between them. It was obvious the gorgeous woman was wavering on the knife's edge. Damn them for hurting her. The ferocity of her anger surprised her. But it was obvious that if Jackie had not been physically abused, she was recovering from a lifetime of emotional trauma. Danielle could imagine it. The signs were all about. Growing up in a small town, in a conservative household. Maybe her father died young. Or maybe it was yet another case of a man abandoning his unwed lover after she came up pregnant. And then, the double blows to the mother. First, the unwanted pregnancy. And then, even worse to her eyes, the horrifying realization that her child was malformed, disfigured, a freak with both male and female genitalia. In all honesty, Danielle thought, it was almost surprising that Jackie was as well-adjusted as she was. If she had to live her life scorned and despised, she probably would have gone completely around the bend. God, I want her so bad. Hidden behind the ridiculous sweatpants, her womanhood gave a frustrated spasm. Her juices were flowing, making her lips hot and slick. Finally, Jackie opened her eyes. In her gaze, Danielle could see the haunting memory of years of hurt. ?You're not playing a trick on me?? Her voice quavered, half-hoping, half-fearing the truth. ?You really think I'm?!?m attractive?? Danielle stood. This, she knew, would take a careful touch. She laid her palms on Jackie's cheeks, meeting her eyes squarely, willing her to see her honesty. ?You,? she whispered hoarsely, ?are the most amazing creature I have ever seen in my life. And I would be honored if you allowed me the

gift of taking your virginity.?

Part three of the story of Doctor Sheila Bennet and her experimental drug that turned herself and over a hundred college coeds into supremely well endowed phallic women! After losing her professorship at Wentford U., Sheila decides to go public. The world needs to hear about her amazing discovery, after all! Luckily there's a pretty blonde reporter on the scene. If only Sheila can convince her to put a positive spin on her story. Going public is only half her problem. If she wants to put her mutagenic drug into production, she'll need the help of an old flame, a big shot in the pharmaceutical industry. She'll have to do some pretty hard convincing with him as well, and she just might discover along the way that she's not quite as purely lesbian as she thought! A light-hearted continuation of the Futa World Series that once again, features a heaping helping of dickgirl-on-girl sex with steamy stories of straight women becoming lusty lesbians, as well as some kinkier themes of cuckoldry and female sexual superiority. But why leave the boys out completely? If their male egos can handle servicing what futanari are packing in their panties, anyway.

"Half-demon Luo Binghe rose from humble beginnings and a tortured past to become unrivaled in strength and beauty. With his dominion over both the Human and Demon Realms and his hundreds-strong harem, he is truly the most powerful protagonist...in a trashy webnovel series! At least, that's what Shen Yuan believes as he finishes reading the final chapter in Proud Immortal Demon Way. But when a bout of rage leads to his sudden death, Shen Yuan is reborn into the world of the novel in the body of Shen Qingqiu--the beautiful but cruel teacher of a young Luo Binghe. While Shen Qingqiu may have the incredible power of a cultivator, he is destined to be horrifically punished for crimes against the protagonist. The new Shen Qingqiu now has only one course of action: get into Luo Binghe's good graces before the young man's rise to power or suffer the awful fate of a true scum villain!"--Back cover of Volume 1.

Written in the 1840s and published here for the first time, Julia Ward Howe's novel about a hermaphrodite is unlike anything of its time--or, in truth, of our own. Narrated by Laurence, who is raised and lives as a man, is loved by men and women alike, and can respond to neither, this unconventional story explores the understanding "that fervent hearts must borrow the disguise of art, if they would win the right to express, in any outward form, the internal fire that consumes them." Laurence describes his repudiation by his family, his involvement with an attractive widow, his subsequent wanderings and eventual attachment to a sixteen-year-old boy, his own tutelage by a Roman nobleman and his sisters, and his ultimate reunion with his early love. His is a story unique in nineteenth-century American letters, at once a remarkable reflection of a largely hidden inner life and a richly imagined tale of coming of age at odds with one's culture. Howe wrote "The Hermaphrodite" when her own marriage was challenged by her husband's affection for another man--and when prevailing notions regarding a woman's appropriate role in patriarchal structures threatened Howe's intellectual and emotional survival. The novel allowed Howe, and will now allow her readers, to occupy a speculative realm otherwise inaccessible in her historical moment.

A number-one New York Times bestseller when it was originally published, THE SILMARILLION is the core of J.R.R. Tolkien's imaginative writing, a work whose origins stretch back to a time long before THE HOBBIT. Tolkien considered THE SILMARILLION his most important work, and, though it was published last and posthumously, this great collection of tales and legends clearly sets the stage for all his other writing. The story of the creation of the world and of the the First Age, this is the ancient drama to which the characters in THE LORD OF THE RINGS look back and in whose events some of them, such as Elrond and Galadriel, took part. The three Silmarils were jewels created by Feanor, most gifted of the Elves. Within them was imprisoned the Light of the Two Trees of Valinor before the Trees themselves were destroyed by Morgoth, the first Dark Lord. Thereafter, the unsullied Light of Valinor lived on only in the Silmarils, but they were seized by Morgoth and set in his crown, which was guarded in the impenetrable fortress of Angband in the north of Middle-earth. THE SILMARILLION is the history of the rebellion of Feanor and his kindred against the gods, their exile from Valinor and return to Middle-earth, and their war, hopeless despite all their heroism, against the great Enemy. This second edition features a letter written by J.R.R. Tolkien describing his intentions for the book, which serves as a brilliant exposition of his conception of the earlier Ages of Middle-earth.

Transforming Harry Spectra

The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.
