 The truck's role in

American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully

with specifications and measurements, prices, production figures, standard equipment and more.

**Highway Robbery:
Life Before and After
an SUV Rollover
Accident-The Ford
and Firestone Tire
Cover-Up Story**

Chilton Book Company Blood Highways is the heart-wrenching account of the biggest product liability case in history: the Ford-Firestone fiasco. At the

center of the story are two people: Tab Turner, a charismatic trial attorney from Arkansas, who has made a career out of forcing Ford and other automakers to own up to knowingly trade human lives for profits; and Donna Bailey, a single mother and outdoor enthusiast who fought back from the brink of death to confront those ultimately responsible for her accident. Weaving together harrowing depictions of the accidents and their consequences with the stories of the men and women who labor to police the auto industry and its reckless cost-cutting, *Blood Highways* will transform the way you view corporations, the government, the courts, and the media.

Above all, this book shows the price the public pays in wrecked and mangled lives when companies focus more on shaving costs than making quality products.

Family man Carl, with his wife and daughter, are on their way check on his young son who had been hospitalized for an ear infection complicated by the boy's Type 1 Diabetes. Stopped at a light they are confronted by a gunman who pulls Carl from the vehicle, stealing the vehicle and his family with it. Desperate, Carl, will do anything to save his family, even commit a carjacking himself. Carl finds himself chasing after his family, being

chased by the police, and confront the reason for this random act of violence. When all seems lost, Carl finds a reason to believe, and finds himself amidst a conflict of good and evil. Praise for **GOLDFINCHES**: “A man watches helplessly as his car is hijacked and driven off with his wife and daughter imprisoned inside. And, then; the nightmare accelerates into warp-speed unspeakable horror. Ryan Sayles has delivered yet another masterpiece in his newest novel, *Goldfinches*. This guy just keeps getting better and better! Take my advice and read this book with all the lights on...” —Les Edgerton, author of *The Rapist*, *The Bitch*, and *The Genuine*

Imitation Plastic Kidnapping “No one does fractured domestic noir like Ryan Sayles. And *Goldfinches* finds him mining that dysfunction harder and fiercer than ever. Shattering domestic bliss with pulse-pounding, pedal-to-the-metal action. Think Liam Neeson and his special set of skills—only jacked up on meth with stronger moonshine and more vicious complications.” —Joe Clifford, author *Lamentation and Junkie Love* “Take the emotional grittiness of *Breakdown*, turn the violence dial to eleven, throw in a healthy dose of desperation multiplied by having kids involved, and you’re on your way to something akin to Ryan Sayles’ *Goldfinches*.”

This is a brutal, tense, fast-paced ride full of the relentless brutality and knack for action that have made Sayles a household name for fans of great crime fiction, and this vicious ride may just be his best one yet.” —Gabino Iglesias, author of *Zero Saints and Hungry Darkness* “Ryan Sayles writes like he’s got an angel on one shoulder and a fallen angel on the other. Here’s hoping Ryan keeps working it out on the page...and doesn’t make much progress.” —Jedidiah Ayres, author of *Fierce Bitches* and *Peckerwood*
